**'Kiss Me, Kate' Dances Lightly Over Page Stage**

State Revue Cast Faces Footlights In Opening of Cole Porter's 'Kate'; Steinhauser Directs for Third Year

By FREDERICK SMITH

State College Revue, the single production at State College which is completely organized and directed by students, will open its 1968 season with "Kiss Me, Kate" at 8 p.m. tonight and Saturday in Page Hall. The national musical comedy opened in New York in 1948 and has since been performed all over the world.

**Review Praises Revue:**

Kolts Excells as Bianca

R. ELIZABETH STEGNO

When I think of the name "Kiss Me, Kate," I think of the music, of Cole Porter. In this musical comedy, Porter's talents will be on display throughout the entire production. It is a musical comedy, not a musical, and the music is in no way inferior to the music in a traditional musical comedy.

**IVCF to Sponsor Spring Weekend**

Dr. Rienow and his wife, Leona were among the guests at the IVCF's 1968 Spring Weekend which was held April 13-15. The event was held in the Rotarian Hotel and included a variety of activities for the guests.

Practical or Prodigal??

During the past week, Inter-departmental Council voted in favor of adopting a program for second semester rushing. The main goal of the plan was to ensure that freshmen, before entering a second semester, would be given an unbiased view of student activities and be kept free from student-elected offices. A strict enforcement must be developed. Who is willing to set up such a system - the simple "honor system"? In spite of the inevitable "offer making," which has already been in place for the past few years, the system would need an immediate overhaul. For example, the system would need to be adapted to performing a variety of tasks, as well as handling the duties of the elected student officers. I believe that the system should be a combination of the "honor system" and the "student officers" system. A simple system that can be easily followed would be the solution. If the system is followed, freshmen will enjoy the benefits of second semester rushing.

Focus on Faculty

By JOAN ASFOURY

The 的 department is a lively, if somewhat controversial, place. The department's student body is made up of a diverse group of students, and the faculty are dedicated to providing a challenging and stimulating environment for all students. Some members of the faculty are known for their innovative teaching methods, while others are known for their passionate debates on a wide range of topics. The department is also known for its focus on academic performance, with a strong emphasis on helping students achieve their full potential. Overall, the department is a dynamic and rewarding place to be, and I am proud to be a part of it.

Common Stater

By PLATT and MCTARTHY

The common stater is a popular student publication. It is a place where students can express their opinions on a wide range of topics, from local events to national issues. The stater is also a place where students can learn about the history and culture of their community, as well as about the world at large. Each issue of the stater features a variety of articles, including news stories, feature articles, and columns. The stater is published weekly and is distributed to students on campus. It is a valuable resource for students who want to stay informed about what is happening on campus and in the world.

STATE COLLEGE NEWS, FRIDAY, APRIL 13, 1982
Molly Scott, Folk Singer, To Preform

Today from 8 to 10 p.m. in the Rec. Center, Mrs. Molly Scott will perform. The Culture Committee of Skidmore is in charge of the evening's entertainment.

Experience

Miss Scott comes here with a rich musical background. She has worked in recording, radio and solo concerts. She recently appeared on "Talk Sound U.S.A." and has recorded an album of her interpretations of English and American folk songs. You can hear her record on both sides of an 8-inch 78-rpm acetate record. She will be here in the evening to talk about her work and will present a demonstration of a new box in which she recorded her album.

Bowler Plans 1963 Pictures

Today at 11 a.m. in the Rec. Center, a picture show will be held. "The Oklahoma Kid" and "My Name Is Nobody" will be shown.

MOVE UNDER DIRECTION

Tommy Rattigan's "Duel Filter in duas partes divine" article for our "Move Under Direction" column is quite impressive. It might serve well to be expanded and published in our college magazine. It is a fine article and deserves to be given more attention.

Chevrolet Cars for Every Family, Every Budget, Every Taste

Chevrolet wants you to pull out your calendar and mark the day. April 27 is the opening day of the new showrooms. The latest model cars will be on display, and you can take a test drive in any of them. This is a great opportunity for you to see what Chevrolet has to offer. You won't be disappointed.

Dr. Wunder To Discuss Gravitation

Dr. Charles C. Wunder, of the Department of Physics, Vassar College, will speak on "Life In A Non-Torreslial Gravity" today. Dr. Wunder will have a table set up in the Rec. Center for the afternoon session (2 to 4 p.m.).

Suppression

Dr. Wunder's explanation in the colloquium discussion on the subject of Gravitation as a result of your article in the student newspaper, "The Knickerbocker News." While the colloquium discussion was not the official editorial of the Student Newspaper, it was presented in an editorial format.

The publication "Suppression" is a serious error on the part of the editors. We believe that the editors had no previous knowledge of the administrative expense of suppression. It was mentioned that some type of plan can be suggested for the general public. This plan was in the form of a research project which was initiated by the faculty and later approved by the administration.

Myskania members in a committee with suppression met with the administrative staff and the administration agreed to cooperate with the Alumnae of Skidmore. Myskania members have been active in the promotion of the women's college at Skidmore. They have held meetings with the administration and have been very active in the promotion of the women's college at Skidmore.

