The cast includes: Mrs. Shum-Vane, Nita Figarsky; Miller, Walker Grace; Lucille, Elinor Yaguda; Miss Jones, Betty Vail; Police Inspector, William Parke.

The junior high school will present "Kings in Nomania" by Percival Wilde. Miss Ann Caunit is director.

The cast is composed of: Herald, Allan Reaen; Gündarme, Walter Wilkin; Marfa, Nancy Abernethy; Miser, Thornton Cell; Tiana, Sally Duncan; King, Keith Hansen; Gang, Robert Blum, Alan Meekel, Frank Belleville; King's Court, Lorice Schain, Alice Rasmussen, David Packer, Raymond Blanchard, Yanci, Alan Gould, John Knox, Samuel Fuks.

District Council Passes Milne Hi-Y Farms Bill

By ALLAN ELY

Officers of the Milne Hi-Y at a district Hi-Y meeting at Schenectady on Friday, November 14, were: Philip Snare, Joe Hunting, Fred Detwiler, Allan Ely, Bernard Goldberg and Alton Wilson, all seniors.

At this meeting, the group discussed and voted upon all Hi-Y bills from this district. Bills approved by the district assembly will be presented before the State Hi-Y Assembly which takes place in December.

The Milne group presented a bill on Reformation of Abandoned Farms, which was unanimously passed.

During the weekend of November 23-25 eleven members of Milne Hi-Y, all seniors, participated in the annual Hi-Y trip to New York City.

The group left Albany by car early in the morning.

During their stay, they made a tour of the Columbia University campus, with the aid of student guides. They ate lunch that day in a university dining hall.

Saturday afternoon they went to Baker Field to see the Columbia-Colgate football game.

They stayed at the Sloan House, a Y.M.C.A. dormitory in New York.

Boys who took the trip are: Fred Detweiler, Martin Edwards, Allan Ely, John Jansing, Robert Ball, Robert George, Fred Stutz, Robert Eckel, Sanford Golden, Robert Clarke, and Stanley Ball, seniors.

Knickerbocker News To Run Series on Milne

Jerry Aaric, staff reporter on the Albany Knickerbocker News, will write a series of articles on various unique features of the Milne School, which will be published in the News in the near future. The series of articles will be accompanied by photographs taken by staff photographers of the News in the future. The series of articles will be accompanied by photographs taken by staff photographers of the News and the Crimson and White.

The series is being written because of the fact that so few Albionians know exactly how Milne functions, the way a unique a school it really is.

Mr. Aaric is in charge of school news for all the city's schools and colleges.

He recently wrote a series of articles on the Teaching Brothers at Vincention Institute and Christian Brothers Academy.
Echoes in the Corridors

The turkeys have been picked down to their frames and everyone has recovered from that awful but satisfied fullness. Grudgingly they trod back to their rooms. With the old grind and anticipation on Christmas vacation ...

Surprise! Neither drapes nor sweaters went out in that fierce senior battle. The performers in the forthcoming Christmas plays glumly rolling out of bed for an 8:00 a.m. rehearsal.

The echoes of our cheering squad ring out through the halls at noon yesterday afternoon. How we heard the new fight cheer yet ...

The round table discussion where four Milne and Albany High studen­ts at the Junior class at State what this was all about and dislikes of teachers were. Honest, frank opinions really flew back and forth ... Those lucky people were elected for the term. They're going to be good.

That's why we're edging closer and closer to the day that high school students should receive a more practical education with regard to their needs. Themselves, of course, will know best what they want, and the community will support them. This goal is essential to our democratic way of life.

We hope that in the future every school will be able to adopt a plan of practical education, which has been so successful in Milne, and which President Roosevelt feels is vital to our democratic way of life.

Biggest news of the week!—Benny Goodman is to have a new album, which sells at only 78 cents instead of Columbia at 50 cents. This reduction of 15 cents is going to be great news to all Goodman and swing fans. Now on to the latest recordings:—

