Milne Students Fill Public Offices

During Boy's and Girl's Week, three Milnettes selected for their scholarship and leadership, filled public offices for a day.

Tuesday, April 29, Dick Davis and Jimmy Whitney served as city officials. Dick held the office of City Comptroller, while Jimmy served as City Court Justice. Both were guests of the Albany Kiwanis Club at a luncheon held at the Hotel Ten Eyck. Following the luncheon they went to Cornin's office where they began their official duties. From there they traveled to their respective offices to learn more about their positions.

Page Serves As Governor

On Friday, May 2, Page took over the job of Governor of New York State. After attending a Rotary Club luncheon at noon, Page went to the Governor's Reception Room at the State Capitol where he began his duties as the highest official of the state.

Alternates Bill Hayes, Wesley Moody, and Dee Parker were chosen to take the place of Milne's delegates in case of sickness.

The purposes of Boy's and Girl's Week are to acquaint young people with the functions of city and state government, and to make officials realize that today's young people want good government.

Foss and Requa Head Staffs

The recent Crimson and White and Bricks and Ivy dance was the scene for the announcement of the new staffs of Milne's publications. These new staffs were headed by Carol Jean Foss, editor of Crimson and White, and Anne Requa, editor of Bricks and Ivy, took over immediately.

The Bricks and Ivy staff consists of Eric Buck, Art Editor; "Bunny" Walker, Advertising Manager; and Andy Wilson, Business Manager. Allison Parker will serve as Literature Editor, and Bob Dennis will handle the yearbook's finances.

Carole Jean Foss, Nancy Olenhouse, Mary Frances Moran, and Nancy Bellin are the News Editor and Associate Editors, respectively. Taking over the Feature Editor's column will be Jerry Hanley, and taking over the exchange from other schools is Mary James. Dick Nathan is Boy's Sports Editor, and Ruth Dyer will write the girl's sports column. Anne Crocker is the new Business Manager, and Mary Phillips will keep her typing staff busy. Allison Parker and Nancy Tripp will spotlight high school activities while "Buzz" Sternfeld, Dianne Cromwell, and Bob Horn will keep the Merry-go-Round running.繁荣 will be handled by Sue Crane and Nancy Gade.

Latin Students Enter Contest

On Saturday, April 26, the Eastern Zone Latin Teachers' Association sponsored a Latin Contest at Chatham High School, Chatham, N. Y. It was divided into divisions which were determined by what year Latin the student was in.

From Milne there were quite a few contestants. Nancy Olenhouse and David Clarke represented Latin I; Nancy Bryant and Robert Setter from Latin II; Ellen Siegal took the test for fourth year Latin.

Dr. Florence E. Haanen, Miss Gloria Cammarota, Supervisors of Languages, were the faculty advisors. Refreshments of cookies and ice cream were served during the afternoon.

Dr. Fossieck will present a certificate to the student who received the highest grade from Milne, also cash awards to the highest grade student in each division. The results of the tests will be known May 12, and will be announced at the Milne Honor Assembly.

Six Colleges Notify Milne High Seniors

The list of Milne seniors accepted by colleges has been further augmented by the latest interview with Mr. Tibbetts.

Mary Lou Richardson has been accepted in the College of Saint Rose, while Green Mountain Junior College plans to have Claire Marks as a pupil. Worcester Polytechnic Institute has notified Ronald Thomas of his acceptance. Beryl Tracy plans to go to Purdue and Penny Thompson to La Salle Junior College.

M.B.A.A. to Hold Annual Banquet

The annual Father and Son Banquet sponsored by the M.B.A.A. is scheduled for May 15 at the Dutch Reformed Church. Dinner will be served at 6:30 and tickets are $1.50. Mr. Alonzo Parker will be toastmaster. One of the highlights of the evening will be the presentation of the athletic awards.

McGuire To Speak

Efforts are being made to get Frank McGuire, basketball coach of St. John's University, as the speaker. Mr. McGuire has turned out some fine basketball teams and is certain to be a very interesting speaker.

Tickets are being sold under the direction of Art Melius and Mike Meyers.

