Whence Comes Another?

We tell the student body how synthetic they are almost every week, and we did it again this week: however, now we've elected a hundred dollars per member to the State University of New York at Stony Brook. And once again, our students can overlook our mistakes. This is the fourth time we've done it, and they're still surprised. Which is great, because it means they're still thinking. And if they're still thinking, we're still doing our job. So here's to another year of ignorance and conformity. Let's hope it lasts forever.

A $200 Question

A president has been selected, the President of Student Association. He's going to be selected two hundred dollars per member to the State University of New York at Stony Brook. And once again, our students can overlook our mistakes. This is the fourth time we've done it, and they're still surprised. Which is great, because it means they're still thinking. And if they're still thinking, we're still doing our job. So here's to another year of ignorance and conformity. Let's hope it lasts forever.

Kappa Beta Upsets Potter To End Club's Win Streak

For the first time in over nine years, the Edward E. Potter Dutchmen Club of the State College baseball team was defeated last Wednesday by the Kappa Beta Club, 23-11, in the final game of the intramural baseball league. Their consecutive win streak was somewhere in the neighborhood of 150 games. The Dutchmen club began their streak four years ago, in the fall of 1955. The streak included three games, on the campus of the College, all but one of which were played by the same Kappa Beta Club that defeated the Dutchmen on Wednesday night. The final fall with the Dutchmen's 1955 victory. The last two clubs in the Dutchmen's winning streak were the Union Dutchmen and the Albany State alumni, but the Dutchmen would lose to the Union Dutchmen, 9-7, in the final game, 1956.

In the first two games of the final, the Dutchmen won both, 18-7 and 15-4, but the Dutchmen's winning streak was ended on Wednesday night by the Kappa Beta Club, 23-11. The Kappa Beta Club scored 12 runs in the second inning, and then added 11 more in the third to give the Dutchmen a 12 run lead to work with, but the Dutchmen were unable to score, and the Kappa Beta Club scored 23 runs in the final game of the intramural baseball season.

As for the scandal sheet, it's a sensational which deserves nothing but wastefully.

Has anyone ever heard of a LUCKY STRIKE sweater with no arms?

Aok...
Cold Shoulder... What this school needs is a good five-cent cup of ice. As things stand now, the student union does not provide sufficient ice to warrant the student's having ice cream. Do you honestly feel, student, that a fair amount of ice is in your dormitory when you buy a cola? Since most of us make the purchase simply for the exercise of chewing the ice, and since the cola, jugel or what-have-you is merely the sauce as it were, it follows then, does it not, that what we students want for our ice cream is more ice.

Furthermore, we would like the additional benefit of being able to purchase only the ice. Just as some people do not like whipped cream on their pies, some people do not like cola on the ice. Would it not then be advantageous to the student as well as the Stick Bar, to provide a large, thick, ample cup of pure ice for five cents? We think it would.

We are sure that many McGill Students would approve and promptly greet such a move. We would like to see the sale of five-cent-up ice to be the warrant of the continuation of this policy.

Yes, Maurice Jones, as representatives of the student body of New York State College for Teachers in Albany, we would encourage you to bring any policy on your part. We would guarantee you such satisfaction that the Stick Bar is open at least one cup of five-cent ice. Provided that the cups are a fair size.

Is the student to be ignored in this case as so often done in every policy of the Stick Bar? The Stick Bar offers a five-cent-up ice, and our worry is to expect that the Stick Bar will again serve the necessitate, desires, and demands of their customers?

Were it not against our dignity we would knock on the ground, head, tossed, leg, sitting, and branch you, Mr. Jones, with all our souls, souls, and souls to warn the hands of freedom and serve the student a five-cent-up ice.
