What's What?

This week the problem of the organization of the new College Union has been brought to the attention of the editors of the Student Council Board. The Board had expected the center to open smoothly, and how could they have been more surprised to learn that the students were not yet ready to begin?

The big question is: Where does Student Association move? A Student Council Board meeting has been called to try to find an answer to this question. An organization has been set up to handle the problem, and an administration has had to be formed to take care of the students. The Board will be in charge of the center, which will be under the Student Council Board. It will be up to the students to decide whether they want to continue with the organization or join another one.

TIME FOR A CHANGE

Our present government was formed by those who believe in the old system. They have done a fine job of preserving freedom for all. Our new government will be different. It will be formed by those who believe in the new system. They will be better equipped to handle the problems of the present day.

All students should be aware of the difference between the two systems. It is important to know that the old system is not working. It is time for a change. The new government will be a better system. It will be able to handle the problems of the present day. It will be able to bring peace and prosperity to our country.

SUGGESTIONS

Any of the perennial gripers who feel they have a better idea should make use of the Suggestion Box near the S A. bulletin board in Husky Hall. This box is open for your suggestions.

French Scholar Delivers Speech

Discusses Differences Between Centuries

Sophie Sorenan, French scholar, discussed the differences between the centuries during her speech. She pointed out that in the past, students were more focused on learning and advancing knowledge. Today, students are more focused on career advancement and personal growth. She also mentioned that in the past, students were more disciplined and less distracted by modern technology.

Students To Don Thinking Caps

For Snack Bar Renaming Contest

Students are being asked to submit their ideas for the renaming of the snack bar. The current name, "Coffee Shop," is being considered for change. Students are encouraged to come up with new ideas and submit them to the Board. The winner will be chosen by a vote of the students.

Religious Clubs Slate Meetings, Engage Speakers

The religious clubs of State College have announced their upcoming meetings and events. The clubs will be hosting speakers and engaging in activities related to their faith. The meetings will be open to the public, and all are welcome to attend.