Stop, The Red Light's On

Benny Goodman. This disc is the best release that Benny has made in a long while. I Got It Bad and That Ain't Good is a terrific blue ballad done in the typical Goodman fashion. His girl vocalist really puts some feeling into the song Pound Ridge is one of the master's own creations and it's just down his alley. There are a number of solos in this disc and the French accents floating around were tres admirable. Bob Ball, Eileen Legge, Ted DeMoss, June Bailey, Harry Calp, Muriel Welsh, Russ Langwig, Meg Hunting, Harold Game, Jean Chauffey, Walt Grace, Marian Muylve, Dick Lawyer ... The basketball team really getting down to work. Changing the game, the good team "may just get my back in the old place" ... Let's have another good bill practice in ... Let's have another good team this year! — Bob George and his sprained ankle, who has been getting down to work. He's having a good time all in his time keeping it elevated ... The seniors slaving away on their research papers. Who said it was fun to be a senior? — Surprised sophomores receiving their passports to Sigma on Monday, and Tuesday afternoon arriving in France. The food was delicious and the French accents floating around were tres admirable. There is finally coming to a close the old school year. They're pretty smooth ... The first basketball game of the season tonight. We play Roeliff-Jansen first, and then play the other team this year! — Bob George and his sprained ankle. "I will show you just what a good time I had." — Let's have another good team this year! — Bob George and his sprained ankle.

Roosevelt Advocates Our Way

President Roosevelt, in his recent speech at the Franklin D. Roosevelt High School, in Hyde Park, recently expressed the opinion that high school students should receive a more practical education with regard to their study and future work. You know, and national government, and our economic life.

We are proud to say that we have this kind of practical education at Milne. Students of all grades regularly visit city departments and business houses in the Capital District. In addition, they hold mock elections to become familiar with judging and electing candidates.

We hope that in the future every school will be able to adopt a plan of practical education, which has been so successful in Milne, and which President Roosevelt feels is vital to our democratic way of life.

The Board of Directors of the Junior Board, with the encouragement of the Albany High School, have decided to hold a Book Fair next week. The proceeds of the Fair will be used for the benefit of the school and the community.
Seniors Choose A Photographer

Bachrach Receives Contracts
By Unanimous Vote

The Senior class, at a meeting on November 17, in room 320, chose the Bachrach Studio, 148 State St., Albany, as their photographer for the senior class yearbook pictures. The vote was unanimous, after the discussion of the bids offered by other studios.

Among the other studies offering bids was Gustave Lorey, also of Albany, who took the pictures for the Class of ’41. Marcia Schifferdecker gave a complete report of the bids offered by the two leading studios at the meeting. Sitting for the picture will be sometime during the Christmas vacation.

Charles Kohn, chairman of the Ways and Means Committee, gave a report on the tentative plan for the presentation of an old-fashioned movie, to be sponsored by the class in the hope of raising extra funds. The class decided to hold the affair sometime late in January.

After much discussion, it was decided that “The Son of the Sheik,” starring Rudolph Valentino, would be presented as the main feature. Numerous shorts and comedies, including an “Our Gang” play, would also be shown.

Eighth Year Class
Conducts Movie Poll

A movie poll was conducted by an eighth year English class, to determine cinema opinions of students in the class. The results of the poll were as follows:

Favorite Movie: Boys—With a Wind. Girls—Gone With the Wind.
Winner: Errol Flynn.

Type of Movie: Comedy is preferred by both boys and girls.

Type of Cartoon: Walt Disney is the favorite type of cartoon.

Outstanding clubs for this week are the Music and Dramatic clubs in the Junior School. The students of the Dramatics club are putting on a play entitled, “Do You Believe in Luck?” a one act play, author unknown. The members of the club have been reading plays and listening to discussions period, and they finally decided to give this one.

The music club is under the direction of Mr. Roy York. This club is primarily a 9th grade band. It has developed into one of the three best sections of the band.

A few members copy music; others are beginners on band instruments and use the club as a means of instruction. Some of the various instruments played by the band include: flute, oboe, clarinet, saxophone, trombone, baritone, sousaphone, tympani, bells and the piano.

Frederick Replaces Kohn as C&W Editor

Next week the issue of the Crimson and White may look the same, but it will be entirely different. The faculty of the Milne School, that is the supervisors, not the campus teachers, will write, edit and publish the entire editor.

Dr. Robert Frederick, principal, will be Editor-in-chief, and Miss Katherine E. Wheeling, a faculty sponsor of the Crimson and White and supervisor of English, will be Associate Editor.

The reason for this unusual issue is that the seniors will be too busy with the annual Book Fair next week to work on the paper. It is planned that each member of the faculty will write an article on his respective field, telling about his work and aims. Each student should cooperate by taking his or her copy home to let the parents know what the faculty is doing at Milne, as this issue will also be known as the Parents’ Issue.

Social Studies Groups Visit Troy Shirt Factory

The eighth grade social studies classes visited the Clute and Penney body factory in Troy on their annual trip, November 25 and 26, to further their studies of industry in the Al.

Sections one and two visited the plant on Tuesday, November 25, sections three and four, were sent on Wednesday, November 26. They went by chartered bus leaving the school at 6:00 A.M. and coming back at 3:30 P.M. The students ate lunch at the factory.

