Rivalry Bill...

The new Rivalry Bill was voted over the protests in Senate by Westfield, electrically. The bill's body appears to have been the product of a recent conference that was given by the senators. The new plan for a three-hour periodicity is a far cry from the old one. Everyone feels that it is a needed change, and we, to punish the change, agree.

We hope that everyone and that means you, will make an attempt to get the rest of the new improvements. Will Myra's lie on the Red Kangaroo Court? Will there be "Fun Days"? Laugh chapter, these may be your traditions. We know you can't pass legislation, that's something that's easy. But by passing this bill you're trying to at least implant in the minds of the incoming freshman class that these "traditions" are the most important part of State College. So for a change, it's introduced. I blame, honest.
