Roy Leads X-Country Sweep, Albany Takes Top 10 Places

The Albany State cross-country team, led by Paul Roy, swept the top ten places at the AMIA meet on Saturday. Roy led the team to its first win of the season in the meet. This win is the first time that they have ever recorded a shutout against their opponents. Coach Roy was extremely happy with the race, yet expressed some disappointment that the runners could not have been more competitive against one another.

Paul Roy, who finished first in the meet against the Coast Guard Academy, finished with a winning time of 20:04. Second place went to Paul Leininger, who finished with a time of 20:21. Third place was awarded to the third place finisher, Paul Steinman, who finished with a time of 20:33. Coach Roy was pleased with the team's performance, and plans to continue to work towards improving their times.

The team's next meet will be on October 12, 1967, against SUNYA. The team is looking forward to this meet, and plans to work hard to prepare for it.
**Workshop Stresses Student Problems**

A study to the source of new education problems, student discontent, the relationship between classroom, student, and faculty. The purpose of the study is to identify the problems that exist in the classroom and to determine the extent of the problem resulting from these factors. The study will be conducted at the University of California, Berkeley, and the University of California, Los Angeles. The study will include a questionnaire and an interview with the students. The questionnaire will be administered to all students enrolled in the study. The interview will be conducted with a random sample of the students. The study will be conducted over a period of six months.

**Dress Code Discussed**

The Student Affairs Council at the University of California at Albany held a meeting to discuss the dress code policy. The council was divided on the issue, with some members arguing for a more lenient policy and others advocating for stricter regulations. The council ultimately decided to maintain the current dress code policy, which allows for a wide range of attire choices. However, the council will continue to evaluate the policy and make changes as necessary.

COMMENT

Mary Ellen, a number of FBITE, wrote this letter to the Albany Student Press. The writer, who appeared to be quite young, signed her name with a "Y." The letter was dated "April 29th, 1967," and was addressed to "The Editor." In her letter, she said:

"I feel that the American people should be scarred about their children. There are so many people that are being brought up to do things that are not right.

"I think that this is a problem that the government should be aware of. I feel that the government should do something about it."

The letter was signed "Mary Ellen."

Booters Beat Adelphi, 3-2, Swarthout Steals The Show

With senior forward Gary Swartout leading the way the Albany State booters entered the season with an impressive 3-2 win over the visiting Adelphi Yellow Jackets to quite a show as he accounted for all three Albany goals, scoring in each of the first three periods.

At 15:00 of the first period Gary took a pass from Cattelshah-Vymer on the left side and drove the half past the goalie for the first Albany goal. The attack continued and the Yellow Jackets ended the score with a goal early in the second quarter, but Swartout put the Quakers back on top as he hit a long header into the upper left hand corner. The shot, which came off a corner kick by outside right Phil Kutis, gave the Great Danes the edge, until Cattelshah-Vymer batted the ball into the left hand corner of the net, a mere 1:05 before the half time gun. But the Great Danes opened the second half with an early score, and then simply were the Adelphi booters down to a walk.

At 6:00 of the third period Albany scored on a beautifully executed play, lynch-Thompson crossed the ball from the right side all the way across the goal mouth to Saint and Seaman who headed it back toward the middle, to Swartout who scored easily from close range.

The Danes didn't just fall back and play defense thereafter, but rather they kept steady pressure on the Adelphi goalie, thus making it easier for the Danes to move out of the inferior Adelphi threat.

The steady play was well together as the Adelphi team was unable to score to amount of 3-0 for the game. This win brought Albany's record to 9-1-2 for the season.

This win is the first time in the history of the Albany State booters that they have scored three goals in the season's first period.

The game was played in front of a crowd of several hundred fans.

Problems to Sponsor March on Saturday

The members of the Political Science Department of the University of Rochester have organized a march on Saturday, March 15th, to demonstrate against the University's censorship of student activities.

The march will begin at 2:00 p.m. at the University's Central Campus and will proceed to the Student Union. The march will consist of a group of students, faculty, and staff who will protest the University's censorship of student activities.

The members of the Political Science Department have been discussing the issue of censorship for several years. They have been concerned about the University's policies regarding student activities and have been working to have these policies changed.

"We believe that the University should support the freedom of expression of all students," said Professor John Smith, a member of the Political Science Department.
