College News and promotions within the organization will be effective with the next issue of the Student Union Bulletin. Abel Blattman '53, Sports Editor. The Business Department has also added two members to its staff, according to Dr. Hill, a resident of Quebec.

Dr. Hill, who is well known in the Albany area, has been active in the community of education. He is a member of the Board of Directors of the Albany Teachers Association, and a trustee of the Albany Institute of History and Art. He is also a member of the New York State Education Association, and a member of the American Association of University Professors. He is presently serving as president of the Albany Teachers Association.

Dr. Hill has been active in the community of education for many years, and has made significant contributions to the field of education. He has been a leader in the development of educational policies, and has been instrumental in the establishment of new programs and initiatives. He has been a strong advocate for the needs of children and families, and has worked tirelessly to improve the quality of education for all students.

Dr. Hill's leadership and commitment to education have earned him the respect and admiration of his colleagues and students. He is widely recognized for his dedication to the cause of education, and his contributions to the field have been celebrated by colleagues and students alike.

Dr. Hill will continue to serve as President of the Albany Teachers Association, and will continue to be an active member of the community of education. He will continue to be a leader in the development of educational policies, and will continue to work tirelessly to improve the quality of education for all students. His contributions to the field of education will be remembered for many years to come.
The Problem Before The Problems

REMEMBRANCES OF THE PAST
January—With our children making annual plans for their New Year's Eve party, we are reminded of a memory. At a Christmas College Revue, our daughter was playing a role. Little did we think that a moment on stage would lead to a lasting friendship. In fact, it was the start of a lifelong love affair with theatre."

One Must Opinion

In my opinion, the Air Force should take a more active role in recruiting. The Air Force is a service that is constantly striving to maintain a strong, skilled workforce. This can be achieved by increasing recruitment efforts. One way to do this is to offer more scholarships and financial aid to potential recruits. Additionally, the Air Force should focus on targeting students who are interested in pursuing careers in science, technology, engineering, and math. By doing this, the Air Force can ensure that it has a diverse and skilled workforce.

If you can make the grade, the U.S. Air Force will award you a commission, your wings and pay you over $50,000 a year.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Recruiting Station. Fill out the application they give you.
2. Attend an Aviation Cadet Training Class. This service will ensure you for future physical examinations.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be offered a position in the Aviation Cadet Training Class.

Where to get more details: Visit your nearest Air Force Base or Air Force Recruiting Office.

U.S. AIR FORCE

ARE YOU TOUGH ENOUGH FOR THE JOB?

If you want to make a difference in the world, consider a career in the Air Force. As an airman, you will have the opportunity to serve your country and make a difference in the world. The Air Force is looking for people who are willing to take on the challenge. If you are interested, contact your nearest Air Force Recruiting Station today.

A new group, known as the College Alumni Association, has been organized to provide for the future needs of the College. The group has been established to take over from the Alumni Association, which is now defunct. The new group is composed of members of the Class of 1953, and is headed by William Collins, President.

The applications should include a statement of the reason for the application, and a statement of the purpose for which the fellowship is intended. The applications should be submitted to the Alumni Association, attention William Collins, President, State College, Albany, N. Y.

The fellowship is provided by a fund established by the late Professor James Husted, who was a member of the Class of 1953. The fellowship amounts to $1,000 per year, and is awarded to the third in a series of fellowships established by Professor Husted.

The applications should be submitted to the Alumni Association, attention William Collins, President, State College, Albany, N. Y.
