Senior Class To Present Comedy

The class of ’53 will present their senior play, You Can’t Take It With You by Moss Hart and George S. Kaufman, Saturday, November 15 at 8:30 p.m. in Page Hall auditorium.

In June, seniors who joined a play committee read several plays and under the supervision of Mr. Richard Montgomery, English department, decided on You Can’t Take It With You shortly after the opening of school.

Play tells of family
The play is a hilarious affair, involving the mildly insane family of Martin Vanderhof, who is affectionately called “Grandpa.” His granddaughter who is unusually sane is in love with her employer’s son and invites him and his parents to dinner. One can’t imagine the turmoil when, a night too soon, they enter the Vanderhof home.

Direction is Mr. Walter Goodell from New York State College for teachers, with Mr. Don Collins acting as assistant director. Miss Dolores Donnelly also from the college is in charge of the sets.

Cassidy heads cast
Members of the cast are Gene Cassidy, presiding over the brood Martin Vanderhof; Sandra Baird as his daughter; Bob Dennis, his wife; Doris Perlman, their daughter; their son, Lou Snyder; Buzz Sternfeld as Doris’ sister; her boyfriend, Bennett Thomson; Jerry Hanley, the mad makeup committee.

The cast of the senior play is (l. to r.): bottom row: Mike Meyers, Doug Billion, Bill Wade, Lou Snyder, Jerry Hanley. Middle row: Mr. Walter Goodell, director, Redford Sanderson, Nancy Olenhouse, Nancy Bellin, Buzz Sternfeld, Anne Requa. Top row: Bennett Thomson, Dave Clarke, Sue Crane, Doris Perlman and Gene Cassidy. Missing from picture, Sandra Baird and Bob Dennis.

November 8, at 8 p.m., the M.B.A.A. will present the movie “Winchester 73” in Page Hall. Tickets, which have been on sale at school, cost fifty cents and will be sold at the door. “Winchester 73” has two great stars, Jimmy Stewart and Shelly Winters. As an added attraction, Bennett and “Buzz,” local T.V. entertainers, will put on a short show before the movie.

Purpose of the movie
There are several reasons why the M.B.A.A. like all other school organizations such as the Crimson and White, Bricks and Ivy, and M.G.A.A. is allotted money from the Milne school budget. With this money and the receipts that they get from basketball games, this organization is hardly able to meet the expenses that are required to run basketball, baseball, and tennis teams. Therefore, the M.B.A.A. is not able to furnish Milne’s athletes with sweater awards.

Let’s have some school pride
There are many reasons why all school functions, like this movie, should be supported. For this movie though, there is a special reason. Milne isn’t the greatest athletic power in the city, but you can be sure that our teams are always trying their hardest to make their fellow schoolmates proud of them.

The question is, are you, the student body of Milne, behind your teams? Remember, your athletic teams are only as good as the support they get from you.

Bring a blanket and some popcorn
Let’s get together for the movie.

Milne to Issue New Tax Card

New student tax cards, to be issued after Thanksgiving, will display their owner’s photograph.

Dr. Theodore H. Fossieck, principal of the Milne school, revealed that the new cards will have 1½ by 1½ inch photographs of the students on them. Students are to be photographed by the Rushbach studio. Pictures will be wallet size as before.

The cards will indicate that the owner is a member of the Milne Student Association, and these will serve as admission to Milne games, dances, and other student activities at the school.

Dr. Fossieck stated that the new cards were decided on as more interesting, and as better identification than the former design.

Tri-Hi-Y to Give Square Dance

Saturday night, November 22, will mark the date for a square dance sponsored by Milne Tri-Hi-Y in Page Hall gym. Tickets may be purchased from any Tri-Hi-Y member for fifty cents a person.

The square dance is open to any senior high student from Milne or any other school.

Says dance chairman, Nancy Bellin, “This is the first dance that we have been able to sponsor, and we think it will prove to be fun for all.”

To Hold Dance Tonight

Bruce Fitzgerald, president of the junior Student Council, reported that there will be a square dance held in the lounge on November 7, from 7:30 to 10:30 p.m. The name is the Welcome Back Dance. Barry Fitzgerald, chairman, reported that everything is going smoothly. A committee investigating the pro’s and con’s of having football at Milne is one of the council’s projects. The first meeting will be held in the near future.

Control Yourself
Have you ever stopped to think of what visitors to Milne or State college see when they walk through Page Hall auditorium? Well I have, and it really makes me ashamed of the kids in our school.

There are students running all over the auditorium. This is no place to play tag. If you have so much vim and vigor, go outside and run around. Eating the rest of your lunch but please, not so much of it in the auditorium. You have plenty of time to eat everything during the lunch period in the cafeteria.

It's perfectly alright to love your girl friend, but please, not so much of it in the auditorium. It certainly doesn't look very nice to the supervisors, teachers, and visitors walking through Page Hall.

