ARE YOU A NEWSPAPER CRACKLER?

Impatience? No. It's jangled nerves.

Are you the kind of wide-awake, "on-your-tocs" person who hates to be kept waiting? Then you should be doubly careful about jangled nerves.

If you find yourself nervously cracking your newspaper—drumming your fingers on the table—jumping at unexpected noises—then watch your nerves.

Get enough sleep—fresh air—recreation. And make Camels your smoke.
For you can smoke as many Camels as you want. Their costlier tobaccos never jangle your nerves.
