Well, that's something about cigarettes I never knew before!

I'd never thought much about what's inside a Chesterfield cigarette. But I have, just been reading something that made me think about it.

Just think of this, some of the tobacco in Chesterfield—the Turkish—comes from 10,000 miles away! And before it is shipped every single leaf is packed by hand. All because Turkish tobacco is so small and delicate.

Of course I don't know much about making cigarettes, but I do know this—that Chesterfields are milder and have a very pleasing aroma and taste.

They satisfy—and that's what counts with me!
