Each homeroom will select one family from this list and will fill out a Christmas basket of food and clothing to suit that family's need.

MILNE PARTICIPATES IN FILM LIBRARY

Milton High School is now a member of the State College Film Loan Library, which is an organization of fourteen schools cooperatively using motion picture films.

In order to belong to this organization, schools must furnish the library with a minimum of educational film.

Dr. Carlton A. Moore, Director of the organization, has stated that "Milne has two thousand dollars worth of film.

He Milne student even saw a foot of it because Milne has no sound projector."

MEMBERS OF HI-Y VISIT NEW YORK

Eleven members of Hi-Y left Albany at 6:00 A.M. last Saturday in order to arrive in New York City by 1:00 A.M..... They were shown through the buildings and around the campus of Columbia University and witnessed the Columbia-Colgate football game on Saturday afternoon. Most of the boys spent their leisure time that night sight-seeing in the "big city" to which they said "goodbye" on Sunday when they started their homeward journey.
In the main office, a large barrel has been placed in which the students are asked to put their old shoes. These shoes will be given to the war veterans in Britain and Canada. They will be distributed through the Albany Branch of the Maple Leaf Fund. It is sponsored by the Albany Needle Club.

Mrs. Reisegold, Secretary to Dr. Frederick, will give tags to all the students to put their old shoes in the barrel. The barrel will be in the office at least another week.

CUBS NEWS

The members of the Arts and Craft Club under the direction of Mr. Raymond are making many interesting articles.

Some girls are making leather wallets and belts, while several are constructing aluminum place-card holders, and bracelets of nickel or silver. Others are making vases, ash trays, tiles and bowls.

ANNOUNCE CAST FOR COMEDY

The tryouts for Columbine Madonna were held Tuesday, November 26. The plot is about a group of ballet dancers who decide to give a Christmas play. The plot centers around these characters and their search for the right play. "Columbine Madonna" is a comedy.

The following people have the parts.

Columbine: Jean Hove

Pierrot: Sanford Golden

Harlequin: Gerald Plunkett

Pantaloons: Robert Kohl

Sir Rumchuck: Blanche Parker

This comedy will be presented on December 20.
As you all know, the Annual Christmas Plays will be presented in Page Hall on December 6. Many people are working diligently toward the success of these presentations. Let's give them our support by having an extra large attendance in front of the curtain that evening.

It would be a good thing if this year, there was no saving of seats and running up and down the aisles. This looks very bad, especially between acts. This year let's help everything run smoothly and successfully by doing our parts to make this year's plays the most successful ever.

GOT WELL SOON!

The Film of the Week

The Long Voyage Home

The Long Voyage Home, a new Walter Wanger production, is a compilation of four of the plays of Eugene O'Neil. The picture, directed by John Ford, with Thomas Mitchell, Ian Hunter, and John Wayne in the leading roles, has an excellent supporting cast.

The entire story takes place on the S.S. Glencorin, a ship which is carrying munitions to the British. During the voyage German bombers and bad storms help to keep the story going. The idea behind the picture is the fact that once the sea is your home, it always remains so.

The Long Voyage Home is an excellent film and may easily be classified as worthwhile movie-fare. It will play at the Strand Theatre quite soon.

LETTERS TO THE EDITOR

A Reader Expresses Hope For Assemblies To Increase

Editor, Crimson and White

How about more entertainment? Everyone loves assemblies, but no one seems to have the initiative to put on any. There are so many ambitious people in Milne and we have even a veritable Sarah Bernhardt in our midst. There is so much talent in Milne that it is a shame to have it go to waste. Let's look at all the experience stage-interested students may obtain.

As you go through the halls on Wednesday, you always hear, "Are we having Assembly Today? Oh God! How we have to go to homeroom! Let's get busy and make all of these Wednesday afternoon Blues!"

BASKETBALL TAKES THE SPOTLIGHT

The Milne team has been shaping up pretty well for the past week. The team is already to play ball tonight. Looking around the spotlight on the basketball floor our Captain Charles Locke looks even better than last year. The new variety prospects seem to have the spark of life left behind by the departed senior members of the club.

