S. C. T. LETTERS

New Point System

At last we have something that will interest every State College girl. You all want to win your S. C. T., letters, I know. Think how nice it would be to wear a big purple and gold S. C. T. on your sweater, and let people know you belong to State. G. A. A. now has a way by which you can earn your numerals and letters, that is, if you work hard enough to this time a few lucky girls won their letters by playing basketball, but now we have a system by which, with a little perseverance, you can too. "I won these at State College.

G. A. A. under the supervision of Miss Bennett and Miss Card have worked out the following "point system," and are ready for any event you earn so many points, and upon gaining 40 points win your letters. The girl winning the most points each week at the end of the year wins a cup. All those winning 60 or more points will receive S. C. T. letters. These numerals and letters will be different from any others you may have won in basketball or elsewhere, so it is up to everyone to try out for this. At the end of the year the girl having the most points will receive a cup given by the G. A. A.

The following are the points given for each event:

- For each basketball practice attended, 1 point.
- For each swimming party, 1 point.
- For each skating party, 1 point.
- For each soccer practice, 1 point.
- For each tennis practice, 1 point.
- For each athletic practice, 1 point.

NEWMAN CLUB PLANS EVENT AT EXECUTIVE MANSION ON NOVEMBER 13

A silver tea will be given under the direction of the Newman Club of the New York State College for Teachers Saturday, November 13, from 4 to 6 o'clock at the executive mansion. Mrs. Alfred Smith, wife of the Governor, will head the committee. For each line, a music program will be given under the direction of Sister Alphonse. Misses of the Holy Names.

The proceeds of the tea will be added to the fund to build a Newborn dormitory at the college.

Miss Catherine Washburn, president, has appointed the following committees in charge of the arrangements: Miss Elizabeth Casey, general chairman; refreshments, Miss Dorothy Collins (chairman), Miss Catherine Handley; publicity, Miss Katherine F. McCarthan (chairman), Miss Alice Cleer, Miss Caroline Berberik; arrangements, Miss Katherine Merchant (chairman), Miss Margaret Vaugler, Joseph Sherbrook (chairman), Miss Alice O'Connor (chairman), Miss Martha Perry and Miss Anna Mae McEnery.

JUNIORS SCORE

Wednesday afternoon the junior quintet defeated the freshmen on the Albany High court by a score of 13 to 4. The upper classmen had the advantage of the freshmen from the start, the score being 6 to 3 at half time in the former's favor. Linek featured for the juniors, scoring 9 points, while Sherley and Carrolan did the scoring for the freshmen.

FIRST CAMPUS DAY AT STATE COLLEGE

Athletic Events a Great Success

New Quartette Entertains at Night

Last Saturday afternoon State College held its first annual Campus Day. The Physical Education Club had charge of the affair, and it presented a program that provided a great deal of amusement for everyone.

The first event, which took place in the gymnasium, was the seniors' basketball game. The meal, "1921," who finished in 5:05, had been first by Mrs. Putnum, "24; Cassavant, 24; and Shirley, 23. The other outdoor games were staged on the campus. The girl's intersquad inter-class race was the first event. The junior team finished first, though the sophs, who took second place, put up a stiff resistance.

There were two races of the three-legged type—one for girls only, and one for man and girl against men. The men's race was won by the frost team of Hene,! and Hene,man. The other race was also won by a frost team—Belden and Sherley. A feature of this last race was the miss the Crane-Pool team just as it reached the finishing line.

Then came the obstacle races—one for men and one for girls. The contestants were expected to squeeze through two barrel hoops, slip between the rungs of a ladder, then slide under a table. The girls' race was won by Eleanor, with Emily Boldin, 24, a close second. The men's race was won by Cassavant, 24, in second place.

The inter-soph versus junior-freshman soccer game was the last event on the program. The girls who made up the teams were picked players. Consequently, the game was a thrilling one.

NEW COURSE STARTED

Exhibits Open to Students

An extension course on "Immigrant Backgrounds and Homelands," dealing with the different countries of north and southeastern Europe, has been started at State College. The lectures are given Wednesday evening at 7:30 p.m. in room 161, and in conjunction with them pictures are exhibited, showing the history and life of the people in these countries. These pictures are on view permanently in room 161, and students are cordially invited to view them any day between four and six in the afternoon. The exhibits are changed every week so that the program is varied and gives a more extensive impression of the various European countries. This week's exhibit deals with Russia.

