A number of surprises were evident in the first attempt in interfraternity politics and possibly attempt (and quite success­ful attempt) to keep fraternity politics and collegiate affairs under the public eye.

A number of surprises were evident in the first attempt in interfraternity politics and possibly attempt (and quite successful attempt) to keep fraternity politics and collegiate affairs under the public eye.

The fact that there are many among us who are unaware of the many activities going on among us, and that there is a general lack of knowledge of what is happening on this campus, is one of the reasons why I believe that we should make a greater effort to bring these activities to the attention of the students.

The sports department is happy to announce that we will be holding the following events in the near future:

- The State College Orchestra will be performing on Wednesday, October 15, at 8:00 p.m. in the Rotunda. The orchestra will be under the direction of Dr. John Brown, and the program will consist of a variety of classical and contemporary compositions.
- The Student Association will be holding a picnic on Saturday, October 17, at 2:00 p.m. in the Alumni Park. The picnic will include a barbecue, games, and entertainment.
- The SCA will also be hosting a dance in the gym on Friday, October 16, at 9:00 p.m. The dance will feature live music by the band "The Giants" and a cash bar.

These events are just a few of the many activities that are taking place on this campus. We encourage all students to participate in these events and to be aware of the many opportunities that are available to them.

We also want to remind everyone that the annual State College Fair is scheduled for November 5-7. This fair will feature a variety of vendors, food stands, and entertainment. We hope to see you there!

We would like to express our gratitude to all of the students who have been involved in these activities. Without your support, these events would not be possible.

We look forward to seeing you at these events and encourage you to participate in as many activities as possible.

Sincerely,

[Your Name]