Societies Present Dance

Q.T.S.A. Picks Phillips Queen Of Dance

Saturday night, May 3, 1952, marked the annual dance sponsored by the Quintilllan, Theta Nu, Sigma, and Adelphi Literary Societies. The dance was semi-formal, and was held from 8:30 to 12:00 in the Ingle Room of Pierce Hall, the State College Dormitory for Girls.

DeMico Plays Bill Hayes obtained Frank DeMico's band for the occasion. Patsy Canfield, Margaret Moran, and Ruth Dyer were in charge of refreshments. Each girl was obligated to bring cookies. Punch was also served, David Clarke had charge of the tickets.

Mr. Raymond of the Industrial Arts Department and Mr. Moore of the Science Department were the chaperones.

Mary Phillips Crowned Queen

The climax of the evening came when David Clarke announced the queen of the dance along with her court. Mary Phillips was crowned queen of the evening; and her court consisted of Jane Careough, Arlene Avery, Roxy Reynolds, Joan Callahan, Beryl Tracy, and Janet Sutherland.

Queen and Court Receive Gifts

The queen's crown was made of spring flowers, and she and her escort, Bob Norris, danced the next dance on the dance floor after she was crowned. Mary and her court received little gold compacts which were chosen by Harriet McFarland and Nancy Tripp.

Dr. Moore stated, "I've been going to the Q.T.S.A. dance since 1929 and more students came and spoke to the chaperones than any other I have ever attended."

Students Take Trip

Miss Millie Haines, Social Studies supervisor, accompanied the seventh grade on a field trip to Harry Garry's farm and Teacher Park on May 6 and 7.

The seventh graders toured the farm and learned about the work of the State Conservation Department.

DO YOUR PART
If someone were to ask you, 'Have you any school spirit?' what would your answer be?

“Oh well, I take part in intramurals; I'm on the traffic squad; and I am a member of the Hi-Y.' That is good but not good enough.

School spirit means really pitching in and supporting your school. Spirit doesn't apply just to sports but to dances and all other activities put on by the school.

At the present time we can show our school spirit by attending the baseball games. A good crowd from our school helps the team. Let Milne players know that their school is really rooting for them. Come on kids, let's get baseball minded!

Glad to see that Dick Mills has recovered from his illness and is back with his flock of roundtable men, we'd like you to note Paul Flanagan, head man on the Tri-City Ballroom every Saturday evening from 10 till 1 over WTRY. Whether you like it hot or slow, sweet or saucy, you'll find it on the Tri-City Ballroom.

Dave Rose, America's foremost young composer and conductor, has written a flashy thing of the "Holiday For Strings" variety dubbed "Gay Spirits." It's out now with the M.G.M. stamp in the middle and really hits the Spring season.

In the Spring—everything seems fresh and new and that's the perfect description of Doris Day's and Guy Mitchell's Columbia waxing of "A Little Kiss Goodnight."
Red Raiders Whip Cadets

**Clark Pitches Four Hit Win**

By DON SMITH

The hard-fighting Milne nine in their second start of the 1952 season handed the Cadets a 9-1 margin in Academy's first setback by a decisive 9-1 score at the Cadets' field.

Dave Clarke, Milne starting hurler, went the distance for the Red Raiders, allowing the home team only four safeties. Aside from his fine performance on the mound, Dave led the Crimson with three hits, two singles and a triple, driving in two runs.

**Raiders Score**

The Milnites got off to a fast start as they scored first in the top of the third inning. Clarke and "Bunny" Walker, batting third and fourth respectively, started the rally as they smashed doubles, scoring the first run. Art Mellius came to the plate with two outs and dropped a single into short center field scoring Walker from third. With two outs, two men on, and two runs across, the rally was stopped as the Raiders failed to score.

The Cadets retaliated with their lone run in the bottom of the fourth inning as Creel Froman singled into right field scoring the runner from second base.

**Raiders Insure Victory**

The visitors insured their victory as they scored seven more runs in the sixth and seventh innings. As the Cadets failed to score again, the final tally remained Milne 9, Albany Boys Academy 1. Dave Clarke was credited with the win while Jim Caird suffered the defeat.

Clarke, Parker, and Billon each collected three hits apiece to lead the winners. Mellius, Coombs, and Wake were close behind with two safeties each.

