Jean Casadesus To Transform Auditorium Into Concert Hall

Jean Casadesus, French pianist, has accepted an invitation to appear at the State College Auditorium on April 8, 1953. It is the first time a French pianist has come to State College for a concert.

Jean Casadesus is known for his performance of Schumann's romantic pieces, "Messa di Requiem," op. 29, "Nocturne, C-Sharp, Op. 62, No. 2," and "Valse Triste, Op. 34, No. 2." He has also performed works by Debussy, Fauré, and Ravel.

This concert will be a significant event for music lovers and will provide an opportunity to experience the artistry of a world-renowned pianist in a public setting.

SA Assembly Will Nominate Future Officers

The agenda for today's assembly included discussions of the Mat Men's performances and the future of the State muscle. The assembly will be held next Tuesday noon in Room 101 in Draper Hall. If there is any reason to complain, the meeting will be to discuss division rules and how to "use" in a column that is currently being prepared. The meeting will also focus on the feasibility of bootball. The next development will be pitted against APA. Wednesday, May 6 New Paltz S. Home.