FRESHMEN LOSE

The seniors defeated the freshmen in basketball Friday afternoon on the High School court, by a score of 38 to 8. The frost played a hard game, but excellent teamwork on the part of the seniors enabled them to pile up a safe lead at the end. In the last few minutes of play Holmes, the senior mascot, was given a place in the lineup. Holmes, who is the smallest man in college, received a great applause from both sides when he took his place at center.

UNION COLLEGE TO CO-OPERATE WITH CITY FOR WINTER SPORTS.

Hockey Contests, Sailing and Ice Boat Races to be Features.

Daniel J. Sweeney, Schenectady park superintendent, is looking forward to a record season of winter sports, including skating, sailing, tobogganing, hockey contests and carnivals. Superintendents will cooperate with Union College authorities in planning the winter events, during which the college men will have a field for their hockey contests.

Included in the plans for a greater revival of winter sports will be the construction of a toboggan slide, which will probably be built on Rochester hill, two hours down the drive and stretch out onto ice of Foggia lake. A toboggan will be made which will be a new feature in Central Park, and it is expected to prove popular. Superintendent Sweeney says he will certainly a slide will be constructed that will be safe. It is said that facilities for skating on the college grounds will be sure to be adequate for the hockey contests and ice-skiing events that the college will endeavor to develop. It is the reason for asking the cooperation of Superintendant Sweeney. With the greatest facilities offered by the ice field of Foggia lake the college can arrange premier contests, which will include hockey matches, matches and boat races. It will be an opportunity for those who wish to indulge in full skating.

Superintendent Howard O'platte of Union College, suggested to Superintendent Sweeney the advantage that would be obtained by combining their efforts. It is planned to bring to Schenectady some of the best skaters of the country and to schedule events that will be held by the highest national winter sports. Contests will be arranged for the gathering events it is likely that a minute in the skating at a lowing cup will be offered. The cooperation of the public is expected to warrant the offering of prizes.

Superintendent Sweeney and his athletic director are members of the American Athletic Union and such events will be under the auspices of this association.

Interest in ice skating was given a great impetus with the opening of Central Park several years ago, and each winter since then, thousands have skated on Foggia lake each week. The city plans to keep the ice in the best of condition for skating, and a number of hockey rinks will be rolled off. The park superintendent promises that there will be room for every amateur and league that wishes to use the skating rinks.

In the near future Superintendent Sweeney will announce the preliminary plans for carnival events. These will be arranged for winter sports, weather permitting, and it is likely that the lighting effects for the night events will be made possible by arrangements with lighting experts of the General Electric Company. Superintendent Sweeney will endeavor to make the ice field attractive either day or night.

Superintendent Sweeney said an outlook for a successful season of winter sports was unusually bright and that he believed the public will derive great benefit from the recreational features of the park, which, after all, they have from the tennis, baseball, picnics and other summer events.

THE LEADING ELEVEN

Center College Eleven Has Rolled Up 255 Points—Penn State, High in '24.

Center College, which lost its first game since 1917 by going down to defeat at the hands of Harvard last Saturday by a score of 14 to 31, is the leading scoring eleven, having registered 255 points in four games this year. Penn State is running with 244 points and has turned in five straight victories. Georgetown ranks third with 174 points.

Harvard has run five straight games and is not scored on until Center College piled up fourteen points in Saturday's tilt. Yale has won three out of four games, while Princeton has a clean slate to date. The season, however, is merely beginning and while Williams college has captured 84 points it is

Union college of Schenectady has lost five straight games, failing to score on any of its opponents, who have run up 172 points. Remember that these are not at the peak of their form. The College has run up 135 straight points.

College of the Holy Cross, which was on the winning streak last Saturday by defeating Worcester Tech, 7 to 6.

First Campus Day

Continued from Page 1. The game was a closely contested one in which many fine plays were made. The game was called on a foul call which was heard, the score was tied 2 to 2. Later, when the tie was played off, the game fell to the junior-frosh team.

The tug-of-war between the seniors and frosh was the last and the most amusing of the campus events. When the signal was given, the seniors, for which the Milne High orchestra furnished the music, began to work so very hard after all. All that was neede was "pep" and "spirits" and every S. C. T. girl should have both, and here is just the place to show us what you can do.

A captain will be appointed at the next G. A. A. meeting to take charge of each event, and she will keep track of all the points for each person. So come out to the next meeting (Tuesday night), and find out more about it.

If you have not already paid your dues, pay them to one of the G. A. A. officers now, for our point teams starts this Saturday with the Indian Ladderridge.
