Getting a Basketball Season Ticket.

Manager Pearsall has put season tickets on sale. There has been a demand for a ticket of this sort and it is expected that a large number will be sold. The price is only $1.50 and the ticket will admit the owner to all games played by the State College five in Albany, with the single exception of the Colgate game, February 22. As either seven or eight home games are being planned, and the price of admission to each one is 55 cents, the owner of a season ticket will save quite a sum. Get these tickets now.

FORMER S. C. STUDENT RECEIVES PROMOTION

Prof. A. Z. Boothby, superintendent of the Rensselaer Public Schools, has tendered his resignation to the board of education to take effect January 1, 1917. Mr. Boothby has accepted the position of superintendent of the Massena and LaFayette schools, Westchester county, a decided advancement over his present position. The population of the two towns is about 11,000 and they are located in one of the most progressive school sections of the State.

Mr. Boothby was born at Clinton, N.Y., and later taught school in Westfield. He received the degree of bachelor of science from Rensselaer Polytechnic Institute, and has done graduate work at the New York State College for Teachers.

State College Loses to Union

State College suffered the second defeat of the season, when Union's five took the Purple and Gold aggregation into camp last Saturday evening, December 16th. The game was played on the Union court and ended in a 29-16 score. The game was exceptionally fast throughout. After a few minutes of play Union went into the lead when Yovitz made good a shot from the foul line. Immediately after Goeway made a basket from the field bringing State College into the lead. For about five minutes the contest was even, with the fastest kind of work on both sides. Then, however, the State College men began to abandon the close guarding game which they employed in the beginning and as a result, the Union men being free, the Garnet team rolled up a big score. There seemed to be a desire on the part of some of the State College men to make baskets. It would hardly be just to name any one of the offenders nor would it be of advantage, but the fact remains that in the final half there was altogether too much individual playing on the State College team. "Useless defensive" work was indulged in when passes would have advanced theball much faster, and long, impossible shots were often tried when men were free near the basket. Coach Wachter recognized the faults of the team and between the halves gave the men a sound lecture and good advice in regard to the style of play to be used in the second half. As a result the men came back strong and from half time on were every bit the equal of the Union Five. The reversal of fortune was remarkable. Soon after the whistle Goeway came through with a basket and with S. Fitzgerald making good from the foul line, State College team 2-9 score in favor of State College. It is their opinion that the State College team is much better than any other State. If the Union Five is in the right form, it should bepossible to beat almost any college team in the country.

On account of the Christmas vacation the next issue of the "News" will not appear until Wednesday, January 10. Beginning with that issue single copies of the "News" will cost seven cents. The advance in price is absolutely necessary since printing and paper costs amounts to five and a quarter cents per copy, so that a sale price of five cents means a loss.

The committee wishes to thank all those who, in agreement with their contract, have paid the $1.50 for this year's subscription to the "News." It wishes to remind all those who have not yet paid of the fact that it also has obligations to the students who have not yet paid of the $1.50 for this year's subscription to the "News." The committee realizes the handicap under which some of the students are working and, therefore, has been patient in waiting for the money spent to be returned.

DELTA PHI WINS CUP AT UNION.

President Charles Alexander Richmond of Union College announced that the Pegge Fraternity scholarship cup has been awarded Delta Phi Fraternity for the 1915-16 college year. The cup is awarded each year to the fraternity which had the highest scholastic average the previous year. This year the Pyramid Club has won it two successive years and would have owned it permanently had it won this year.

PROMETHEAN.

The meeting of the Promethean Literary Society was well attended last Thursday evening. After a short business meeting, Miss Dorothy Banner rendered Chaucer's "A Little Trigram" on the piano. A clever player of the pantomime, "Villekins and His Dog," was presented: Villekins, Josephine Keating; Henry Osborne, Margaret Naughton; Father, Mildred Lawrence; Chorus, Carolyn Bennett, Arline Newkirk.

The whole thing was quite novel and unusually humorous.

PSI GAMMA.

Lucille Hale has returned home for a rest until after the Christmas vacation. Psi Gamma held its annual Christmas party on Saturday evening, December 6, and Marjorie Mitchell spent the week end at Watervliet with friends.

KAPPA DELTA.

Le Moyne Gillette is visiting her aunt at Rutland, Vt. The Christmas party took place last Wednesday and a right royal time was enjoyed. Kappa Delta is glad to welcome Caroline Lanning, Wellesley '16, as a pledge member.

The following officers were elected for the first term: President, Kathryn Bestle; Vice-President, Florence Quinnlavin; Secretary, Myra Fassett; Treasurer, Le Moyne Gillette. Reporters, Ella Reynolds, Cricit, Prof. Shinard. Prof. Shinard gave a very entertaining talk on Cuba, where he spent his summer vacation. He showed some interesting and awe-inspiring specimens of knives and weapons used by the Spaniards.

HOCKEY OUTLOOK PROMISING.

Rink in Shape—Big Squad Out.

Since the weather has become more favorable hockey is taking up more interest as one of the sports of the college. It is surprising to see with how much earnestness the men are taking up the game. Manager Burns is trying to get several nearby teams to come here to play, but he is handicapped by the late season and by the lack of funds. The rink is now completed and ready for use. It stands as an example of what can be accomplished when the necessary push is behind the undertaking. In this case much credit must be given to Cassavant '10 who has worked hard to make hockey in State College a reality. It is to be hoped that his efforts will succeed. The city authorities made the rink a possibility by supplying the lumber and loaning to the men 300 feet of fire hose by means of which the rink is flooded.

A game had been scheduled with R. P. I. for last Saturday, but was canceled by the engineers, probably on account of the lack of a rink. The game will be played later, however. Everything points towards a good team. A big squad has been out practicing for over a week. Several of the candidates for positions were formerly stars in the scholastic world. Among the others on the squad are: H. Lobell '18, Le Gras '17, Williams '20, Springman '20, E. Winman '19, W. Lobell '19, Walker '17, Snyder '20, Sutherland '19, Burns '18, D. Townsend '18, Neuner '20, Curtin '19, Neath '20, Passon '17, Wellworth '20, MacMalbon '20, and Merchant '20.

Y. W. C. A. CHRISTMAS PARTY.

The informal Christmas party given by the Young Women's Christian Association to the freshmen and members, Monday evening, was a very enjoyable affair. Miss Marian Boding represented "Christmas Spirit," Miss Helen Kelso, "Queen of Misrule," and Miss Janet Wall, "Mistress of Robes." An excellent short program consisted of a vocal solo by Miss Jeanette Miller, a recitation, "Christmas Candles," by Miss Hazel Heague '19 and the old familiar story of "The Night Before X'mas," told by Miss Davis '20. The feature of the evening was the huge "Christmas Pie."
