Announcement of Cheerleaders

The 30-40 variety combined cheer with sophistication in the Friday night performance. Spontaneity was the keynote of the evening as the girls translated the school motto into a super Stars presentation. A unique feature of the evening were the cheers for the theme, "From Four Years to Ten Years." A special feature of the night was the appearance of the new cheer uniform. A professional costumer designed the uniform and the result was a masterpiece. The girls certainly won their share of applause as well as the cheers of the audience.

The score stood 17-0 for a mere nine minutes and then the heavens opened. Potter draws first blood when Lou Hackett put the ball in the goal line. Many players might have thought they had won the game, but this was only a taste of things to come. Chuck Recesso then put the ball up in the goal line. Many players might have thought they had won the game, but this was only a taste of things to come.

Hackett Tallies for Third Time

The third quarter was the time for Sayles to come to the fore. They put many points up on the board, but they all came at the cost of a short-lived lead. Chuck Recesso then put the ball up in the goal line. Many players might have thought they had won the game, but this was only a taste of things to come.