**Editor's Note:**

I would like to call the attention of the student body to the fact that the athletic sweater awards have been discontinued. As many of you know this award was traditionally presented to the athletes in the school who earned a total of six varsity credits. This award has been stopped because of the lack of funds in the Boys' Athletic Association which formerly paid for the sweaters. The reason is that all available funds are needed to purchase the necessary equipment.

I want to take this opportunity to urge everyone who has a suggestion or an opinion concerning this to speak with either your student council or your M.B.A.A. representative. I am sure they will appreciate your cooperation.

Yours truly,

“NATE.”

**BASEBALL OPENS**

The Milne varsity baseball club opened its 1952 season April 24 against Bethlehem Central High School with the Milnites on the short end of an 11-0 final score.

The game was decided in the bottom half of the first inning as B.C.H.S. gained seven runs off Dave Clarke. Dave who pitched good ball for Milne last year just couldn't get started. He was relieved by "Bunny" Walker who finished the game allowing only four runs. After the poor first inning the Milnites settled down and played much better ball for the remainder of the game.

John Stokes and John Pappalardi limited the Raiders to two singles, one by Dee Parker and the other by Walker. Stokes gained the victory, and Clarke suffered the loss.

**TENNIS PREVIEW**

Milne's tennis team started their 1952 season with a smashing victory over Columbia High School, 6-1, on the loser's court. Captain Paul Vogel commented, "Our team looks very strong, but I'll reserve my opinion until we meet some really tough competition."

This year's team is again spearheaded by Dick Propp, Frank Parker, and Paul Vogel. These boys fill out positions one, two, and three respectively. Junior, Mike Meyers is playing fourth, while fifth man is yet undecided, with many candidates fighting for this position. Among these are Don Leslie, Bob Bullis, Jerry Hanley, Bob Setler, and Sheldon Schneider.

In their first contest of the year, the Milnites easily overcome a spirited Columbia team, winning four singles matches, and two doubles matches, while dropping only one singles match.

Nott Terrace high school in Schenectady was host to the Milne tennis team on May 9. On their first visit they will take on Mont Pleasant at the Ridgefield courts.

Bill Hayes is forced out at the plate as he slides into Warren Witherell (A) preventing his throw to first base. Raiders were victorious by a 9-1 margin over Albany Boys Academy at Academy field.

**Altamont Victorious**

Altamont's varsity diamond nine visited the Ridgefield, Y.M.C.A. Park on May 2, for their first 1952 contest with the Raiders. The game was a real thriller as the visitors squeezed past the home team winning by one run, as the final score was Altamont 2-Milne 1. Altamont scored twice in the fourth inning while holding the Raiders to only one run, in the sixth frame. The run was scored as Dee Parker and J. Lockwood followed with a single to score Dee from third.

**Renss. Nips Milne**

Game number three for the Milnites was against the very powerful Rensselaer "Rams" at Ridgefield Park. The Raiders were held to four hits by Rensselaer pitcher "Vin" Keilman as the Rams batted a total of seven safeties. Unfortunately three of the seven caught the strong left field wind and final score. In the Ridgefield tennis courts granting the batters a full circuit of the bases. The final score held was Rensselaer 12, Milne 2. Don Billon scored both of the Raiders' runs.

** plans for banquet**

The Girls' Athletic Association is making plans for Mother and Daughter Banquet, May 22. As in other years, the banquet will be held in the First Dutch Reformed Church. The theme will be built upon the colors of violet and black. For this purpose the Milne football has selected roast beef. The main event of the evening will be the awarding of M.G.A.A. emblems, honor pins, and cheerleading pins. Announcement of the officers will also be another highlight of the banquet. As usual, we expect Miss Murray to have a few surprises up her sleeve. What do you say, Miss Murray? After the awards have been distributed there will be entertainment provided by the mothers and daughters. We hope to see every Milne girl and her mother present.

**Playday At Milne**

On Saturday, April 28, the State College Women's Athletic Council sponsored a tryout for three area schools including Milne. Girls from Albany High and Schuyler were also represented. The M.G.A.A. served as hostesses. Students from Milne who participated in the softball games were "Nancy" Nap, Ruth Bueh, Barbara Van Dyke, Beryl Scott, Lola Costello, and Gwendolyn Zeiter. Instead of all the girls from each team playing on the same team, everyone was divided up, so there was a variety of girls on each team. We were all to get the girls to know each other. After the games were over, coke and cookies were served in the lounge.