The financial representatives of the eighth grade decided to use money from the savings account to defray the expenses. Dr. Wallace W. Taylor, supervisor of social studies, Dr. William H. Hartley, director of audio-visual instruction, and Mr. James Price, supervisor of English, chaperoned the trip.

Inez Warshaw Plays

In Radio Broadcast

Inez Warshaw ’44, represented Milne in a Junior Red Cross play which was broadcast last Tuesday evening at 9:00 over WABY. The title of the play was “We the Heirs.”

The purpose of the program was to point out that the Junior Red Cross is conducting their 25th roll call campaign at the same time as the senior enrollment. The program lasted 10 minutes and was produced by Miss Barbara Evans, Junior Red Cross Secretary. Many schools were represented by students of the Junior Red Cross. Others who participated are: Jean Burgess, Philip Livingston, Arlene Tucker, Albany High; Philip Griggs, E. Greenbush; Jack Ryan and Arnold Rice, Hack.

t.

The Junior Red Cross in Albany is trying to make this year’s campaign the largest they have ever had. Every one in all schools should cooperate to make this 25th roll call a great success.

School Team To Enter Combat In Page Hall Gym

The Milne basketball team will start its 1941-42 season tonight against Roeliff-Jansen Central. This team has been practicing at every available moment and under the new coach is expected to show a great improvement over previous years. The Milne squad with varsity experience from last year are Alton Wilson, captain; Bob Clarke, John Jansing, John Poole, Kirk Leaning, and Joe Hunting. The rest of the varsity is composed of Hal Game, George Eckert, Walter Griggs, Fred Detwiler, John Wilson, Al Ely, Bob Ball, and Bob Eckel.

Roeliff-Jansen At Disadvantage

The Roeliff-Jansen team will have had no more than five practice sessions, and they have a great disadvantage to them. The Varsity at Roeliff-Jansen has five letter men, namely, J. Dunn, Captain; G. Gaspard, A. Roseman, H. Shutts, and Wm. Fenn. Photo shows a member of the varsity, representing at Roeliff-Jansen has stated that his squad is more experienced than last year and should improve as the season moves along.

J. V. to Start Season

Before the varsity game, in Page Hall at Milne, the Junior Red Cross Varsity will begin its current season.

The team consists of Harry Culp, Dean Bucci, Tim Dyer, Ken Gallien, Charlie Hopkins, Harvey Holmes, Nick Mitch, and Morty Swartz, from last year's team and Ted De Moss, Jim Detwiler, and Joe Becker, Leonard Jones, John Moosh, Ed Richels, and Bill Soper as new coming. Lee Aronowitz and Johno are also on the team but are not eligible to play in official games until after the mid season break. The home squad has great promise and a better than average season is expected of them.

Dean Bucci, a senior at State College, is assisting Coach Boyceff with the Junior Varsity.

English, Social Studies
Classes to Make Purchases

The social studies purchasing committee voted to cooperate with the English classes in order to buy a phonograph for class use.

The recorder will play at 75 R.P.M. (revolutions per minute) and therefore will accommodate regular record owners such as are used for radio. Many of these records such as the Health Education in the classroom, announced Dr. William H. Hartley, director of audio-visual instruction.

Griggs To Manage Class Ring Sale

Walter Griggs, ’42, business manager of the senior class, requests all students desiring to purchase class rings or pendants, to sign their names to the ring book, those returning, will be posted on the first floor bulletin board.
Frederick and Bulger — Busy Men

Dr. Robert Frederick, principal of the Milne School and Mr. Paul Bulger, assistant to Dr. Frederick, are really busy when you are aware they are busy.

Just a few things Dr. Frederick does, he has the College classes, have extension classes, and they are busy. Also, an enlarged physical education set-up has to be taken care of and if it has dio-visual, department, all of which time and much consultation. New equipment is coming in for the audio-visual department, all of which has to be checked over by Dr. Frederick. There is the new schedule that has to be taken care of and if it has any defects in it, they are solved by Dr. Frederick. He attends conferences and speaks at meetings. At a recent meeting, he attended in Syracuse, he agreed to have a new schedule that will be conducted in Milne this coming June with the Milne School curriculum used for observation.

For a few of Mr. Bulger’s activities, Mr. Bulger does everything connected with the administration of the Milne School. He is the director of the teachers’ placement department of State College. He is connected with the Student Loan Association and is on the Men’s Faculty of State Teachers College. In Milne, he is faculty advisor for the traffic squad. He schedules the students for examinations. Mr. Bulger will speak December 9, 1941 in the Menands School. The occasion is Father’s Day sponsored by the Parent-Teacher Association.

