To Cut Or Not To Cut--

"To cut assembly or not to cut assembly—that is the question." The above dilemma is shared by anyone who has seen the absence of empty seats every Friday afternoon.

And a majority of those who do take advantage of this opportunity to relax favor the latter viewpoint. And yet, theRemoved Club News will continue to be a regular feature of the Student News, providing a forum for the exchange of ideas, opinions, and concerns. It is the responsibility of each and every student to actively participate in this dialogue, to contribute to the creation of an inclusive and respectful community.
