Booters Beat Adelphi, 3-2, Swarthout Steals The Show

With senior forward Gary Swarthout leading the way the Albany State booters entered the first meet in four years with an impressive 3-2 win over Adelphi Saturday afternoon to give a show as he accounted for all three Albany goals, scoring in each of the first three periods.

A 15-0 at the first period Gary took a pass from Gail Ishimoto on the left side and drove the ball past the goal the goalie for the Adelphi. Gary continued into the second period and scored a goal early in the second quarter, but Swarthout put the Bisons back on top as he hit a flying header into the upper left corner. The shot, which came off a corner kick by outside right Phil Kuhl, gave the Great Danes the edge, until Cornishbrough drilled the ball into the left corner of the net, a mere 1:38 before the half time bell. But the Great Danes opened the second half with an early score, and simply outplayed the Bisons down to a walk.

At 15-0 of the third period Albany accounted for a beautifully executed play, Ishimoto crossed the ball from the right side all the way across the goal mouth to Gary Swarthout, who touched it toward the middle, to Swarthout who scored easily from close range.

The Danes didn't just fall back and play defense thereafter, but rather they kept steady pressure on the Adelphi goalie, thus making it easier for the Bisons to score off the ineffective Adelphi threats.

The second period was played well together, but the Danes were never able to get a goal past the Albany goalie. The Danes led 2-0 at the end of the second period, but the Bisons scored two goals in the third quarter, with Ishimoto scoring the first and Swarthout the second. The Danes didn't have the chance to score off of the Bisons, however, and were outscored 3-2 for the entire game.

The Albany State Cross-Country team registered its second win of the year Wednesday as they defeated Colgate 36-20 on the home stretch. The Great Danes topped the Colgate in every category to assure them of the first place finish.

The Great Danes led the race in every category, with only a few seconds between the first and last runners. The team dominated the positions in the race as seven of the 11 finishers were Albany runners.

The Albany leaders were Coach Jeff Croll, Arnold, and Scott Paul, as Attwell finished the race in 19th place. Jim Burns of Monticello and Roy Folling finished in 26th and 27th, respectively. The Danes were well represented in the top 10 on the scoreboard, with several runners securing the top 10 finishes. Among the top 10 finishers were Jim Burns, Bertrum, Bill Croll, and Roy Folling.

Lecture on Marijuana
Presented by Sorority

In the Dormitory the SMC Sorority will present a panel of lectures on the subject of marijuana. The sessions will be held in the Common Room, and all students are encouraged to attend.

One of the speakers will be a former student of the State University of New York at Albany who has studied the effects of marijuana on human behavior. He will discuss the benefits and drawbacks of marijuana use, and will answer any questions that students may have.

Another speaker will be a member of the National Organization for the Reform of Marijuana Laws. He will discuss the legal aspects of marijuana use, and will explain how the law affects students at the University.

The third speaker will be a member of the Albany Police Department. He will discuss the enforcement of the marijuana laws, and will provide a perspective on the role of law enforcement in controlling marijuana use on campus.

The lectures will be followed by a question and answer session, where students will have an opportunity to ask any questions they may have.

The Sorority is organizing this event to raise awareness about marijuana and its effects on students. They hope that this event will help students to make informed decisions about marijuana use.

Display of Graphic Arts
At Campus Center Today

The Campus Center will be hosting a display of graphic arts from various artists today. The display will feature a variety of works, including paintings, drawings, and sculptures.

The display will provide an opportunity for students to explore different artistic styles and techniques. It will also give students a chance to appreciate the creativity and skill of local artists.

The display will be open to the public, and is free to attend. It will be on display from 10 am to 5 pm.

The Campus Center is located in the lower level of the State University of New York at Albany. It is accessible via the main entrance on Washington Avenue, and is equipped with accessible restrooms and elevators.

The display is being organized by the Campus Center staff in collaboration with the graphic arts community in the Albany area. It is part of the University's ongoing commitment to promoting the arts and culture on campus.

The Campus Center is open daily from 8 am to 10 pm, and welcomes all members of the campus community and the public to visit and enjoy the display.

Adviser Selection
Fellowships will be given on January 20, 1968, to graduate study in the natural and social sciences. In addition to the general graduate fellowships in biology, chemistry, and physics, fellowships will be awarded for study in the fields of mathematics, psychology, and sociology. The fellowships will be for the Intermediate level; and will be given to outstanding students who wish to pursue graduate study in the United States.

Applicants for the graduate fellowships must hold a Bachelor's degree or its equivalent from a college or university in the United States. In the selection of candidates, the Council on Social Welfare will give particular attention to applications from students who are members of minority groups, and to applications from students who have made significant contributions to social welfare. The fellowships will be given to students who have the ability to contribute to the advancement of social welfare in the United States.

