Yalta Release Shocks Big Three; Soviet Government Still Unstable

By W. J. BURRES

The release of the Yalta and Potsdam documents seems to have shocked the leaders of the Big Three, according to high-level American sources. It is generally agreed that the Big Three have been unable to find common ground on a number of key issues, such as the treatment of the Soviet Union.

As for the Soviet government, its stance remains steadfastly unyielding, though there are signs that a considerable degree of fissure may have developed within the leadership. This is especially true in the case of Joseph Stalin, who is reported to have been critically ill during the last days of his life.

And BE IT FURTHER RESOLVED

Approved by vote of the Faculty Council, representative secondary school teachers; the College for forwarding to the proper Council.

The proposal of the State University College for Teachers at Albany, wish even the evening in the Myskania meeting ground in the liberal arts and an important and value of the liberal and the profession.

The story of this piece is: Chenleri; and the profession.
