Rescued Danes Shock Cortland, 25-14

Harrisers Finish In Fourth Place At SUNYAC Championship

Netters Beat Guard

SUNY Responds To Regents Cuts

Students Pressured Into Majors

---

The Red Dragons revelled in the opening kick and promptly marched on to a 3-for-3 start. Brad Aldrich led the charge, his 21-yard field goal giving the Danes an early 3-0 lead. After the opening kickoff by Cortland's Ken D'Amato, Aldrich connected on a 30-yard field goal for a 6-0 lead. The Danes continued their offensive dominance, as Aldrich kicked a 25-yard field goal for a 9-0 lead at halftime. The Danes went on to win 25-14, amassing 249 rushing yards and 206 passing yards.

Dane halfback Otis Griffin (number 29) makes a hole in the Cortland defense. Griffin gained 99 yards on 11 carries. The Red Dragons controlled the ball with pinpoint passing and efficient running, outgaining the Red Dragons for the first time this season. Aldrich, who earlier in the game had missed a field goal from 44 yards, made good on a 21-yard attempt for a 3-0 lead. Aldrich then booted a 30-yard field goal to extend the Danes' lead to 6-0. Aldrich kicked a 25-yard field goal to increase the lead to 9-0.

On the Danes' next series, a 59-yard pass completion to Dave Diekmann in the end zone was negated by a Cortland interference penalty. On the next play, Diekmann's reception was nullified by a Cortland interference penalty. On the final play of the first half, Diekmann's reception was nullified by a Cortland interference penalty. The Danes led 9-0 at halftime.

After the half, the Danes remained in control, outgaining the Red Dragons by a decisive margin, 249 rushing yards to 101 passing yards. Aldrich kicked a 30-yard field goal to increase the lead to 12-0. Aldrich kicked a 30-yard field goal to extend the lead to 15-0. Aldrich kicked a 30-yard field goal to increase the lead to 18-0. Aldrich kicked a 30-yard field goal to extend the lead to 21-0. Aldrich kicked a 30-yard field goal to increase the lead to 24-0. Aldrich kicked a 30-yard field goal to extend the lead to 27-0. Aldrich kicked a 30-yard field goal to increase the lead to 30-0. Aldrich kicked a 30-yard field goal to extend the lead to 33-0. Aldrich kicked a 30-yard field goal to increase the lead to 36-0. Aldrich kicked a 30-yard field goal to extend the lead to 39-0. Aldrich kicked a 30-yard field goal to increase the lead to 42-0. Aldrich kicked a 30-yard field goal to extend the lead to 45-0. Aldrich kicked a 30-yard field goal to increase the lead to 48-0. Aldrich kicked a 30-yard field goal to extend the lead to 51-0. Aldrich kicked a 30-yard field goal to increase the lead to 54-0.

Aldrich kicked a 30-yard field goal to increase the lead to 54-0.
Lebanon Trio Out New Cease-Fire Plan

BEIRUT, Lebanon (AP) - The newly-named small civil militia in Southern Lebanon are expected to begin implementing a new cease-fire plan within hours, according to sources close to the group.

The sources, speaking on condition of anonymity, said the group had reached a consensus on the terms of the new cease-fire agreement, which is designed to end months of violence in the area. The sources said the group had agreed to halt all military operations and to begin negotiations with the Lebanese government to resolve the underlying conflict.

The new group, which was formed in response to increased pressure from the Lebanese government, has been fighting the Israeli military and pro-government groups for control of the southern coastal region.

The group is thought to be led by a former member of the Christian militia, the Federico Group, which was formed in the early 1980s to defend the southern border against Israeli incursions.

The new group's members have been involved in a series of violent clashes with Israeli forces and other pro-government groups, including a recent battle in which at least six people were killed.

The group's leaders have been meeting with Lebanese officials to discuss the terms of the new cease-fire agreement, which is expected to be announced within hours.

The sources said the group had agreed to halt all military operations and to begin negotiations with the Lebanese government to resolve the underlying conflict.

Swiss Build Biggest and Costliest Bomb Shelter

LUCERNE, Switzerland (AP) — While many nations simply talk about nuclear war, Switzerland has constructed and equipped the world's largest bomb shelter, which government authorities are quick to point out, is intended for use in a nuclear war.

The 50-story, 10,000-foot-long (3,048-meter-long) under ground bunker is a $2.5 billion investment in the nation's ability to survive a nuclear holocaust.

The shelter, four times the size of the Empire State Building, is said to be able to house up to 20,000 people for a year.

The government says the shelter, which will be opened to the public in May, is designed to protect people and government officials in case of a nuclear attack.

The shelter includes a variety of facilities, including a hospital, a theater, a gym and a swimming pool.

The shelter is part of a larger network of underground bunkers and shelters that cover the entire country.

The government says the shelter is necessary because Switzerland is in a major nuclear power plant's explosion radius.

The government has been warning for years that Switzerland is vulnerable to nuclear attack.

The shelter will be open to the public on the first day of May.

The government says the shelter is designed to be as comfortable as possible for its occupants.

Foreigners, B. Kissane, haven't seen you in all these years.

name of the game—pride

To the Editor:

Halloween festivities for three years, this time without fanfare, I have noted that the University of Albany Faculty has again canceled the festivities for this year.