The fellowships will be awarded on the basis of merit, as determined by the Council on Social Welfare. The fellowships will be for one year, and will provide a stipend of $3,000 for each student. The fellowships will be renewed for a second year, and will provide a stipend of $3,000 for each student.

Final selection will be made by the Council on Social Welfare. The Council on Social Welfare will select the students who are the most likely to contribute to the advancement of social welfare in the United States.

There are two reasons why the police

The campus police are in charge of

...
The decision last Sunday to issue a permit for the Students Association to demonstrate in the Pentagon is a notable case in the complex interplay of government and protest movements. Critical to the decision was the recognition that the permit would not fulfill the demands of the movement, but that the permit was necessary to avoid legal action and to allow the protest to proceed. The permit was issued with the understanding that the protesters would not use violence and would not obstruct traffic. The decision highlights the difficulty of balancing the right to protest with the need to maintain public order.

Nazism On Move

By Ellis Manes

Oct. 27 will bring one of the scatter of the various campus events, a film titled "The Jewels of Dr. Strangelove." This program is sponsored by the campus film society, and will be shown at the University Union Cinema, beginning at 8:30 p.m. The film will be accompanied by the light and music of the film society. The film society's purpose is to provide a venue for the screening of films not shown on commercial television or in other venues. This film will be shown on Friday, October 27th, at 8:30 p.m. The screening is open to the public, and admission is free. The film society encourages a diverse range of films and genres to be screened, and is committed to fostering an appreciation of film as an art form and cultural expression. The screening of "The Jewels of Dr. Strangelove" is an opportunity for the film society to achieve these goals, and is sure to be a popular event among the campus community.
Readers' Club To Present "Gantry" Saturday

Shelley Lewis "Elmer Gantry" will be presented in the Assembly Hall this weekend in a dramatic reading version by the University Readers' Club. The setting of the novel for oral interpretation was done by the club's advisor, Mr. Robert Fish.

The 1927 novel is considered a fundamental religious text, praised by the novel's characters as being "the best for the soul". The reading will include portions from the book, bringing the characters to life through the actors' interpretations.

The performance is scheduled for Saturday, October 21, at 8 p.m. in the Assembly Hall of the University of Albany. Admission is free and open to the public.

Whirlwind concert

Last year's "Whirlwind" had made a great impact and attracted the attention of many music lovers. This year, the group is planning to perform at the Campus Center on November 10 and will be featuring a variety of jazz artists.

Many headaches

In planning one concert or one performing group, there are many headaches to overcome. First, the performers must be selected based on their talent and ability. Then, the schedule must be coordinated to ensure that everyone is available on the day of the event.

Tickets sold last year

Last year, tickets were sold last minute, which made it difficult for the organizers to manage. This year, tickets will be sold in advance to avoid any last-minute problems.

Three months

Tickets will be sold three months in advance. The organizers hope that this will allow everyone enough time to purchase tickets and make arrangements for the event.

Fall Baseball Begins

The Albany State baseball team opened the fall schedule last week with a 3-0 win over Castleton. The game was a hard-fought battle, with both teams having their moments.

The Albany State team, led by Coach Rich Patrel, was able to hold off Castleton's offense and secure the win. The game was a testament to the hard work and dedication of the players.

Munseyen Out-Run RIT, SophPaulRoyONEqE Again

R. K. Munsey's Great Dane Harriers showed their strength once again as they soundly defeated the cross-country team of Tugger last Saturday. The victory was the fifth for the Munseyen against one defeat. That defeat came against the Crow Guard at M.S.P.A. in September of the year. Since then the Tugger Harriers have recorded five straight victories including a sweep over Plattsburg, and a 1-4-1 record over RIT. The loss for R.I. T was its first in the meet, its first since the Tugger Harriers took the title of 1965.

The game was evenly matched with both teams having chances to win. However, the Munseyen Harriers were able to take advantage of their opportunities and score two goals to the Tugger's one. The Tugger's lone goal was scored by Captain Joe Snider in the second half of the game.

Noteworthy were the performances of Munseyen goalkeeper Paul Roy and Tugger Harriers goalkeeper Paul Roy. Roy, who has been with the team since the beginning of the season, was named to the All-Star Team for his outstanding play. Roy's performance was key in the victory as he was able to stop several scoring attempts by the Tugger Harriers.

The Munseyen Harriers are now 3-0-0 on the season and look to continue their winning streak as they prepare for their next game against Plattsburg.

The Tugger Harriers are now 2-1-1 on the season and will look to bounce back from their loss against Munseyen Harriers.
