Vote Wisely

Today in Assembly, the students still vote for their class officers. We shall make our plea now for intelligent voting. Many students are important—many others are important too. We should make sure that they are the important ones.

We should not allow the idea that some people vote for some reason or another. It's important that we do not let anyone else influence our voting. Anyone can vote and the polling places will be open this weekend. Please come and vote. The polls will be open from 7 to 11:00 P.M.
