NOTICE

Anyone interested in working on the Crimson and White report is asked to report at 8:30 A.M. on Monday morning, September 30, at 8:30 A.M.
Miss Hall is replacing Miss Eaton as Librarian. Mrs. Garrison has taken over Miss Wesling's position in the English office.

Miss Alrano is the new librarian graduated from Blakemore College in Fairlawn, New York. She studied one year at the Sorbonne in France. She also studied library work at State College. Last but not least, she plays golf and rides horses.

Eleanor is the Supervisor for Senior High. Miss Alrano, who was once a Milne student herself, upon graduating from Milne she went to State College. Mrs. Garrison, during her practice teaching taught English and dramatics. She was active during those years in Christian plays and other dramatics. After Mrs. Garrison graduated from State, she went to Walden, N.Y. where she taught those same subjects. Later she taught in a high school in Norwich, N.Y. Mrs. Garrison is a native Alumna.

State Sigma Literary society has initiated the season with plans for a "Dance Mat" at Deeches Grove this Saturday. They have outdoor activities planned and will also make use of the nickelodion. It will be an all day excursion and, as the noon is expected to imply, all food is to be roasted.

A new sports program for senior girls is being tried for the first time this year. Arranged by Miss Hitchcock, girls gymn instructors, the program omits the usual compulsory school hours a week and gives the girls a wider variety of sports.

Divided into three sections, a winter, fall, and spring schedule, senior girls are to have a choice of two hours a week of any sport or sports listed under each separate season.

Laura Lyons was chosen as Senior Captain to report at regular intervals to Miss Hitchcock just what sports each girl is following during her two hours a week.

Plans were discussed for the Quin rush, October 29 from 2:30-5:00, and for a Mother and Daughter tea to be held soon. Catherine Morrison was appointed chairman of the food committee for both the rush and the tea Friday of this com- mittee: Miss Miller, Betty Fox, Jeanne Selkirk, and Martha Curtis. Leah Einstein was appointed chairman for the rush with Jeana Selkirk as her assistant.

Catherine Morrison and Mary Reed were appointed as wardrobe for the junior girls.

ALUMNA

Marcia Wiley, who graduated from Milne in 1938, is attending the Ceramics College at Alfred University this fall, and Emily Baldwin, who graduated in 1940, is attending the Liberal Arts College at Alfred University.
Another summer has passed, another autumn's passing, and another school season's beginning.

Here we are back again with the faces of old seniors missing, those new forty-somers shining in the most inconvenient places, faces of the faculty, of our friends, Jim and Andy, of Milnites throughout the school, and lastly, the beaming countenances of the most important part of the school's staff—our teachers—new recruits from S.C.I.T.

We're all glad to be back, and from the looks of things, Milne's fifty-first season will one of the best ever. It can be, you know, if we all work together and do our level best in every phase of school activity.

The Editors and the Staff of the Crimson and White take this opportunity to welcome to Milne, the three new members of the faculty.

Acting as Assistant Principal this year is Mr. Paul Dalger, who has been with the Appointment Bureau of State College, and, therefore, is not entirely new to the school.

Miss Alzada Ellen Hall is serving as librarian, in place of Miss Thelma Hat- ton. Miss Hall is a graduate of Space College.

Taking the place of Miss Katherine E. Wheeling, of the English Department, is a graduate of both Milne and State—Mrs. Joyce E. Garrison.

We wish luck, happiness, and success to these new members of our faculty. We know that we shall have an enjoyable, profitable season.

A GAIN AND A LOSS

The Student Council's gain is the Crimson and White's loss. Having found it quite difficult to work with both organizations, Edward Longsdig resigned as associate editor of the paper.

We'll miss you, Ed!

SORRY, MISS DOMER

We write with regret that the staff of the Crimson and White learned of the auto accident of Miss Beatrice Domer, college advisor of the paper, and Co-managing editor of the State College High School Alumni Bulletin.

We sincerely hope that Miss Domer will be back with us soon.
Vacation is finally over, and
all very glad to be back in school
--- or are we? But it is a treat to
see all the old familiar faces---and
some new ones---that we stumble over as
we walk through the halls. Vacation isn't
quite so far back in the past as to have
us forget all our summer frolics.

The Milne boys who attended Camp
Albany still feel a warm sensation when
they think of the summer nights at camp.
Would you believe it---they actually
smoke pipes! Dear, dear, our boys are
growing up.

The Milne girls are not to be for-
gotten. They also dream of their summer
romances and pipes, No, not their own
pipes.

Josie Wilson had a wonderful time in
VermonP, but she is non-committal on her
adventures.

Joan Mannueller spent part of her
vacation at Camp Milne. She isn't the
only Milnite who enjoyed this camp. All
who went are reported to have had one
grand time.

Ed Langrig, our Student Council
President, worked this summer---the lucky
boy.

Well, memories don't get us anywhere
so we might as well put them away and
out to make this year a real success.
Let's get to work!

A MILNITE

THINKING!

AFTER A 3
MONTH REST!

A KEY-COLE REVIEW

Each year the style trend leans
toward some new fad. The proper well-
dressed school girl this fall will still
wear the usual sweaters, skirts, and tweed
jackets, along with the newest addition
to the fashion parade---coudroy. There
are skirts, blouses, jumpers, and hats
made out of this new material. Everything
one sees lately is coudroy. Ruth Hart
sport ed a very pretty brown coudroy
jumper last week, made coudroy.

However, if none of you girls take a
lighter weight jumper, a gray gabardine
similar to the one Marion Mulvey wore the
other day is just the thing.

Knee socks are promising to hit a
high point in the style trend this fall,
though they are a little slow getting
started in Milne. Corrins Edwards wore a
bright red pair last week and she guaran-
tees them long lasting and perfect for
cold weather. How about them girls?

The old stand-by reversible will be
as popular as ever, though the new covert
cloth coats will give a little competi-
tion. Maybe you noticed the one "Hickey"
Halden is wearing this fall.

Spectator pumps are quite the thing
when it comes to shoes. Last year they
were popular, but this year they're reall
coming into the spotlight. No, boys, we
haven't forgotten the saddle shoes(al-
though maybe you wish we would). As a
new fad, girls, let's try cleaning our
saddle shoes. Anything for a change!

Maybe this will help you when you're
trying to decide what to do with all that
extra cash you have stored away. We hope
so!

Ruth Edwards seems to be quite
interested in a certain young lady from
New Jersey.

Bowling and roller skating seem to
be the favorite pastimes for Milne sports'
enthusiasts. Skating is very good exer-
cise, but what is the attraction way out
in Delmar. Haven't we got good enough
rinks in Albany?