Our first game will be with Roelliff-Jansen High School of Hillsdale. The game will be played on the Roelliff-Jansen court on November 29. This game may prove a breeze for the Daniwitz coached men, just as Berlin was one year previous. Or on the other hand, we may find a fight on our hands such as the Keverly school handed us last year. Keverly had a small gym and kept popping from the middle of the floor, much to the surprise of the Red Raiders. Anyway, our boys are coached to contend with real competition this year. This year Coach Daniwitz has specifically drilled on offensive subjects. The boys are very anxious to get in action again.

And not forgetting our J.V., we have quite an inexperienced squad but we know they will be out there fighting all the way.

We (the sports department) have had many inquiries regarding a pep bonfire this year. We think this a good idea for many reasons. First, it will create more school spirit, and secondly, it will help to start our squires on the right foot for a good season.

Hi-Y has sponsored a bus to take all rooters from Milne to Roelliff-Jansen for the small expense of one dollar, which will cover the trip and the admission. This is a good chance to see the team begin the season. The more people we turn out to see the team on will certainly help us to begin on the Win column.
Now that Thanksgiving is over, we again have time to catch our breath, 
(after having gained ten pounds). The 
bird seems to be nearly finished this 
week in the form of sandwiches, tur- 
key hash, turkey pie, turkey sloppy- 
over, and turkey goblii.

Phyllis Reed again journeyed up to 
Olsen Thalls for a feast and a busy week- 
end. Don't forget all the home town 
boys, Phyll!

Elaine Gallup, Allred Spector, and 
their men seemed to be having quite a 
time at Dinty’s one night too.

If you walked in Horobets any night 
over vacation, you undoubtedly saw many 
Milnites, past and present, stag and 
couples, normal and otherwise. Steve, 
Bruce, Al, Art, and Shitty could easily 
be found, and Joe, Bob, John, Duncan, 
Dove, Martin, etc, couldn’t be missed.

Several Seniors appeared to be very 
ambitious a few weeks ago in trying to 
get a job during Christmas vacation. 
During Thanksgiving, the Juniors got the 
same idea. Glenn Smith was one of the 
students that was successful in getting 
this job over Thanksgiving vacation.

THE BIRD GETS AROUND

If all the applications go through, 
and you do your Christmas shopping in 
the right places, you can manage to have 
Milnites wait on you wherever you go. 
Aren’t you the lucky one!

Saturday night Ethelice Gould had a 
birthday party. The usual Juniors were 
there, and now Ethelice is “Sweet Six- 
teen.”

It seemed good to see former Mil- 
nites back in town again. Betty Mann, 
home from Skidmore, looked blooming, 
Eric Milner, Jackie Townsend, Doris 
Holmes and Al Mets all looked as though 
Cornell was agreeing with them. Bruce 
Clamants and John Schaefer traveled 
all the way down from Union College, 
Schenectady. Shirley Baldwin didn’t get 
home from Alfred as the sport Thanksgiving 
with a friend in Pennsylvania. And 
several others didn’t get home, so they 
aren’t thankful until this weekend.

The Delmar roller skating rinks 
were crowded with Milne celebrities—es- 
pecially Saturday night, Johnny Dyer 
had a swell time with a little brunette 
in red, (we don’t know her name, but you 
can watch for her at the Methodist 
phol.)

All you have to do is write a prize- 
winning letter on the subject... 

What Good Grooming Means To Me

These letters are to deal with any 
phase of the general subject “What Good 
Grooming Means To Me...” that affects upon 
pulse and personality and how it can 
help me in my future business, social 
and home life. They will be judged on 
the basis of the thoughts and ideas con- 
tained in them, not upon the writer of 
presentation or expression.

The length of these letters may 
range from 100 to 500 words.

Write them before December 4, and 
they will be entered.

There will be six prizes awarded, 
three to college winners, and three to 
high school winners.

First Prize—$25-$50 Retail Value
Second Prize—$15-$25 Retail Value
Third Prize—$5-$10 Retail Value

Address the letters to: 
Miller, Beauty Fashion 
101 West 31st Street 
New York City.

Let’s all try this contest, and best 
of luck to anyone who asks me informa-
tion, consult the features editor.