**Cheerleading Tryouts**

You girls better start practicing up on your cheerleading, because tryouts are coming up sometime in the near future. Grades 7 and 8 can try out for the junior squad, and 9-11 for the varsity squad.

**Congratulations**

Before I close, I'd like to congratulate Mary Alice Leete for the excellent job she did while writing this column. I only hope that I can do just as fine a job as she did. That's all from the Gal's Corner for now. So long Bebe!
Junior High Plans Dance

"Rainbow Rhapsody" is the theme for the annual Junior High formal to be held in Page Hall gym, May 17, from 8 to 11 p.m. The Student Council has chosen Bob Massey and his "Blue Notes" to play for the evening.

Refreshments, consisting of punch and cookies, are under the supervision of Mary Ann Bullion.

The decoration committee, headed by Ann Crocker and Ann Weinberg, will carry out the theme, "Rainbow Rhapsody," with multicolor streamers, musical notes, and a large rainbow, complete with a pot of gold. The council, with the help of a few College students and several members of the senior high, will decorate the gym.

Harvey Helzelstein and Dave Wilson are in charge of moving the furniture from the lounge to the gym.

Chaperones for the affair will be Miss Ruth Wohlschager of the psychology department and John Lynn, president of Beta Phi Mu, both of the mathematics department.

The highlight of the evening will be the crowning of the king and queen of the formal. The following students are up for the honor: S Tick, Nancy Taylor, unicorn, Patsy Buttons, and Honey McNeil. Those running for king are: John Houston, Dave Neville, and Joel Berman.

Ann Crocker, vice-president of the Junior Student Council, stated recently that nothing seems to be running smoothly, and I think the dance will surely be a great success. I hope we have a large crowd.

Movie Successful

Judson Lockwood, president of the sophomore class, has announced that the 81st "Carnival of the Animals" was a success, and that the profits amounted to approximately $105. A $5.00 award will be presented at the annual assembly in June to two seniors, a boy and a girl, who together worked to enhance the school's good citizenship. The winners will be chosen by the three senior vice-presidents, and the guidance counselor, Mr. J. Ralph Tibbets.

Mr. Atterbury Speaks To 9-1 English Class

Thursday, May 6, the 9-1 English class heard Malcolm Atterbury, of the Playhouse, speak on his life and career. The English class is at present studying biographies and careers, and so they asked Mr. Atterbury if he would speak to them.

Mr. Atterbury began his career as a singer, at the age of 18, as a member of a quartet in the Broadway, vaudeville, and the Minstrels. After the show closed, he became a radio announcer, and later a mananger of a large radio station.

He then attended a theatrical school in New York City, and after completing his studies was chosen to be a member of the American Repertory Company.

Science Dept.

Hatches Eggs

The tenth grade biology class continued its usual project of hatching chicks just before the Easter vacation. They put 38 eggs in two incubators. Every school day during the 21 days of incubation on or more eggs were opened so that the students could see how they were developing. On the 21st day they had one chick hatch.

This 38th grade general science classes have just finished their laboratory technique unit during which time they learned how to handle all kinds of science equipment. They will have individual tests on this unit in which they will have to perform demonstrations. The students enjoyed the exercise very much. They were assisted by the college juniors in Dr. Moore's methods class.

Senior Student Council

Revises Constitution

A committee, under the direction of president Dee Parker, has recently made some amendments to the Milne Constitution. Bob McVeety, Mike Meyers, and Wes Moody are on this committee.

They inserted a clause about the newly formed Assembly Committee. The wording of some parts has been changed for clarity. The committee, in general, is giving the Constitution an overhauling.

The council feels that this will help make the Constitution more democratic, and it will give the Milne students more freedom.

York Gets Degree

Congratulations go to Roy York, Jr., head of the music department at Milne. He recently received his Doctor of Education degree from Syracuse University.

Dr. York obtained his bachelor's and master's degrees from the University of Chicago where he majored in piano and composition. He also spent a year studying music education at Columbia University.

Part of the requirements for this degree is a dissertation, for which Dr. York chose "An Experimental Study of Music Reading Using Eye Movement, Photography and Voice Recording."
