Dr. Brubacher Praises Paris Newspapers For Concordance And Brevity, Notices Systematic Effort Emphasizing Communism In Papers

Dr. Brubacher, president of the State College, congratulated the Paris newspapers for their conciseness and brevity. He noted that the papers are systematically emphasizing the ideas of the Communist Party.

The papers are noted for their concise and clear writing, which is in line with the Communist Party's goal of overthrowing the capitalist system.

The Communist Party is known for its emphasis on the need for a workers' revolution to bring about a socialist society. The party is opposed to capitalism and the wealthy class, and believes in the equality of all people.

Dr. Brubacher praised the papers for their clarity and simplicity, which he said is important in spreading the ideas of the Communist Party. He noted that the papers are making a positive impact on the readers and are helping to spread the ideas of the party.

The Communist Party is one of the largest political parties in the world, with a membership of millions of people. The party is active in many countries and is known for its strong presence in the media.

Dr. Brubacher's comments come as the Communist Party is making a strong push to influence public opinion and spread its message. The party has been active in a number of countries, including the United States, and is known for its strong presence in the media.

MURPHY AND HUMMEL TO ASSIST ART CONCERT

Lambert Murphy, tenor, late with the Metropolitan Opera company at New York City, will be the assisting artist with the State College women's chorus Friday afternoon at 3:30 o'clock when the chorus presents its annual spring concert in Champions' hall.

The program of the chorus, which consists of approximately one hundred voices, will be composed of ancient and modern selections under the direction of Dr. E. Frederick H. Anderson, instructor in music. Stanley Hamilton, publicity will assist at the piano for the concert.

Mr. Murphy, the London Pall Mall Gazette says: "The quality of his voice is captivating and as clear as the most refined glass, and is aided by an equally clear diction."

New York critics repeatedly called attention to the fact that Mr. Murphy was a Harvard graduate and a truly American opera singer. He came to the stage without foreign triumphs, distinguished himself by the merit of his singing and stands quite high with the opera companies of the United States. He has appeared nine times with the Boston Handel and Haydn society, and six times with the New York Oratorio society. He has also appeared three times with the Toronto Mendelssohn choir, and four times with the National music festival.

Tickets will be $1.50, $1.00 and $0.75.

When Dad was a "Modern Youth"

BICYCLES, stereopticon lectures, and the "gilded" juleps with their horses and cars at night the midnight oil burning in student lamps while the gaslights glared and flickered across the campus—the gay nineties when Dad was in college seem primitive to us to-day.

Now it's sport roadsters, the movies, and radios. At night the Mazda lamp replaces the midnight oil in dormitory rooms, while modern street lighting sheers its friendly glow over the campus.

Without electricity we would have none of these improvements. To-day's marvel of electrical invention becomes to-morrow's accepted utility. In the coming years, by taking advantage of new uses of electricity you will be able to go much farther than the "turning twenties" will seem just as primitive as the "gay nineties".

Allan and Whitman May Start Game Under Unbeaten Baseball Team

By Roy S. Sullivan

The State College baseball team will open the 1928 season tomorrow afternoon at 3 o'clock at Riederfeld Park. The Purple and Gold nine will try on three weeks of outdoor practice but aren't in top shape because of the last week rain.

The Jamaica Training school team has played three games so far winning twice and tying the other game when darkness halted proceedings. Januaries played its season with a 2-3 victory over Wagner college, then played a tie with Brooklyn C. C. N. Y. and followed with a 2-0 triumph over Brooklyn college.

The State lineup will include most of the men who represented the College on the diamond last year, the only new face in the lineup being that of Edward Twining, who will undoubtedly start at third. Although Coach Rutherford Baker has not announced his lineup for the opening game, it is certain that Allan, who hurled last year's opener, or Deffon, will receive the pitching task. Whatever happens, Allan will be the receiver in either case.

Dr. Brown to Speak Here Monday Evening

Dr. Sanger Brown, of the state commission for mental hygiene, will lecture to the students of State College Monday night, in the auditorium.

"Dr. Brown is a national figure and an authority in this field which is of great interest to everyone," said Dr. Caroline Coonsdale, College physician, today.

The lecture is given under the joint auspices of the departments of hygiene and psychology.

"It is currently hoped that all students will attend," said Dr. Coonsdale.

The meeting will be open to the public.

LEADS JOINT SERVICES

Herman Kuester, '29, will lead the popular dance band of W. T. C., and V. A. C. Sunday afternoon at the Student's Union on the campus of Thompson Hall.

Avoiding the 30th of March, which will be special meeting of the V. A. C., the C. A. T. will be setted.

Girls' Track Meet Will be Saturday
