Unemployment Rate Rising
WASHINGTON, D.C. (AP) - In the latest indication of the slowing economy, the nation's unemployment rate rose to 7.5 percent in September, the Labor Department said yesterday.

The rate, up from 7.0 percent last month, was higher than expected by economists who forecast a drop. The increase, which brought the unemployment rate to the highest level since 1982, is likely to add to pressure on President Reagan to re-instate a freeze on government hiring.

The Labor Department said 4.8 million Americans were unemployed in September, up from 4.6 million in August. The labor force, which includes people who are employed and those who are seeking work, was 75.6 million.

The unemployment rate after adjusting for seasonal variations was 7.3 percent. The seasonally adjusted unemployment rate has not been better since March 1979.

Some College Presidents Duck the Tight Budget

By Lisa Mirabella

The increase in unemployment is likely to make it harder for college presidents to raise funds for their schools.

In an article in The Chronicle of Higher Education, President John Poller of the University of Michigan said he would not be able to raise the budget for the coming year.

"I have been very upset about this," he said. "We are in a very tough time in Michigan and we have to be careful about how we spend our money."

was the death of a student. However,
the investigation was actually con-

17 Seniors End Careers in 35-6 Win Over New Haven

By John Burke

WEST HAVEN, Conn. — All this year, Albany head coach Jerry Leck has said that he would like his team to face a top New England team. Last week, they got just that — the Yale Bulldogs. And the Danes won, 35-6, in the last home game of the season.

For the men on the Danes, the game was a great way to go out. The Danes compiled 230 yards on the ground and 169 through the air. Albany capitalized immediately on an interception and on a short-field drive to take a 14-0 lead before New Haven even knew what had hit them. New Haven coach Jerry Leck had a feel for his opponent 9-6 for the first time in the 118 and 150 weight class. All the Danes had a first in the 177 weight class.

The Danes won on the ground, with three players — John Leary, Mark Gesner and Dan Scully — combining for 129 yards. Scully had 84 yards on 13 carries, including a 44-yard touchdown run. Gesner had 32 yards on 10 carries, and Leary had 13 yards on two carries and a touchdown.

Albany quarterback Bob Reddy, one of the seniors, was responsible for 10 of the Danes' 17 points. He completed an 11-yard pass to Bruce Barnes for a touchdown in the second quarter. He followed that with a 7-yard pass to Bruce Barnes in the third quarter. Later in the third quarter, Reddy completed a 5-yard touchdown pass to Bruce Barnes. Reddy finished the game with 243 yards passing and three touchdowns.

The Danes were also helped by a New Haven fumble that was recovered by Steve Gribble in the second quarter. With 2:26 left in the quarter, Reddy completed a 42-yard pass to Bruce Barnes. Two plays later, Reddy completed a 10-yard touchdown pass to Bruce Barnes. The Danes led 21-0 at the half.
