National Football League—An Aerial Circus

(AP) — There are few games where the excitement starts before the lights are turned on. But that was the case in the first Monday Night Football game of the season, as the New York Giants faced off against the Dallas Cowboys. The game was billed as a matchup of two of the league's best teams, with both teams coming off tough losses last week.

With the score tied 10-10 in the fourth quarter, Giants quarterback Eli Manning took the snap and fired a 20-yard pass to tight end Larry Donnell for a touchdown, giving New York a 17-10 lead. The Cowboys got within 7 with a field goal, but Manning's 3-yard touchdown run with 2:35 left put the game out of reach.

In the third quarter, Cowboys running back Ezekiel Elliott scored on a 5-yard run, but Manning回应ed with a 9-yard touchdown pass to wide receiver Odell Beckham Jr. with 15 seconds left in the period, giving the Giants a 20-10 lead.

The win marked Manning's 100th career start, and he passed for 234 yards and two touchdowns. Beckham caught five passes for 81 yards, while donor, who missed two games due to injury, showed signs of chemistry with Manning.

With the win, the Giants improved to 3-3, while the Cowboys dropped to 2-4.

The game was part of a five-game stretch for the Giants, who will face the New England Patriots, Philadelphia Eagles, and Washington Redskins in their next four games.

The Cowboys, on the other hand, have lost three of their last four games, and will try to get back on track next week when they host the Cincinnati Bengals.