Let's try to take better care of Page Hall auditorium, before the college takes it away from Milne entirely.

Oh kat! Dig that crazy rhythm!

CRIMSON AND WHITE
Vol. XXII. NOVEMBER 7, 1952 No. 2

CRIMSON AND WHITE ROUND
Paul Howard and Carl Eppelman went to the Academy football field to see Albany Academy play host to the New York Military Academy. Mary Killough, Elsa Weber and Virginia Pitkin were there and were they interested in the game!

"The Greatest Show on Earth" was seen at Doris Perlmans' open house. Everyone agreed it was the best party ever, even though most of the seniors went home hoarse! Bennett Thomson, Judy Behymer, Nancy Gade, Ruth Dyer, Nancy Tripp, Bob Bulis, Marcia Wright, M.F. Moran, Cressy McNutt, Bob Albert, Gene Cassidy, "Bunny" Walker, Bob Dennis, Frances Rogler, Louise Snyder, Redford Sandersen, Henry Cohen, Arthur Heinmiller, Diane Bunting, and Isobel Ure were some of the quiet kids.

Gail McCormick tried her fling at having an open house. Allison, Mary Lou Dettrich, Bill Hoffman, Marty Wolman, Bob Byrum, Shirley Male, "Mimi" Ryan, Sue Bower and Freddie Brunner said it proved successful.

The junior high is really going to town with all the parties. Dick Berberian had a party for Julia Mohnling, Jackie Binley, Joyce Seymour, Bob Killough, and Nancy Wing.

Getting into the spirit of Hallowe'en, Tom Nathan had a Hallowe'en party. Those that attended were: Nancy Jones, Ginshburn, John Houston, Polly Ann Viner, George Bishop, Diana Lynn, and Bob Van Cleek.

The Colgate Seven, a group of boys from Colgate university entertained some Milnites at a recent Ursina Club dance. (Just ask Allison!) Jeanne Canfield, Russell Peck; Sally Simmons; Lou Loveless; Pat Canfield, Croighton Cross; Allison Parker, and David Elkie attended this date of the faculty sponsors.

Jean Redden had a party for some eighth graders. David Donnelly, Nan Henig, Erwin Scher, Carol Johnson, Philip Ring, Jean Eisenhart, Andy Stokas, Sue Orme, Bob Wibblesman, Eleanor McNamara, Jim Cohen, Sue Powell, and Bob Horn were the party-goes.

"Give me your tired your poor" was the theme of Cynthia Berberian's slumber party. Ann Gayle, Carol Becker, Judy Hannan, Ann Crocker, and Connie Olivo were the yawning girls.

"Swing your partner" was the popular call at St. Paul's Episcopal Church hall. Jackie Marks, Ronni Killelea, Kenny Jarrett, Ellen Hopper, Wally McNaaman, Karen Wert, Bob Perry, Helen Logan, Russell Weber, Adelia Lather, Jerry Hanley, Nora Wilcox, and Bob Dennis were the square dancing fiends. by "Buzz", Bobby 'n Cynthia.

Tri-Hi-Y is the female counter-part of Hi-Y, which was featured in this column of the Crimson and White in the last issue. Like the Hi-Y, Tri-Hi-Y's purpose is to create, maintain, and extend high character in the school and throughout the community.

Last year was the first year we have had a Tri-Hi-Y club in Milne. During our first year we had a joint Christmas party with the Hi-Y at the YWCA and a joint installation banquet, at which all the members of Tri-Hi-Y were formally installed.

Among plans for this year is a square dance which will be held in the big gym on November 22. The members have made tentative plans for attending a national meeting of Hi-Y and Tri-Hi-Y clubs in Amsterdam, New York.

The girls of the club have already performed a service to the school this year by acting as guides and hostesses at Parents Night.

Mary Frances Moran is president of the Milne chapter, Patcy Canfield is vice-president, while Connie Olivo takes the minutes, and Margaret Moran handles the finances. Allison Parker has been re-elected chaplin. Miss Lydia K. Murray and Mrs. Catherine McLaughlin are the faculty sponsors. Any girl in the sophomore, junior or senior class is welcome to membership in the Tri-Hi-Y.

The Inquiring Reporter
By CRESSY and JIM

Question: How do you think the school could be improved?

Louis Snyder: "Longer vacations."
Bob Freedman: "There should be more sport activities after school."
Mimi Ryan: "More pep assemblies."
Dick Bruce: "Better clock system."
Raven Olivo: "I think we should have better student teachers."
Johnny Reynolds: "Enough money to have an adequate sports program."

Dr. Raines: "I'd like to see more space. More rooms for classes and for teachers, also more room for relaxation."
Mary Leonard: "The cafeteria."

