Morris Administrates Co-op Managerial Post

A new member of the State Administration faculty is J. Morris Johnston '52, who has been named manager of the college co-operative (Co-op) store, located in the basement of the Student Union. Johnston was graduated from the State Teachers College in 1948 and has taken courses at Michigan State College and the University of Tennessee. He is a member of the Kappa Sigma fraternity and is a member of the Phi Delta Theta fraternity, the Sigma Delta Tau sorority, and the State Student Association. Johnston is married and has two children. He is the son of Mr. and Mrs. H. W. Johnston of Skowhegan, Maine.

Womens Dormitory Construction Shows Progress

The construction of the new dormitory for women on the campus of State College is well under way and will be completed before the fall semester. The building will house 120 students and will feature dormitory-style rooms with private baths and showers. The building will be located adjacent to the new library and will provide additional living space for the increasing number of female students at the college.

Students May Obtain Additional Primers

Primers can be obtained in the DPO, according to Professor K. R. W. Miller. Primers are sections of literature which usually consist of a five-minute speech. Each section will be announced at least one day in advance so that students will have the opportunity to obtain primers for the topics they will be asked to introduce. The primers will be distributed at the VanDerzee House.

Assembly Will Include Speeches Of Candidates

The candidates for class offices and for the Student Association will make speeches during the assembly. The speeches will be introduced by Mr. J. A. Shamrock, the Student Council chairman. The speeches will be followed by a sing rehearsal, and the assembly will be concluded by the Student Union executive committee.

Every Day Thousands Are Proving Chesterfields Smoke Milder

The Aroma Tells You...

We tobacco farmers know that when tobaccos are milder they smoke milder. That's how smokers can know that the mild, ripe to-baccos Chesterfields buy from me and hundreds of other farmers will taste better, smoke cooler and much milder.

That's why I've smoked Chesterfield for 15 years.

The Rivalry Schedule

The Rivalry schedule for the next four weeks is as follows: May 8 at 7:30 p.m., at the VanDerzee House; May 9 at 7:30 p.m., at the Student Union; May 10 at 7:30 p.m., at the Student Union; May 11 at 7:30 p.m., at the Student Union.

Camels for Mildness

Cigarettes which the smoker knows are mild, such as Camel, have been proved to be less irritating than other brands. Ask for Camel when you buy your cigarettes and enjoy the difference.

Remember: Camel is really mild, and Camel is mild, and Camel is mild.

With cigarettes that know—IT'S MILD.
