State College News
ALBANY, NEW YORK, FRIDAY, SEPTEMBER 20, 1946
WELCOME CLASS OF 1949

STATE COLLEGE NEWS SEPTEMBER 1946 TO MAY 1947

STATE COLLEGE NEWS
Opinions Invited...

The State College News will continue to serve as a medium of expression for student opinion as it has done in the past. In order to give members of freshman classes a direct vote in the discussion of any subject—controversial or otherwise—there will be a new column where any and all freshmen are invited to express their sentiments.

Letters to the editor will be welcome and will be printed in the first issue after they are received. We ask only that writers observe a few simple rules:

1. Use a clear, concise style.
2. Keep letters to a maximum of 300 words.
3. Avoid personal attacks.

Letters must be signed and will not necessarily reflect the opinion of the writer.

Rivalry Traditions?

If we count the number of times a rivalry has been fought, it is possible that the State College News will be able to determine the intensity of the rivalry. Dunmores, 1949, will be the speaker.