Bob Krouse: "There should be more free periods and less homework."
Nancy Jeram: "I think we should have more study periods."
Lois Donely: "I like it just as it is."

Anne Oetjen: "Swimming pool."
David Hunt: "I think we should have football.
Carol Becker: "A junior room."
Mr. Raymond: "I think there should be a telephone in all the offices. We could use elevators, not necessarily for student use though. Enlarge the party room and add a new building for gym, locker rooms and so on. Maybe we should have a swimming pool in there too."
Hoop Season Opens November 21st

Preview of '52

By JOHN WOLFE

With the official opening of the 1952-53 basketball season just two weeks away, its about time for the Milne student body to limber up their lungs and get ready to cheer their team through the seventeen game schedule. To insure full enjoyment of the forthcoming games, it would also be a very good idea to become acquainted with the fellows who are to represent the crimson and white this year.

Varsity Club features height

From all indications and reports received from Coach Grogan’s office, this year’s varsity squad is all of the potential needed to put a winning outfit on the floor. The team probably has more qualified “first stringers” than any other Milne squad for some time. Height is another advantage that this year’s team has over more recent Milne squads. More than half of the boys on the team has over recent Milne squads.

More than half of the boys on the team has over recent Milne squads.

Now let’s take a look at the players who will be on the team this season. Holdovers from last year’s varsity are seniors “Bunny” Walker, last season’s top scorer, Doug Billone, Dave Clarke, and Don Coombs. Juniors Art Mulius and Don Smith have also had considerable varsity experience. Moving up from last year’s very successful j.v. team to round out the varsity squad are Dick Nathan, Just Lockwood, Harry Page, John Murphy, and Creighton Cross, who smashed several scoring records last year with the j.y.

The tougher schedule which has been adopted this year will keep the boys on their toes, but there is no reason why they should not come through with flying colors.

J.V. and Frosh squads reviewed

Milne’s efforts to put out an able j.y. and frosh squad on the court this season. Reporting for j.v. practice are Bob Byrum, Don Wilson, Bill Bullion, and John Wolfe from last year’s team. Also fighting for berths are juniors Pete Russell, a newcomer, John Armstrong, Marty Woiman, and Billy Keller. Sophomore candidates are Bob Keller, John Houston, Joel Berman, David Neville, Peter Hoppen, and Dick Edgards. Candidates for the frosh team, so far, are Paul Howard, Ronnie Killelea, Russ Peck, Paul Quickington, Barry Fitzgerald, Tripp May, Dick Bivona, Carl Ruppleman, Dave Wilson, and Bruce Fitzgerald. There is a good chance that many freshmen will see action this season.

Volleyball playdate

There is going to be a volleyball playdate on November 22. This playdate, which takes place at Philip Livingston junior high school, is an annual affair. Usually both a junior and a senior team is going. Besides Milne, the other schools which will participate are Albany high school, B.C.H.S., Columbia high school, Saratoga high school, and St. John’s of Rensselaer. The games usually start at 9:00 a.m. with time out past the Milne team has always done very well. Good luck to this year’s team, and I do hope that they do as well as the teams have done in other years.

Managers Picked

Behind the scenes of this year’s basketball team will be a group of ten scrub managers. On October 31, Coach Grogan released the list of this year’s managers. They are: Tom Hirschfeld, Hans Pauly, Ron Ruf, Robert Horn, Phillip Ring, Paul Cohen, Roger Stumph, Dave Klingaman, Stuart Doling, and Robert Snyder. The head manager has not yet been named, but in all probability it will be Bob Dorn. Bob will most likely be seen at the scorer’s table keeping time. Up to this point, it looks as if Lou Snyder will also be at the scorer’s table as scorekeeper.

Pep Assembly

With the introduction of the cheerleaders by Miss Murray, the varsity cheerleaders will then review the various cheers in order to acquaint the students with the yells. After that Coach Grogan will announce the varsity and j.v. squads for the coming season and introduce each player individually. This will be followed by a cheer from the varsity cheerleaders. Last of all both the j.y. and varsity cheerleading squads will join in the final cheer of the assembly.

Hockey to start soon

Now that these cold November days are here, hockey and soccer will soon be out of season. Don’t forget to bring your jackets and sweaters to school with you because it gets mighty cold these early mornings.

Editor’s Note

I would like to take this opportunity to urge everyone who has an opinion on the question of whether or not to renew football at Milne, to take action! Your words are useless if they are merely passed along in idle conversation.

The junior Student Council football committee is planning to sponsor a petition in favor of football. If you are in agreement with them make it a point to sign this petition! If you are opposed, write to the Student Council.

Ruthie Rites

As usual the party will be held at Hoffman’s skating rink. The date has been set for December 6, the first Saturday in the month. The tickets will be free to any Milne girl who wants to go. A day of skating will not only be good exercise, but will also provide you and your friends with a day of fun. Why not make plans right now for attending this event?

