Enrollment Now In New Program

Over 135 men and women ranging in age from 17 to 70 have enrolled at the State University of New York at Albany, which has opened a new program for the day student or evening student. The freshman level course is aimed at people who have not attended college before or for those who wish to earn a bachelor's degree while working in other careers.

The college provides educational opportunities for individuals who are interested in obtaining a bachelor's degree. Some of them, many of them teachers, want to earn a degree while maintaining their teaching positions. Other listed reasons to attend are the possibility of facilities for the commuters. There are two vacancies among the membership. Self nominations are currently being accepted for those vacancies, and polling will begin in the Alumni Association at the time the vacancies are to be represented. Polling will take place for several weeks to be represented.

Brazil Offers Varied Opportunities Requires Knowledge of Portuguese

By Cynthia blanket

‘What is Portuguese, anyway?' The question was asked by a friend of mine who had just returned from a trip to Brazil.

‘Portuguese is a Romance language spoken in Brazil,’ I replied.

‘I thought it was a dead language,’ my friend said, puzzled.

‘No, it’s very much alive,’ I explained. ‘It’s the official language of Brazil and is spoken by over 200 million people around the world.’

‘But isn’t it difficult to learn?’

‘Not really, if you have the right resources and motivation,’ I reassured her. ‘Brazil has a lot to offer students who are interested in learning Portuguese.’

‘But what kind of opportunities are there?’

‘There are many,’ I said. ‘Brazil is a rapidly expanding country. It has a rich culture and history, and there are many opportunities for students to explore it.’

‘I see. And what kind of resources are available?’

‘There are many resources available for learning Portuguese,’ I said. ‘There are textbooks, online courses, and even apps that can help you learn the language.’

‘But isn’t it expensive to learn Portuguese?’

‘Not necessarily,’ I said. ‘There are many free resources available, and if you’re willing to invest some time and effort, you can learn on your own.’

‘I think I might be interested in learning Portuguese,’ my friend said. ‘It sounds like an interesting opportunity.’

‘It is,’ I said. ‘Brazil offers a lot of opportunities for students who are interested in learning Portuguese.’

‘I’ll have to think about it,’ my friend said. ‘But thank you for explaining it to me.’

‘Anytime,’ I said. ‘I’d be happy to help you get started.’

‘I appreciate it,’ my friend said. ‘Thanks again.’
American Myth: North Vietnamese Soldiers in South Vietnam War
