Gridders Run Over Hofstra 33-7

The football team in action against Ulster. The Danes open their home season Saturday versus tough Alfred.

The defense showed some weakness against a stiff breeze. Punter Mike Marrin added a school record of his own with an 80 yard kickoff return.

Central Council Chairperson David Coyne (L), and Student Association Vice-President Ira Birnbaum (R), confer on SA's alternate housing proposal. The question has been raised as to SA's counter move. SUNYA students may have an ace up their sleeve, however. Hugh Carey, Governor Wilson, if re-elected, could put an effective light against the Kennedy family can not afford.

Jackson May Now Lead Ticket

The Danes are right back with Bertuzzi breaking in, to score a new goal on the first play of the fourth quarter.

The biggest gain of the day came on the Danes' next possession. On the fourth down, Bertuzzi went over on a 15 yard touchdown run and the Danes' final score.

The offensive was impressive against Hofstra. Most of them were not on exchange. Some of them might have been missed.

NEWS BRIEFS

LONDON—British Labor government quit Thursday after the cabinet's Internal Committee, a report that accused the Labor government of failing to provide adequate defense for the country.

Carley's practice, which has been criticized for its lack of political correctness, has led to calls for its resignation. A second cabinet minister, John Reay, announced he would quit the cabinet over the issue. The cabinet is expected to resign en masse if Carley does not resign.

Governor Malcolm Wilson has also come under attack for his handling of the situation. Wilson has pledged to take action to prevent similar incidents from occurring in the future.

Carley's resignation could lead to a by-election in the constituency he represents, which is currently held by the Liberal Democrats.

Four Feet Humidans Mark Moseley Speech

Moseley, who is running for state assembly in the 43rd district, discussed his plans for the economy and his views on abortion.

Carley Touhey Returns to Politics

Touhey returned to politics earlier this year, announcing his intention to run for the state Senate in the 25th district. He was previously a state senator from 1971 to 1975.

If elected, Touhey said he would work to reduce property taxes and improve education. He also pledged to fight for labor rights and protect the environment.

"The only beauty which makes us feel we are alive.
And yet, we are alive!"

A new program sponsored by the Student Association is being advertised on the morning announcements. The program is designed to help those who may be considering going off campus. In recent years, several students have chosen to live off campus, but there have been cases where students were not satisfied with their living arrangements. The Student Association has initiated this program in an effort to assist students interested in living off campus. In addition, by helping students find good housing arrangements, a broader range of students can be accommodated, making it easier for those who wish to live off campus to do so.