M.B.A.A. movie

The M.B.A.A. is starting off the social events of this year with a movie on November 8. This social event is not very worthy cause behind it. This cause, in case you have not heard about it, is to purchase sweaters for the boys who have not earned enough credits for one. These boys have really done a tremendous job in all sports at Milne and deserve a little recognition for it. When the girls earn thirty credits they receive a hooded sweater. We all get behind this affair and make the movie a big success. The boys have a big interest in this affair.

Cheerleaders

In my last column it seemed that I left out the j.v. cheerleader’s names. I’m very sorry for the mistake, so I’ll name them again. They are as follows: Joan Canfield ’56, Judy Jenkins ’56, Jackie Boczynski ’56, Judy Weibel ’56, Ginny Pitkin ’56, Mary Kilough ’56, Jackie Torney ’56, Sally Bartic ’56, Jackie Marks ’56.

Columnist Tries Something New READING

By JERRY HANLEY

In keeping with this publication's laudable policy of presenting the best writing available, our reporter recently decided that he should venture forth and unearth some items falling in this category.

I decided that, for the sake of convenience and economy, my best bet was to modify my eyeglasses. Fortunately, I was hardly past the front gate of this auspicious abode when I was confronted by a heavy drizzle. It was unavailable at the moment. Why this was so I do not know. Undoubtedly it was somewhere trimming his mustache.

Deciding reading would be necessary

Thus I staggered home with defeated ladened footsteps and the terrible truth dawning upon me that, if I really wanted some news, I would need to have some reading. This was something I had not intended when I decided that I would try to read a little something every day. Thus my first reading was an unmitigated lie.

Teen-agers in terrible shape

The first startling fact which greeted my eyes was that I had unwittingly been associating with a group of people who, according to a report, were apt to be dope fiends, sex maniacs, and other sundry types of unsavory characters. In fact, I had found that I was indulging in some type of narcotics myself. A hasty search of my pockets revealed to me that this was an unmitigated lie.

Hi-Y Sponsors Noted Speaker

On October 16, the Hi-Y club presented an assembly. The speaker was Mr. Paul Harris, Jr., who spoke on the topic, if "I were Your Age." Mr. Harris is a noted author and world traveler. His services were obtained through the Albany Y.M.C.A. The Hi-Y and Tri-Hi-Y clubs are chapters.

Andrew O. Wilson, president of the Milne Hi-Y, began the assembly with the singing of the Spangled Banner. Robert Dorn then introduced the speaker.

Mr. Harris commanded the full attention of the students throughout his speech. He presented the idea of acting our own age, as compared with youth of foreign countries.

The program was closed in the usual manner by the singing of the Alma Mater.

New Club Organized

Ferroequinology may sound like a weather report to some of you, but believe or not, it isn't. Milne Association of Ferroequinology is the name of the newly organized railroad club.

The club meets once a week and has many plans for the coming year. Many French boys and girls will be made happy on Christmas by Milne's Science Dept.

Science Dept. Plants Bulbs

Twenty-five dollars worth of exotic cactuses, tulip and daffodil bulbs have been bought by the science department. These bulbs are going to be planted around the school by the biology students.

Six sections of the biology lab classes went to the six-mile woods to collect aquatic forms. Biologists also went on a field trip to the lake. One of the students says that they will have an identification test on the different types of trees and plants they saw.

Pirate Ship found in gym

If anyone happened to look into the little gym on November 6, they could not help but notice a lot of sinister looking girls dressed as pirates, and at the end of the week, they would have all the pirates' ship's bow, with trunks, flags, and all the trimmings. This is where the Sigma rush took place. As the girls entered the gym, they were very surprised to find themselves suddenly blindfolded and marched up a plank as if they were entering a ship.

After a game, refreshments were served, which consisted of cider, sandwiches, cookies, cake and potato chips.

The pirate girls topped off the afternoon by some entertainment. A skit was put on by the Pirate Players, all seniors. Then followed a dance which the junior girls named the Pirate Ballet, though the spectators failed to see any graceful movements. After the ballet came a pantomime by "Buzz" Sternfeld called "Mac the Black." The fourth act was a dance by Tamara Tamaroff and Beatrice Weinste.

At the end of the afternoon, Ruthie Dyer, president of Quin, thanked the members for helping with this rush.

Ruthie DYEYR

"Having a party lady?" Oh no, not that again. That's our gal, Ruthie Dyer's favorite expression.

This gal likes white bucks and gray flannels, having fun at parties, and singing the Quin song to end the rush.

French Dept to Send Gift Boxes

This year the French classes in Milne again sent thirty-four boxes to Ecoles Technique des Jeunes Filles, Tours, France. All the French students brought canned goods, soap, school utensils, and magazines for the packages. The gifts were wrapped in Christmas paper and packed in the boxes.
