Dr. Krumb relates impressions
Of German Professor In U. S.
By DEAN B. STURGEON
Professor at Miami University
This was his conclusion: "This
was a fine trip. During half a year,
I learned much. Of course, I made
some mistakes and had a few
misunderstandings. But the
spending the time in German
speaking countries and contacts
with German-speaking people
was most beneficial. I was
given the opportunity to live
in a city, Hamburg, and to
work in a small university,
the University of Hamburg. I
was able to meet many
German-speaking people and
to learn much from them.
