Party, Party ...

Long ago and in another country, the idea of political parties was proposed as a possible answer to student lack of interest in government. Last Wednesday in Senate, the first political party to be formed at State University was presented with evidence of the passing of the constitution of the Ped Political Party. Naturally, the idea of political parties is good, and the aim of the Ped Group is to see that any political party is possible here at State University.

In this system, the Ped Group is the only political party that has been formed, but there is a possibility that other parties will follow soon enough. The Ped Group was founded last year by Mr. Ped and has been growing in size and strength ever since. It has been proved by Ped Political Party that if people want political parties, they can have them. The Ped Group is a democracy, and each person has a say in what the party does.

The Ped Group has been quite active this year. They have held several meetings and have had several speakers. One of their main goals is to get the people of State University interested in politics. They have been quite successful in this respect, and the Ped Group has gained a lot of support.

The Ped Group is currently working on a new project, and they are looking for new members. If you are interested in joining the Ped Group, you can come to the next meeting, which will be held at 7:30 p.m. in the Student Union.

In conclusion, the Ped Group is a force to be reckoned with. They are a strong and dedicated group of people who are working hard to make State University a better place. If you are interested in joining the Ped Group, I would highly recommend it. You will have a great time and make some great friends.
Five Lettermen Carry Coat

Mat Hopes In 1958 Season

The latest edition of Joe Garcia's grapplers, depending upon the performance of five returning lettermen and nine newsletters for next season, moved into the final stages of pre-season practice yesterday only eleven more days of practice remaining until the opener on Page gym on December 6th.

Dave Boscar, a undoubtedly the number one man as a junior with several years experience under his belt. He scored the first victory of the year with a hard-fought 8-7 decision over Bob Doriu in the first weekend meet. He has usually been the number one man at his weight ever since his introduction to the sport. Boscar's strong points are his excellent defense and his quickness in tying up the opponents. He is the type of wrestler who is always looking for an opening in his opponent's defense.

Frank Fallace, who scored fourteen of the 21 points for the Indians in their opening game against the RPI Engineers, is back for his second year. He is expected to be the number two man in the 112 pound division.

The weight of the 125 pound class will be heavy in the hands of Bill Dunlop, who scored the only point for the Indians in their opening match against the RPI Engineers. Dunlop, a strong wrestler, is expected to be the leader of the 125 pound class.

Rush Garcia To Hospital

Coach Garcia's hoop squad also has its share of new- comers in Tom Ryan, Eric Baum and Bill Thompson, returning after a year's layoff. However, these men will be carrying a large share of the responsibility when they return to the lineup.

The new- comer is Tom Ryan, who scored 1,950 points last year. Ryan, a strong player, is expected to be the number one man in the 136 pound division.

Rush Garcia, who scored 1,950 points last year, is back for his second year. Garcia, a strong player, is expected to be the number two man in the 125 pound division.

IM Kegling Season Set

AMIA, Motorcycle, and Trap clubs will be the major attractions in Intramural competition sponsored by the College this coming year. The AMIA club will be the first to begin their season with a pair of matches on Sunday afternoon between the AMIA and the State College of Science. The Trap club will begin their season on Wednesday night with a pair of matches against the Trap club of the University of Rochester. The Motorcycle club will begin their season on Thursday night with a pair of matches against the Motorcycle club of the University of Rochester.

Each match on this year's suite will commence on the Tuesday after Thanksgiving.

MIDG SAILORS

News, Ped Attend ACP

Kappa Delta is pleased to announce that they, along with the rest of the sorority, will hold their annual Fall Banquet. This event will take place on Friday evening and will be held in the university's main banquet hall. The event is open to all members of Kappa Delta, as well as any interested guests.

Newman Club Holds Annual
Fall Banquet

The Newman Club will be holding its annual Fall Banquet on October 25th. The event will be held in the university's main conference hall and will feature a keynote address by a prominent speaker in the field of faith and spirituality. The event is open to all members of the Newman Club and interested guests.

They Said It Couldn't Be Done - But Today's M's Give You-

Less Tars & More Taste

Dorms Plan Parties

The dorms are planning a series of parties for the upcoming semester. These events will feature music, dancing, and a variety of refreshments. The parties will be held in the dorm lounges and will be open to all members of the dorm community.

Stephaniec, Battalion Commander for Kappa Delta, spoke to the group of new members and introduced them to the sorority's mission and values. She emphasized the importance of friendship, academic excellence, and community service. The new members were then given the opportunity to ask questions and express their expectations for their time in the sorority.

Sororities Hold Formal Dinners

For Freshman Women Tomorrow

The sororities will be holding formal dinners for their new members tomorrow evening. These events will be held in the university's main dining hall and will feature elegant table settings, fine china, and delicious cuisine. The new members will be welcomed into the sorority and introduced to their fellow members.

For Junior Women Tomorrow

The sororities will be holding formal dinners for their senior members tomorrow evening. These events will be held in the university's main dining hall and will feature elegant table settings, fine china, and delicious cuisine. The senior members will be celebrated for their achievements and contributions to the sorority.

FOR more information about these events, please contact your sorority's representatives.
