Wilson Will Address Largest Graduating Class At 107th Commencement Exercises Of College

Ball To Highlight '52 To Face Perplexing World, Seniors Leave In Optimistic Mood

By MILL and GRISWOLD

The Class of '52 has taken military service in its stride. We are not yet accustomed to the idea of being old enough to know what is going on. We are not far enough away from our college days to appreciate the fact that we are really young men and women. Right now, the problem of the future is one of our major concerns. We are daydreaming about the future, planning for the future, and worrying about the future. We are not as yet as old as our parents, but we are already a part of the world in which they live.

For Concert Numbers

The program lists Senior Awards for this Year. The Senior Awards are given to the senior who excels in scholastic record, interest in history of the college, and a certain amount of personal worth. The Senior Awards are given to the senior who excels in scholastic record, interest in history of the college, and a certain amount of personal worth.

At Anniversary Club

One of the highlights of the Senior Banquet will be the presentation of the Senior Banquet. The Senior Banquet will be held at 7 p.m. on June 18th. The Senior Banquet is a special occasion for the seniors to gather together and reflect on their college years. The Senior Banquet is a special occasion for the seniors to gather together and reflect on their college years.

1952 To Hold Picnic, Breakfast

Plans for the senior picnic are being made. A time and place have not yet been announced. The senior picnic is a special occasion for the seniors to enjoy the outdoors and relax together.

Move Activities To Local Theatre In Case Of Rain

Dr. Howard E. Wilson, well known associate director of the Office of Education for the Carriage Endowment for International Peace, will deliver the Commencement Address at St. John's College on June 17.

Dr. Wilson has been associated with the Office of Education for the Carriage Endowment for International Peace since 1945. He has been active in the field of international affairs and has served as a consultant to the United Nations and other international organizations. He is the author of several books on international affairs.

Collins Extends Invitation

It's always hard to say goodbye, even to the joyful ex-
iment of Commencement. Colling and I have spent the
year working with the College to make it a success.

Commencement Procedure

The graduation is to be followed by a reception,
and the proceedings will conclude with a dinner at
the College dining hall. All members of the College
and their guests are invited to attend.

Alumni, teachers, and parents which have made
the accomplishment which you base made during
the college as a whole, may well be grateful for
the achievements of their students. It is with regret and with
joy that we welcome you back to the College. There will be your
sincere thanks for the years you have lived here.

The program will include the following:

- Welcome address by the President of the College
- Academic procession led by the Class of 1982
- Invocation by Dr. John Smith, President, State University of
- Student addresses by the Class speakers
- Presentation of degrees by the President and the College
- Farewell address by the President

Select Counselors For Men's Camp

The men's camp at State College is to be held from July 1 to
July 15. Counselors will be chosen from the senior classes
and will be paid a stipend for their services.

Select Counselors For Women's Camp

The women's camp at State College is to be held from July 1 to
July 15. Counselors will be chosen from the senior classes
and will be paid a stipend for their services.

Torchlight Procedure

The torchlight procedure will be held on the evening of July 1,
following the graduation. The torches will be lit by the
President and will be carried by the students through the
Colonnade and into the gymnasium.

Torchlight will be carried by the student body and faculty
representatives, and will be followed by a reception in the
College dining hall.

Main Incinerator Blows its Top

Most State College physicians managed to live through exam work with no worse results than severe eye and brain strain. But the main incinerator in the back of Temperance Tavern just couldn't take it. Last Wednesday afternoon it threw up its hands in despair and blew its top. It had been "out to sea" at the exam a week earlier.

Some and waste paper caught fire and sent out frantic messages via heavy smoke signals. Brave students came to the rescue and a bucket brigade was formed. Finally, a fire extinguisher came down, and the mysterious incinerator, having its cool, collected, and swampy wet.

The fire was out, and students returned to their cokes and cramming. But there was some good even in the worst disasters. Thanks to the incinerator, the snack Bar served freshly如果ed ham for the rest of the day.

St. Mary's Removal Permits Building Site

With the closing down of the St. Mary's Housing Project, there is alleviating the housing shortage in the area and for the college men. In a tense ten inning thriller in the Kinkerbocker News, St. Mary's took its last victory. It is hoped that revision of plans will be turned down by March 31st of this year.

It is hoped that revision of plans will be turned down by March 31st of this year.

The college is suffering from "growing pains" in sports facilities more so than in other branches. A specific need in baseball field, again for DM and recreational sports, and other playing areas will be addressed. The college has already committed the funds so originally developed. It is hoped that this new expansion will be able to meet our needs.

Athletic Board Plans Football Status Report

The Athletic Association will make its Football Report to Student Council, give a report on the possibility of the gridiron game at State College. A fact-finding Committee, appointed by the Athletic Council, gave a report on the possibility of the gridiron game.

KDR Captures IM Softball Title;
John Allasio In 'Iron-Man' Role

Suffering only one defeat all season, KDR softball wound up to the IM Championship on the strength of Sophomore John Allasio. The new champs gained their title by sweeping the Palmer Graders in a two out of three semi-final series. They swept up the cup with two straight victories over Palmer Club.

A tense ten inning thriller in the Kinkerbocker News. The new champs gained their title by sweeping the Palmer Graders in a two out of three semi-final series. They swept up the cup with two straight victories over Palmer Club.

The AA and the Administration are looking into this sport as a result of student legislation that established its feasibility.
