Hicks Explains Problems Facing Prospective Teachers, Each Must Decide How to Give Greater Service

For the first time in his teaching, the signature of each applicant is couched in general terms. Such phrases as "question and expenditure", "impose further restrictions", and the like are not used by the earning organization.

Should I work teaching and not accept a job in the service? Should I take a leave of absence or add to my budget elsewhere? Should I pursue a second career in the service? Each must decide how to give greater service.

Singer Leads In Scoring Turmoil

The excitement caused by the volatile "turf" of the bowling arena was magnified by the prominence of two individuals who are not accustomed to the limelight. Lois Dann, captain of the bowling team, and Mary Dorsey, a member of the寝室, have stepped into the spotlight this season.

Dann, who has been a consistent presence on the team, has embraced the role of leadership this year. Her dedication to the sport extends beyond the lanes, as she has been instrumental in organizing and coordinating team activities. She credits her success to the support of her teammates and the encouragement of Coach David Solomon. "The team's success is everyone's success," she said. "We work together to achieve our goals, and it's rewarding to see the hard work pay off." Dann's dedication to the sport has not gone unnoticed, as she has been recognized for her contributions to the team's performance.

Mary Dorsey, on the other hand, is a newcomer to the sport, but her enthusiasm and determination have quickly earned her a place on the team. "I've always been interested in bowling, but I never thought I would be a member of the varsity," she said. "It's been a fun challenge to learn new skills and improve my game." Dorsey's impact on the team is evident in her consistent performance and her ability to adapt to different roles on the team. Her contribution to the sport is a testament to the diversity and strength of the bowling team.

Dann and Dorsey's contributions to the team have not gone unnoticed. Their dedication and hard work have earned them the respect and admiration of their teammates and coaches. Their success serves as an inspiration to others on the team, as well as to aspiring bowlers who may be considering joining the sport. "We are all here for the love of bowling," said Dann. "It's a sport that brings people together and allows us to compete and enjoy ourselves."
