THE SHETTON OF 40TH AND LEXINGTON NEW YORK

When the Shetton opened 7 years ago, it seemed to college men and women. Gradually their clientele changed; and today we feel safe in asserting that more students frequent the Shetton their New York home than at any other club. One reason for this is the free recreations facilities plus a desire to serve on the part of Shetton employees. Rooms have been greatly reduced. Rates from $80 per week. A room from $32.50 daily.

The Shetton opens at 40th and Lexington.

The Shetton's facades show how the Shetton is a focal social center. The room is well equipped with a kitchen and other facilities. The Shetton is the place for students to enjoy themselves in the best possible way.