The subject of his speech is “The Father’s Share in Educating his Child.”

Mr. Bulger is the faculty advisor for the new State College men’s dormitory. He has to see that the function properly that the proper foods are served and the proper medicines are given.

The things mentioned above are a partial list of what Dr. Frederick and Mr. Bulger have to do in eight hours of the day.

Art Students Prepare Calendar

Nine art students have cut in-linem blocks for the Milne Christmas calendar which will be distributed in December.

There will be a few for sale at 20c a set. Since our supply is limited, please place your order the week of November 28 and since the Christmas calendar will be mailed, please send your order to Grace Martin, instructor in art.

Students who have prepared the cuts for the various months are Janet Fick, Joyce Gilmour, and December; Joyce Hoopes, ’42, February; June Welch, ’43, March, November; John Wilson, ’42, April; Lois Wilson, ’42, May; Marilyn Potter, ’42, June and October; Lee Mapek, ’43; July; Nancy Fark, ’44; August; Betty Fetting, ’44, September.

Home Ec. Classes Continue Work

All students of home economics are busy at work, reports Mrs. Anna Bartram, instructor. The senior classes are buying and selling; the junior classes are knitting and original Christmas gifts this year. Some examples of what they are making are fireplace mitts, dust rags, fireplace mitts, quilted knitting bags, and pillows. In addition, all classes are working for Bundes for Britain. In the eighth grade, the class is studying color selection and becoming freehand. The cooking department is caring on as usual. The eighth grade is working on a “bread for Thanksgiving.” Last Tuesday a demonstration was held by the State College Home Economics department.

Since the Thanksgiving vacation, they are starting work on Christmas projects. The projects will be cakes, cookies, and candies.

in which to live, a thing which their objections have not been able to do successfully.”

Elsa Maxwell was born in a small town in Kansas. She was the only child of a farmer, in a three point legacy, willed her this advice, which has held her through life. “You have no money, no looks, and no family name. You will have to succeed without them!” And so she has.

Name any famous personality. Elsa knows him—or her, not just as an acquaintance, but as a personal friend.

To the question, “How many parties do you estimate having given?” Elsa Maxwell replied, from rough flowers to Helen Keller, ‘44, who had a case of infantile paralysis.

C & W Reviews News Exchanges

This year the exchanges of the CRIMSON and WHITE have been enlarged upon to a greater extent, announces Marcia Schifferdecker, ’42, staff librarian. Exchanges are newspapers published by various schools and sent out to other schools.

Among the local schools who exchange with the CRIMSON and WHITE are: Vincentian, Schuyler, Christian Brothers Academy, and the Academy for Girls. The yearbooks published by Emma Willard, St. Agnes, and the Academy for Girls, are also on file.

Exchanges come from states throughout the nation. Among those which are received from schools in other states is the Inter­lude from South Bend, Indiana. The Eye, a mimeographed paper, is from Charleston, West Virginia, which is a school for negro students. Other out-of state exchanges are from Los Angeles and San Francisco, California; Durham, North Carolina; Miami, Florida; Kansas, North Dakota, Texas, Washington, and Rhode Island.

The Eye has been sent in from Lucknow, India, and Honolulu, Hawaii.

Because of limited funds exchanges will be sent out every week, instead of every week. Many have noted where the exchanges are sent and where they are sent at present time, but they have been in the CRIMSON and WURM files. However, in the near future Room 224 will be used for the purpose of displaying for students’ use interesting exchanges.

Early Applications Urged by Kenny

“Every senior should place his application to college as soon as possible,” stated Dr. Ralph Kenny, director of guidance last week.

Preference is given to early applicants. Students that are applying for scholarships should be sure to have their applications in as soon as possible. If any student has not seen Dr. Kenny yet, he should write to the college of his choice for an application. It brings it to the guidance office so that the application can be sent through the Milne School. Pupils with only fair records should apply in at least two places at this time.

Although every senior has been interviewed by the guidance office as to plans, students are always welcomed to come there for special help. Contact Dr. Jenny.

Among the seniors who have placed applications through the guidance office are: Walter Frederic­hburg, Charles Golding, Sanford Golden, James Haskins, Charles Fertig, Robert Golding, Walter Grace, Walter Griggs, Robert Kohn, John Poole, Marcia Schifferdecker, June Black and Rita Fetting.

Any student who has placed an application directly with the college should let Dr. Kenny know immediately.
