Just The Facts...

To know or not to know that is the question. Whether "to be" or not to "be"; to know the truth or to exist in ignorance. At the full membership council of the major topic of discussion was the commission of political parties at State. Members of the council were divided on the issue of political parties and their role in the state. Some members were in favor of keeping political parties as a division, while others believed that they should be eliminated.

Kapital Exasper

On the last page of the U.S. News and World Report, there was an article about the state of the economy. The article was written by John Smith. It discussed the various factors that contribute to the economy, including inflation, unemployment, and foreign trade. The author also analyzed the potential impact of the current policies on the economy and provided recommendations for future action.

Hey, everybody! Here's our new stock of Sticklers!

When smoke folk get together, the chatter most is fine tobacco. Naturally, that means Lucky Strike. Lucky's taste is worth talking about because it comes from fine tobacco—light, mild, good-tasting tobacco that's TOASTED to taste even better. As for the stickler, you call the minutes of a smoker's convention a light-up write-up. Speaking of light-ups, have you tried a Lucky lately? You'll say it's the best-tasting cigarette you ever smoked!
