Debate Council Requests Views On Controversy

A special session of the Students Federation held Monday evening at 3 P.M. resulted in 14-3 vote to deny the request of the Albany Chapter of the National Forensic Association, Robert Betses, for a special assembly in the Student Union on October 8. As president, he moved that Debate Council consider the matter at the next meeting.

The motion was carried by a 14-3 vote. The topic for debate will consist of four rounds of debate, and Rita Cohen '57 will represent the debated topic at a future date.

Inter-Fraternity Council To Initiate Formal Rush Period At Starter

In addition to initiating fraternity, the Inter-Fraternity Council will initiate a formal rush period at Starter, beginning on November 18. Details regarding this event will be presented at a later date.

The legislative branch of Student Association referred a proposal for a special assembly to Debate Council on October 10. The topic of debate was whether or not the school should debate the following question: "Does the United States need to authorize a special assembly to hold a debate on the origins of the Chinese Communist Government of China?"

The council requested the student body to submit their opinions on this topic, and the administration will act accordingly.

SA Expresses Opinions, Ideas At Special Debate Assembly

Because of the controversy arising from this year's debate topic, the Student Association decided to hold a special debate assembly to discuss the origins of the Chinese Communist Government of China.

The purpose of this assembly will be to provide a platform for students to express their opinions and ideas on the topic, and the administration will act accordingly.

On Debate Question

The State College Dramatics Society and the State College Debating Society will discuss the proposition, "Resolved: That the American government has been enriched by the presence in its foreign service of Jews," at 7:30 p.m. tonight in the auditorium. Both societies have been working on the debate for a week.

The topic was chosen by the officers of the societies, who will be the directors of the debate. The proposition is a direct challenge to the government's policies regarding Jews in foreign service, and the debate will provide an opportunity for the societies to express their views.

The debate will be moderated by Dr. William B. MacClure, Dean of the College of Liberal Arts. The chief speakers will be Mr. John D. Smith, President of the State College Debating Society, and Mr. Robert E. Johnson, President of the State College Dramatics Society.

The debate will be a public event and is open to all students. The audience is encouraged to attend and participate in the discussion.
