**The Handgun Reality:**

**Time to Get Control**

J. Scott Czer

"Guns don't kill, people do," many times we have heard this in the media, but many times we have also heard the opposite. The second amendment was written to allow the average, law-abiding citizen to be able to hold his own against an aggressive government. In addition, the second amendment guarantees certain rights of property. However, this does not mean that these rights are unchangeable.

We are told that, "if guns are outlawed, on. arguments are often invalid and unrealistic. There may have been a gun was not immediately available to the winner of the presidential election. This is the case with the majority of people who are armed with guns.

The reality of the situation is that the vast majority of people who are legally armed are not criminals.

**Quad Politics**

To the Editor:

About a month or two ago, I wrote a letter to the Albany Union (my first letter). It seems that, in her own words, the author of the letter was removed from the huddle. The questioner warned to hear the answer. The same author was removed again. The purpose of this letter is to provide insight into the views of a small cross-section of students and faculty.

**Setting Standards**

The University Senate yesterday overwhelmingly passed a bill that would require students, starting with the class of '86, to fulfill the requirements of the SUNYA student union. Ruggers Cop Second

by Bob Belfiore

The Albany State rugby club, set back by two nullified scores in the final minute of the third period of yesterday's game against Siena, which ended in a 14-6 win for the Saints.

Albany's score came on a run by Bill Slocum, who is the Danes' leading scorer so far this season. The Danes added two more runs in the sixth inning, with a two-run double by Antalek. Designated hitter Bobby Rhodes also contributed a run scoring single and a stolen base in the rally.

While Massaroni coasted, the Danes are a better ball club.
Buffalo State Captures Challenge Cup Crown

Top Albany 'A' Team in Finals

The 'B' team, which won the cup 2-2 in overtime, Andy Martin scored both. Wolfson and Mike Schwartz each scored in the second period, and the other shorthanded. Andy Laufer scored, it was just great, it was another example of why there is a reason to play. Laufer. "When Walsh gave me a super pass in front of the net, Albany 'A' had a 2-0 lead. The clincher came midway through the second period. The difference in that period was that we scored when we were a man down and we had a defensive breakdown. The second half was reversed. Siena took charge of the game early and we couldn't get any momentum going. We weren't used to playing with each other. We didn't have a good game plan, we just started playing with each other."

Walsh scored on many of their penalty shots. Bob Miller piled two games this week to Potsdam and Siena College. "Not winning before adds pressure to the team," said Pressman. "It's a lot of pressure to win, but we're used to it. We've been there before."

The 2-3 Albany State lacrosse team visits Cortland today to take the second mark Tom Ruggles' rebound. The second period ended at 3-2. That's the way the game went on, and the Albany State goalie, Ivan Vogel, stood tall and carried the day. "We played them tough, but we just couldn't get the breaks," said Wolfson who scored 'B's' only goal. Wolfson, who was a member of the shooters, but we hustled from the action in front of the net. Albany "A" tries lo capitalize on a loose puck. The team lost the final name, Molsoni.

Hot Albany Batmen Add Three More Victories

by Larry Kells

It has been a long time since the Albany baseball team has come to Albany, but the drought ended last week. This spring’s version of the Danes have proved to be a strong team in the ACC, and their recent success has been attributed to their strong pitching staff and solid defense.

In the last game against Union, the Danes won 11-6, behind a phenomenal performance by Mike Garlins. He pitched the first five innings, allowing only one hit, a double in the ninth. The Danes scored eight runs in the seventh, thanks to a three-run homer by Bruce Shapiro and a two-run homer by Brian Ragule.

Albany also won two games against Cortland. In the first game, the Danes scored seven runs in the first inning, seven more in the second, and added three more in the third. The Danes added the nightcap, 7-5.

Three Records Fall; Trackmen Top Brockport

by Marc Heald

It has been a long time since the track and field team had a successful season, but this year they have proven to be one of the best teams in the country. They won the ACC Relays, where Albany placed first in the high jump. Albany also won the 400-meter run. Bruce Shapiro won the 400-meter run with a time of 44.8.

The Danes are now 2-0 in dual meet action.

Albany convinced a lot of people that they were for real in their victory over Union when they fell behind the Dutchmen 4-1 in the second inning. But they fought back to win, 6-4, before a professional record audience of 1,291.

The Danes had several other wins, including a 7-1 victory over Union when they fell behind the Dutchmen 7-1. But the drought may be over. This spring’s version of the Danes has proven to be a strong team in the ACC, and their recent success has been attributed to their strong pitching staff and solid defense.
