Skillful is the word that best describes Chesterfield's can't-be-copied blend

It is the right combination of mild, ripe home-grown and aromatic Turkish...the world's best cigarette tobaccos...that makes Chesterfield different from all other cigarettes.

And it's the skillful blending of these tobaccos with each other...for flavor, for aroma, for mildness and for taste, that has made Chesterfield the cigarette in which millions of smokers find a new pleasure in smoking.
