Hastings Reveals Lenten Book List, Posts Information

The Rev. John T. Hastings, Rector of the local parish, announces that no change has been made in the traditional Lenten book list, as was mentioned in the Sunday bulletin. The list, which includes works of literature, historical and religious significance, is designed to provide a Lenten reflection for parishioners.

Two Plans Provide French Study Tours

French Study Tours are planned for the spring semester. Two groups will be formed, each of which will travel to France for a month-long stay. The first group, led by Mr. Louis Dupont, will depart on April 1st. The second group, led by Professor Jean-Claude Renault, will depart on April 15th.

Sports Clothes, Little Jewelry

Dominant Statement's Wardrobe

Men have seen the trend toward the more streamlined dress. Men's suits have become increasingly tailored, and sport coats are increasingly popular. The same trend is evident in women's clothing, with skirts becoming shorter and dresses becoming more fitted. Jewelry has become less prominent, with simple, elegant pieces being preferred.

Religious Clubs Schedule Chapel, Panel Discussion

Benedict Will Speak, Newman To Present

A panel discussion on religious clubs is scheduled for the coming week. The panel will consist of representatives from the Benedictine and Newman clubs. The discussion will cover the role of religious clubs in modern society.

Twenty Year Old Headlines Revealing Startling Controversies

Dead Reckoning

Here's the story: The Chesterfield, a cigarette in a group of British students, is the most popular brand for girls in the class. According to the March 7, 1930 issue of the New York Times, the Chesterfield was the favorite among women. The newspaper reported that it was selected by 47% of the female students surveyed. The brand has been popular with women for over 50 years, and the Chesterfield is still loved by many female smokers today.

To Present 'Patience' For Annual Opera

The State College Opera will present the opera "Patience" at 8:00 PM on Thursday, March 16, 1950, in the auditorium of the State College. The opera, with music by Arthur Sullivan and libretto by W. S. Gilbert, is based on the 1875 play "The Mikado" by the same authors. The opera tells the story of a group of young women who are trying to escape from their school, and it is a classic example of the operetta genre.

Dean Releases Fall Honor List Of 'B' Students Seniors First Place At BB Make Group

The State College Fall Honor List of "B" Students seniors first place at BB Make Group. The senior class support the BB Make Group, and all members of the senior class are eligible to become members of the BB Make Group. The senior class meets weekly to plan and carry out activities for the benefit of the college.

Sayles, Pierce To Hold Formal Dinner Tonight

Highlighting this weekend's social activities will be a formal dinner at the home of Mr. and Mrs. Sayles. The dinner will be held on Saturday, March 11, at 8:00 PM. The guest of honor will be Mr. Pierce, who will speak on "The Art of有效的".

Library Offers Masters Degree

The State College library is offering a Master's degree in Library Science. The program is intended for students who want to work in libraries and archives. The program includes courses in library administration, information science, and library history. The program is offered on a part-time basis and takes two years to complete.

TPB Panel To Highlight Compulsory Assembly

At Wednesday nights' Student Council meeting the compulsory assembly system for today, a motion from Meysner concerning Student Council will be considered. The motion states that the Student Council give financial support to delegation who attend a camp for consultant speakers. This will help to ensure the possibility of maintaining standards in the college. The motion will be considered at the next Student Council meeting.
