Men Booters Show Promise in Oswego Triumph

By Marc Hupcl

Two games into the season is still a bit too early to start predicting the direction of the men's soccer team's success, but they look promising after a recent 2-0 shutout win over Ithaca College.

The game began unusually well for the Danes, with a dominant offensive showing early on. The Danes capitalized on their opportunities, scoring twice in the first half.

The Danes' goalkeeper, Billy Sleffen, was a standout, making several crucial saves to keep the game in check.

The Danes hope they have found their solution to the midfield conundrum, cracking the Southern Connecticut State College defense.

The team used excellent passing and teamwork to work the ball around the field, putting pressure on the opposing team. The Danes expect to see more of the same in their upcoming games.

EnCon OK's Crossgates Proposal

EnCon's proposal for the Crossgates project continued to face scrutiny.

The Capital District Coalition Against Apartheid called for abo the proposal, stating that the rugby game should not be held in the Capital District.

Unions Protest Reagan Administration Policy

Unions across the country have been protesting against the Reagan Administration's policies, particularly the proposals for cuts in social welfare programs.

The Capital District community has also joined in the protests, with rallies and marches being organized to voice their opposition.

Judge Rules South Africa Rugby Game is On

A federal judge ruled that the South Africa rugby team will be allowed to compete in the upcoming game.

The Capital District Coalition Against Apartheid had filed a lawsuit to prevent the game from taking place, arguing that it would promote apartheid.

The judge ruled in favor of the rugby team, stating that the game should proceed as planned.

Game Kept Secret

The South African rugby team's plans for the upcoming game remained under wraps.

The Capital District Coalition Against Apartheid has continued to call for the game to be cancelled, but their efforts have been unsuccessful so far.

Increased Enrollment Predicted

Enrollment figures this fall continue to reflect earlier predictions, which predicted higher enrollment figures than those of previous years. Officially, enrollment figures are not yet released, but all indications point to numbers reaching or exceeding previous years' figures.

The increase in enrollment is being attributed to several factors, including the economy, increased awareness of the importance of higher education, and the overall attractiveness of college education.

The Pre-Health Professionals will be involved in this growth, and we encourage all students to take advantage of the opportunities available.

Saturday, September 13th at 2:00 P.M. in the Alumni Quad, we will be holding a special event to welcome new students and introduce them to the Pre-Health Professionals. Stop by and learn more about what we do.

The Texas Instruments new TI-40 and TI-55-II calculators have angled displays for easy-to-see answers.

The angled display makes these calculators easier to use and available to all students. The TI-40, with its large 8-digit display, will be of particular interest to advanced math students. The TI-55-II, with its smaller 6-digit display, is ideal for basic math and science courses.

The TI-40 and TI-55-II calculators are equipped with scientific and statistical operations, including trig functions, square roots, and exponents. They both feature LCD displays for easy viewing.

Tickets are available at the Record Co-op Palace Theatre for $6.50 with SUNYA ID or $8.50 without. On sale at the Record Co-op Palace Theatre.

What is NYPIRG?

Leisl Fisher

NYPIRG, in the early 70's, was a consumer interest group. Today, by some accounts, it has become a consumer movement. It was started with the simple idea of helping people to get the best deal on things they had to buy such as cars, appliances, and insurance. Today, NYPIRG is a full-fledged consumer organization that works to keep the public aware of the rights and responsibilities of consumers. It also lobbies for laws that will protect consumers from unfair business practices and helps consumers to learn how to get the best deal on the products they buy.

Republican's Integrity

To the Editor:

I would like to express my views regarding the integrity of the Republican Party. I believe that the Republican Party has been plagued by a lack of integrity. The party has been known to manipulate the truth and to engage in shady business practices. Dane Booters Bottom Out Against Dragons

Lack of Intensity Leads to Loss

by Matt Beaudet

Albany State men's soccer team continued its slide in Sunday's 3-1 loss to Oneonta State in Colonial Quad. "We didn't do enough to win," said coach Bill Micheli. "We had a lot of possession but we didn't use it to our advantage."

The Danes were outshot 11-6 by the Dragons, who had the ball for 58 percent of the game time. "We just didn't do anything well," said Oneonta keeper Jason Sinaga. "We gave them a lot of opportunities to score, but we were able to hold them off for most of the game."

The Danes did score once in the first half on a penalty shot awarded to them after a player was tripped up in the box. "We were able to capitalize on a mistake by the defense," said Sinaga. "But we couldn't keep it up in the second half."

Albany State will look to bounce back against Colgate University on Saturday. "We need to get back to our style of play," said Micheli. "We need to work on our intensity and our concentration."

Danes Thwart Owl Comeback; Hold On 13-12

Dane quarterback Dave Ford lined up behind the Owls' 24 yard line on Saturday, and they were going to try for a 2-point conversion. Ford hit halfback Kerry Taylor with a 18-yard strike to increase the lead to 13-12 with 1:40 left. Just as the Owls were come back, the Danes bent SCSC on the 21 yard line and forced a fumble. This forced the Owls to kick, and the Danes were able to get the ball back and run out the remaining time.

Women Booters Win With Pleasant Problem

Siena defeated Albany 7-0 in a shut out, kicking off the season on the right foot. The Danes opened the season against the Owls, who were looking for revenge after losing to Siena last year. However, Siena's defense was too strong, holding the Owls to just 7 points. Despite the loss, the Owls are looking forward to their next game against Upstate.

U. Senate Changes S/U Grading Rules

The proposal, brought before the Senate by Assemblyman Helen Dowses, would make it easier for students to opt for S/U grading. The proposal would allow students to choose between S/U or traditional grading for their upper-level courses, without penalty.

SUNY Press, Government Clash

The SUNY Press, a division of the SUNY system, is facing a government directive to stop printing political cartoons. The directive, issued by the SUNY Board of Trustees, states that the press must stop publishing any political cartoons or commentary that could be construed as political. The move has been met with criticism from both the press and the public, with many calling it a violation of free speech.