Outing Club Requests More Financial Aid; S. A. Government to Invest Surplus Money

Tavernier's Dual Filter in duas partes divine

Tavernier's Dual Filter in duas partes divine will be discussed by Dr. Wunder in the colloquium discussion on the subject of Gravitation. This is a very interesting and important article and it is recommended for publication in our college magazine.

Chevy II

In the Chevrolet series, the Chevy II is a great choice. It has a modern engine and a very good transmission. The body is streamlined and the car is very comfortable. It is a great value for the money.

Carolyn

Chevrolet cars are made to last. They are built to be reliable and will hold their value. They are a great choice for anyone who wants a car that will last a long time and be reliable.

State Attends Union College Conference

Local colleges started a series of conferences at Union College on February 27, for the purpose of discussing the problems which have been raised by the administration and the students.

Hyskania had prepared a statement which attempted to clarify the situation. This statement was not accepted by the administration. The administration did not want to discuss the situation at the conference.

The question of direction was also discussed at the conference. The administration did not want to discuss this issue either.

Chevrolet plans to invest $4036 in the college. This money will be used to purchase a new banner, with the idea of tests and finals. The new banner will be used for public relations activities. The administration did not want to discuss this issue either.

State University of New York at Albany

The State University of New York at Albany was represented by David Condon, '63, Dean of the College, who spoke at the conference. Mr. Condon said that the administration had no previous knowledge of the administrative expense of suppression. It was mentioned that some type of plan can be suggested for the general public. This plan was in the form of a research project which was initiated by the faculty and later approved by the administration.

The administration did not want to discuss the situation at the conference. The administration did not want to discuss the situation at the conference. The administration did not want to discuss the situation at the conference.
Dr. Edward Long to Speak

Edward Long, who is professor of the History of Science at Harvard, will speak in the Alumni Hall Assembly Room Tuesday night at 8:00 o'clock. Templeton Hall has been a Residence Hall since 1895 when the first dormitory was opened. The dormitory was named after the late Dean of Men, Rowland B. Templeton, who was the first dean of the college. Dr. Long is a graduate of Harvard University and holds a Ph.D. degree from the same institution. He is married and has three children. The talk will cover the history of the college and its influence on the community.

Dr. Edward Long

State Students Attend Capital Mock Senate

State students will attend the Capital Mock Senate meeting for the delegates at the state student conference. The mock Senate, which is run by the Campus Committee, "is to be an educational experience for the students." It will be held this year in the capital with the theme of "A Write-Up for TV Guide Called "Typical" Students." The students will have one more vote than the minimum and the debate will take place on the floor and voting on the bills, as will be done in the Senate. The Speaker of the Senate will be the President of the University of Albany and the President pro tem will be the Acting Speaker. The Senate's final session will be on Thursday, April 12 at 8:30 p.m. in Richardson Hall. The meeting will begin this morning at 8:30 in the capital. The Mock Senate Organization is a joint undertaking of the Student Association and the State College and the University of Michigan where he received his B.S. in 1941 and his M.S. in 1942.

Two men planning to attend the meeting for the delegates at the state student conference are John H. Stratton, President of the University of Michigan and at the University of Oklahoma, where he assumed the position of President. The University of Michigan will be represented by Richard S. Long, who is author of books in the field of Theology at Oberlin College. The talk will cover the history of the college and its influence on the community.

New Campus Site Promises Natural Advantages:

Students View New Campus Site, Scenery

By CHARLES SHERER

on Wednesday and Friday afternoons, a small group of State Teachers College students gathered in the preliminary work that must lie ahead of the preliminary work that must be done for the new campus.

The approach to the Country Club from New State University is along a lovely wooded drive. The entrance to the Club is through a small wooden bridge. The Club has been closed for the season.

The golf links are the main area of the Country Club, and they are beautiful grounds on the outskirts of Albany. The Club was established in 1923, and it has been in operation ever since.

The golf links are surrounded by lovely green pastures, and there are some of the rolling terrain on N. E. portion of the Campus. Some of the rolling terrain on N. E. portion of the Campus is shown in the picture.

The Drilling Precedes All Construction

The drilling operations are now in progress, and they are expected to be completed by the end of the summer. The drilling operations are expected to be completed by the end of the summer.

Drilling is taking place on the Country Club, and it is being done in a way that will not disturb the facilities at the present time. The drilling is expected to be completed by the end of the month.

Frosh Nine Have It Rough: No Ball Field, No Players

After practicing for more than a month, State's Frosh baseball team is still lacking two of the more basic necessities: (1) Manpower, and (2) A decent place to play.

Opening Day Two Weeks Away

Despite the loss of several key players, the Frosh team seems to be shaping up well. With opening day little more than two weeks away, State's Frosh are slated to begin practicing this weekend.

State Tennis Team Shaping Up Well

As the state varsity tennis team begins its season, it is clear that the Frosh team will be a strong force. With opening day just around the corner, the Frosh are expected to be a major contender in the varsity league.

WAA Forms Softball & Tennis Leagues

The State Tennis Team is shaping up well despite the loss of several key players. With opening day little more than two weeks away, the Frosh are expected to be a major contender in the varsity league. The team is looking to build on last year's success and is expected to be a serious threat in the varsity league this season.
