Harriers Upset Montclair 27-28; Munsey Cites Outstanding Runners

The Albany State Varsity cross-country team registered an upset win over Montclair State, 27-28, Thursday afternoon. Coach R. Keith Munsey was extremely "surprised" at the team's showing, and he called the win a "team victory," as he cited several runners for their efforts in the meet. The team also scored wins, topping the Baldpate Fresh 5-4, and State set a course record en route to a win.

The leadership of Miss Torres, will be formed which will meet on Tuesday.

TOP DANE RUNNER Jo* Ktoting crosses the finishing line.

Students Spend Junior Year in Puerto Rico Note Lack of School Activities, Organizations

The rapid growth of the University has necessitated the increase in administrative personnel. Consequently, the new Associate Dean of Student Affairs of the Organizational Affairs Department is in charge of the University's activities.

As an Associate Dean, Mrs. Greg, who is also the President of Student Affairs, is responsible for the Organizational Affairs Office. This office is concerned with the coordination of student activities and the development of programs for the benefit of the students.

Mrs. Greg, who has had a successful career in theater and television, has been associated with many of the major productions in New York. She is currently working on a new play for Broadway which should open next season.

Mrs. Greg is a member of several professional organizations, including the American Theater Wing and the Association of Women in the Arts.

The University of Puerto Rico combines old Spanish architecture and modern on its unique campus. The campus is located in the heart of San Juan, the capital city of Puerto Rico, and is surrounded by water on three sides.

Activities at Puerto Rico University Varied and Interesting to Students

The University offers a wide range of activities for its students. These activities include sports, music, theater, art, and community service.

Sports activities include basketball, volleyball, soccer, and track. The University also has a football team which competes against other universities in the region.

Music activities include a symphony orchestra, a choir, and a glee club. The University also has a marching band which performs at sporting events.

Theater activities include plays, musicals, and dance performances. The University has a professional theater group which performs in the University's theater.

Art activities include classes in painting, sculpture, and photography. The University also has a museum which features works of art by local and international artists.

Community service activities include volunteering at local hospitals and schools. The University also has a community service club which organizes events and projects for the community.

The University offers a wide range of activities for its students. These activities include sports, music, theater, art, and community service. Students can participate in these activities to enhance their education and to have fun.

University Student Spends Summer in Argentina

By Marjorie Dunlop

MYKANIA member, Maria Mastori, favorably contributed to the Argentinian Image of a United States citizen. Through the foreign student program sponsored by the Expert in Language, Maria spent her summer in the United States.

The program is international, and its goals are to expand the foreign student's understanding of the American way of life. The student is matched with an American host family, and the relationship is invaluable.

"The family is wonderful," said Maria. "I was matched with an American family in New York City, and it was a big help. They are very hospitable, and I enjoyed my stay there very much."

In Argentina, Maria was enrolled in a course at the University of Buenos Aires. Her major was English, and she enjoyed her classes very much.

"I loved my classes in Argentina," she said. "They were very interesting and challenging. I learned a lot about the language and culture of Argentina."

While in Argentina, Maria visited many places of interest, including the Museum of Fine Arts and the National Library. She also traveled to Buenos Aires, where she visited the Teatro Colón and the historic neighborhood of La Boca.

Maria found the people of Argentina to be very friendly and welcoming. "The people are very warm and hospitable," she said. "They welcomed me into their homes and treated me like a member of their family."

In conclusion, Maria Mastori's experience in Argentina was a valuable and enriching one. She is grateful for the opportunity to have spent her summer there and looks forward to returning in the future.

Harrlers Score Dual Meet Win
Run Victory Skein to 20 Straight

The Great Dane varsity cross-country team had an easy time in registering its 20th consecutive dual meet triumph as the Harrlers topped Siena, 18-40, in a home meet last Tuesday. Since Harrlers placed five men in the top ten, sweeping the first three spots. The Danes dropped only an easy effort, relegating the Loudonville men, 15-41. The next meet for the varsity is the LeRoy Invitational at Syracuse tomorrow.

Joe Novick passed the varsity Drover, turning a 20:37.51. Wexler went on to the first place at cross-country meet and got a spot to, and a win in the race.

Following Novick to the finish were Pat O'Veen of Siena, third, and Joe Spence, fourth. Dr. Dune, the last place racer at Cross, finished under the wire in 22:10.10.

Dan West, who was out with a cold, was third in the meet, finishing the 7,500 meters in 24:19.50. West was 15 seconds behind the second-placed runner, Pat O'Veen of Siena, who finished in 23:59.50.

The entire Harrlers team was represented in the top five finishers, with five runners accomplishing the race.

Honey Bears followed suit, placing the first three runners.