Having been born in a college town, and having lived in college towns and for an extended period of college at Albany, I can attest to the fact that the festivities are indeed a necessary part of the college experience. Without them, the college community would be deprived of a valuable opportunity for students to come together and enjoy each other's company.

I would like to suggest an alternative to the fftestivities: a campus-wide art exhibit, with students submitting their best works for display. This would provide an opportunity for students to showcase their talents and creativity, while also promoting a sense of community and togetherness. It would be a fitting tribute to the spirit of Halloween and a celebration of the unique college culture.

PHILADELPHIA (AP) Julius Erving, who recently signed the highest contract in the history of the National Basketball Association Thursday night, completing a $10.5 million deal with the New York Nets.

"I should be able to give our one team a run," said Erving, who was matched with a four-year $10.5 million contract in the astonishing transaction.

Erving's contract was worked out quickly when Nets Coach Jim Loughery flew to Philadelphia when he was named new supervisor in Friday night's opening game against the San Francisco team.

The Nets paid an estimated $1.5 million for Erving. The team was able to sign center Ray Buck and guard Walt Hazzard—but have done little powerful team in trouble.

There were strong reports that Boston was still interested to sell the franchise whose owners were the American Basketball Association the last year before the league disbanded and four of its teams entered the NBA.

The surprising deal was the biggest cash deal in the NBA's history.

Loughery, who was the Nets People preparing for the TV transmission, "I know if we got three or four players to replace him, they couldn't help us."

"If the players are down, you can't win the contest by taking a total of straight games. Albany's fifth game was a 3:15."

Albany's fifth game was a 3:15.

WIRA Meetings Upcoming

In Judy Fouts

WIRA has announced meeting dates for waterpolo, floor hockey, and basketball. The waterpolo meeting will be held on Tuesday, Oct. 18, at 8:30 p.m. in room 315 at S.U.N.Y. At that time, the floor hockey meeting will be held on Thursday, Oct. 20, at 8:30 p.m. in room 315 at S.U.N.Y.

WIRA is also looking for a basketball coach and will be meeting for waterpolo, floor hockey, and basketball. The waterpolo meeting will be held on Tuesday, Oct. 18, at 8:30 p.m. in room 315 at S.U.N.Y. At that time, the floor hockey meeting will be held on Thursday, Oct. 20, at 8:30 p.m. in room 315 at S.U.N.Y.

Women Netters End; Malay Stars

This year's tournament was sponsored by the Tennis Foundation of America and the University of California in the United States. The winner of the tournament was the team of the New York schools, which did not enter the last year. Albany's Maloy and Joyce won in the opening round, and were called off at 4-5.

There are strong reports that Boe plans to sell the franchise which was entered in the 1976 tournament.

"There's no replacement for Julius Erving, " he said when reached in Oakland, where the Nets are preparing for the TV transmission. "1 expected that we'll do pretty good this year in the States. It's a growing sport, but leaving the once-powerful franchise which we got three or four players to replace him, they couldn't help us."

"If the players are down, you can't win the contest by taking a total of straight games. Albany's fifth game was a 3:15."

Albany's fifth game was a 3:15.
Wouldn't it be a shame?

Consider...

Consider the job market. In spite of what you hear, there are jobs out there. But to get those jobs you need more than a degree or grades. You need practical experience.

You...

You can get that experience at college. Student groups, university committees, part-time jobs and volunteer work are all available. They are the real experiences you'll need for success in the real world.

You're only in college a short time.

Wouldn't it be a shame if all you got was a degree?
Booters Down Plattsburgh 4-0; Aguilars Hurt

By Mike Pellicer
It was supposedly a contest. But the "night before," the away team had Wednesday night due to the schedule presented to the home field. The idea was to flatten the home team with the momentum of the home court. But it wasn't to be and the Booters decided to push past their early mistakes.

Hurlers End With Loss Of Arms

By Carl Heilman
Somehow, someway, after the end of the game, the home team decided to let the Booters win. It was clear from the start. The Booters ended up with a 4-0 victory over the Aguilars.

Royalties added of a Paul Schieffelin, and the Down Front.

Although there was no scoring coming, the Booters were becoming incredibly tough on the Plattsburghers. After all, their schedule was arranged to get their minds right.

The Booters had somewhat weathered the storm and were looking to pick up a rebound in the game. Aguilars' Andy Gennaro made his first appearance since the last time he played. In his second appearance, he netted the winning goal. The Booters, on the other hand, were looking to keep their winning streak going.

"I have to comment on the outstanding play of the goalie from Plattsburgh. It is very difficult. Going into the last match, I was kind of worried about the quality of the goalie from the opposite team," said Booters' coach.

The Booters won four straight games as they beat Plattsburgh, 4-0.

It was a real team effort. We've been working very, very well over the last few days and have really improved. The Booters were playing very, very well even though they had virtually no chance to make the three sets, Maloy turned the tables.

"It was a real team effort. We've been working very, very well over the last few days and have really improved." The Booters were playing very, very well even though they had virtually no chance to make the three sets, Maloy turned the tables.

Paul DiLellio hurt his elbow early in the second half, but the Booters still managed to hold the lead. A late goal by the Booters, however, was enough to kick off their winning streak.

Plattsburgh's scoring attempts fell short, the final score was 4-0. The Booters secured a comfortable win in the end.
