Liggett & Myers Tobacco Co. says . . .

For more than thirty years we have used research day in and day out learning about tobacco and cigarettes in the public's interest.

Continued we and our consultants have analyzed, experimented with and smoked all kinds of tobacco—from Southern Bright, Burley, Maryland and Turkish cigarette tobaccos.

Our own cigarettes and competitive brands have been submitted to the most exacting scientific scrutiny including thousands of analyses of millions of pounds of tobaccos.

Even all these thousands of analyses, and other findings reported in the leading technical journals, our Research Department has found no reason to believe that the isolation and elimination of any element native to cigarette tobaccos today would improve smoking.

Liggett & Myers Tobacco Co.

3 Brands Tested and Approved by 30 Years of Scientific Tobacco Research

Many scientists within our laboratories are conducting cigarette investigations every day.
Constitutional Amendments...

This week, Myskania will present two proposed amendments to the Student Association Constitution. The proposed amendments seek to extend the term length of any officer of the Student Association. The current term length of any officer is one year, but the proposed amendments would change this to two years. This would allow for more stability and continuity in the officer roles.

The first of these amendments may very likely be adopted by the Student Association. The amendment would stipulate that no student may serve more than two terms in the same position. This would prevent any one person from becoming too powerful and ensure that the Student Association remains representative of all students.

The second amendment is more controversial. It would allow for the possibility of any student being elected to an officer role, regardless of their previous experience. This would open up the officer roles to a wider range of students, which could be beneficial in terms of diversity and representation.

We hope that the Student Association will carefully consider these amendments and make the best possible decisions for the benefit of all students.
Sororities Pledge To Open Doors
(Continued from Page 6)

Pi Delta will hold Open House in their new rooms, 640 Main St., this Thursday, beginning at 8 p.m. According to Miss Hapgood, Mrs. Lewis, and Miss. Hapgood of Alpha Chi, the new rooms are to be opened in a tour which will be given to those interested. The tour will commence in the Assembly, where the three sororities will be followed by the last group. The tour will then proceed to the first floor where the Arts and Science Club is located, and from there to the second floor where the Pi Delta offices are situated. After the tour, refreshments will be served.

One On The Aisle

By PAUL LAMBERT

The YWCA held its annual Dance last Saturday night, with a turn-out of over 600 persons who were there to enjoy the music and food. The committee in charge of the event worked hard to ensure that everything ran smoothly and everyone had a good time. The evening started with a delicious dinner followed by a lively dance floor. The YWCA is planning to hold another dance soon, so keep an eye out for details.

"Miracle" was 20 years ago, and it is
still making waves in the industry. It
is now in its 20th year, and it is still
one of the most popular films of all
time. The film was directed by Frank
Capra, and it stars Ginger Rogers and
Spencer Tracy.
