Odds 5-1 New Queen Locale Girl or Brunette

Speculation as to the outcome runs ten to one in favor of a blonde which gentlemen allegedly consider the most attractive. The competition for this year's queen is expected to be the most exciting ever. For the first time in the history of the college, the student government is sponsoring the contest for the title of Campus Queen.

The election will be held on Friday, November 1, in the auditorium. The reception will be one to welcome the arrivals of the candidates from various nationalities. The program will be under the direction of the Student Association, which will conduct a house-warming for the new Queen.

The reception will be held from 9:00 to 10:30 p.m., with music provided by the orchestra. The program will include a drama, a dance, and a presentation by the Student Association. The candidates will be introduced, and each will have the opportunity to make a speech. The winner will be announced at the end of the program.

The election is limited to students who are members of the Student Association. The candidates must be at least 18 years old and must have completed at least one academic year at the college.

 behaviors as is its personal column—"The Statesman." Of that fact, there can be no doubt. Nor can it be doubted that the high-schoolish, boy-wise it must meet a happy demise.

It is clear that a happy, healthy college life is possible if the student will make a determination to meet it. It is the obvious way to go. The signs are that it is the road to the highest goal. The road to the highest goal is the road of health and happiness. The road to the highest goal is the road of success in life. The road to the highest goal is the road of happiness in life.
