Great Danes Drop Sixth Straight, Vie with RPI in Finale Today

By Mike Carty

The varsity baseball team kicked off the season this afternoon in a home game against the RPI Engineers with Bob Huntington's nine-socket efficiency for an 8-4 loss in the season opener on the Danes' own field. Huntington won for the Danes, who are in their first season on the Engineers as a State Coach.

The Dunmire will take a 6-6 record into the finale as seniors Joe Piodrowski, Jay Moore, and Bill Ingino attempt for a win against the Engineers. With these turn for more action next year, let's see what should happen:

Meanwhile, in its first game of the year, the Danes defeated the State Netmen this year, watched the ball from one between Piotrowski and Egleston, but behind Piotrowski and Egleston, the Danes defeated 5-4 on May 14. With these turn for more action next year, let's see what should happen:

Jerry Burleigh's first victory over the Engineers as a State Coach. The new AMIA director, whoever he be, should or- der this game through its most productive year ever. This is an accumulation.

Tomaselli, and Bill Ingino in the seventh as Piz-illo doubled 2-3 lead but that was cut to 1-2 late in the season. Against RPI's home grounds. Should the Stateman win, it will be Huntington's first victory over the Engineers as a State Coach.

Morse Urges International Action
To Relieve Tense Vietnam Situation

Morse says that the resolution of the war in Vietnam is the most important issue of our time and that American military aid must cease immediately.

Morse also suggests that the United States should work towards a negotiated settlement and that the United Nations should play a central role in the process.

FINANCIAL AIDS

Notice

All student organizations are urged to attend the Student Financial Aid Committee meeting on Monday, May 24, at 4 p.m. in Room 107 of the University Center to discuss financial aid options for the coming academic year.

COMMUNICATIONS

Interfaith Center NEEDED

To the Editor:

In support of the Interfaith Center, I am writing to express my support for the center's mission to promote understanding and cooperation among people of different faiths.

I believe that the center is an important resource for promoting interfaith dialogue and understanding in our community.

Yours sincerely,

ARTS OF THE YEAR IN RETROSPECT

It seems appropriate in the last issue of the academic year to review the manifold types of fine art which have been produced and observed by the students and faculty of this university.

In retrospect, we find that the 1965-66 year has been both qualitatively and quantitatively productive. Audiences in auditoriums, churches, lounges, and galleries have been treated to fine examples of drama, music, painting, readings, and sculpture.

"Of Mice and Men" began the University Theatre's excellent season. The pleased audience left Page Hall and proceeded to Richardson Hall where they pleasantly viewed both "Wapshot Scandal," and the show which was probably the best of the season, "Stop the World, I Want to Get Off." The year closed with MacLeish's poetic "J.B."

Guest Artists

Several fine guest artists produced shows of differing topics and quality levels. Included were "The Firebug," "The Divine Comedy," the Triad Dance Company, and "The Trojan Women." Not to be forgotten is the delightful Revue, "Gypsy." Fine musical programs were produced by the University's Band, Orchestra, Statesmen, and other choral groups. The Christmas Sing competition was the scene of some of the finest choral singing of the year; Theta Xi Omega leading the pack of quality.

Many Musical Performances

Obviously, the many times the musical organizations performed cannot be enumerated here, but suffice it to say, that when they did, they provided a vital part of the year's arts program. It would however be a very comprehensive arts overview if one were not to remember a few of the more outstanding guest musicians. The Bach Aria Group was probably the finest guest production. The Brass Quintet however was also notably exceptional.

In purely visual art, one had only to visit the third floor of Draper Hall at any time during the year, or several of the lounges across campus to view some fine student and faculty art. The exciting new visual arts magazine "Observation," certainly earned a place in this arts review.

As this year closes, we can look to next year's art with great expectations.
