Basketball Back At State Again; Practice Starts

M. S. Towner

The basketball team that back two years ago is now back again. For the first time in a long while, the team meets to begin the regular season.

It was just another war casualty, and although it was a shock, (from the standpoint of the basketball world at least) it was an expected one.

Now the team is back, and with the coming of winter, the girls have a chance to get back into the swing of things. The teams are coming out again, and the girls are going to be able to participate in the games and events.

The season opens with a home game against the University of Kansas. The game is scheduled for January 15th, and the team is looking forward to the challenge.

New Signum Laudis and New Sophs Selected

The Student Association of the University of State announced the selection of new signum laudis and new sophomores.

The new signum laudis are: Mary Johnson, '47, head of the English department; and John Brown, '46, head of the music department.

The new sophomores are: Helen Adams, '47, head of the biology department; and William Smith, '46, head of the art department.

The selection of these students is based on their academic achievements and leadership qualities.

Support From Above

The Student Association has received a large donation from the university for the purchase of new equipment. The donation is the result of the efforts of the association to raise funds for the purpose.

The money will be used to purchase new basketball equipment, including a new court and new balls.

Great News

It was just another war casualty, but for the girls it was a shock. The team was left without a coach, and it was up to them to fill the position.

The girls have been hard at work, and they are looking forward to the season with a lot of enthusiasm.

The season opens with a home game against the University of Kansas. The game is scheduled for January 15th, and the team is looking forward to the challenge.
Don't let them down —

Jargon in G 9

SERVICE PLAQS — Plans have been made to add the Service Plaque to the War Dead, Cheryl Neubauer, who presented the plaque to the club last week. This will be on display in the student union when at State on August 19, 1944 and good luck to their group. The plaque is a reminder of all the sacrifices that were made for the freedom we enjoy. The Service Plaque is a reminder of the sacrifice of those who served their country in World War II.

NOTICE LIBERTY AND JUSTICE — Now that elections are over and everyone, like the rest of the country, is just waiting to see who will come out on top, remember that liberty and justice are the two most precious things we have. It is something that should be cherished and protected. Our country was founded on the principles of liberty and justice, and we need to make sure that they are never taken for granted. Remember that liberty and justice are not just for the rich and famous, but for everyone. It is important that we all stand up for what we believe in and fight for the things that are right.

Gaulle’s Invitation to Parley In Paix

These are some of the things that you should keep in mind when you participate in discussions about the future of our country. It is important that we all work together to ensure that liberty and justice are protected and that our country continues to thrive.

Passing Proves Weak

State Defeated, 20-7

The homecoming crowd at State University of Iowa last week to see the State football team defeat the University of Illinois 20-7 in an exciting game. The game, which was played in the pouring rain, was a hard-fought battle between two strong teams. The State team, under the leadership of Coach Bob Pike, played a well-coordinated game, holding the Illinois team to just two touchdowns.

State Hoosters Mix Experience

with Willingness

During the game, the State team showed a combination of experience and willingness that was impressive. The seniors, who have been playing football for several years, worked well with the freshmen, who are new to the game. The team worked hard to keep the Illinois team from scoring, and the final score of 20-7 was a testament to their hard work.

Sophos Hold Lead

In Rivalry Race

The State and Illinois rivalry is one of the most storied in college football, and the State team showed that they are a force to be reckoned with. The State team has won the last two meetings, and they are looking to continue their winning streak.

State St. Rose

To Debate Today

The State debate team will be holding a debate today against St. Rose College. The debate will be held in the main hall of the State University, and it is open to the public. The team is looking forward to the challenge and is working hard to prepare for the debate.
