Men booters halt slide by defeating Siena 1-0

By Bob (Jurdlnlcr

In the second of a three-game winning streak, the Danes defeated the Siena Saints 1-0 Monday night at Casey Stadium.

"It was a very good win," said Coach Corso. "We were able to keep the ball out of our own half of the field for most of the game. The Saints had two good opportunities, but our defense held firm."

The Danes dominated the first half, scoring the lone goal of the game at 34:43. Co-captain John Markcs headed the ball into the net off a corner kick.

Danes' character on the line against Cortland

By Bob (Jurdlnlcr

There was a time during the spring of a long time when the Danes were struggling to find their niche in the league. But that time has passed. Now the Danes are on top of the world, leading the ECAC with a 6-0-1 record.

The key to the Danes' success has been their team chemistry. "We're all friends off the field," said senior goalie Dave Fedorko. "That makes it easier to play together on the field."

However, the biggest team weakness was in the back. The Danes gave up a 1-0 victory over Siena.

Not even the sure foot of Dave Jerry Isaacs could stop the Danes. The Saints scored the lone goal of the game on a penalty kick.

But the Danes bounced back the next night against Siena. In the third game of the season, the Danes defeated the Saints 1-0 again. "We're really starting to hit our stride," said senior forward Jerry Isaacs.

Irate Solidarity ralliers chide Reagan, call for more jobs

By Bob (Jurdlnlcr

The Solidarity Solidarity movement has been growing in strength in recent weeks. A rally was held in Albany Saturday to protest against unemployment and low wages.

"We're fed up with the way the government is treating us," said Bob (Jurdlnlcr. "We want more jobs and better wages."

But the Solidarity movement is not alone in its struggle. "We're working together with the unions to get better conditions," said Jerry Isaacs.

Loudonville, N.Y., Buffalo Bulls, Albany was forced to go with backup signal-tomorrow lo battle the Danes. Coming off a resounding victory, the Danes are ready to face the Bulls. "We're going to give them a good game," said Coach Corso.
Bess Truman dies

(AP) Bess Truman, the indomitable wife of President Harry S. Truman, died Monday at age 86.

"The old lady just ran out," said Dr. William Whitten, Truman family physician since 1944. "We know she knew the end was nearing."

The public knew her as Bess, but Truman called her "Little Bess" or "Bessie." She is the only first lady to die in Kansas City.

Mrs. Truman, who had lived longer than any other first lady, had been a key figure in the Democratic party. She was a strong supporter of her husband's policies and a symbol of the New Deal.

She had been homebound for several years due to illness.

Charges against a Soviet agent who worked for the National Security Agency. The agent, a woman, was arrested in 1974.

The charges were announced in a news conference by the FBI.

The agent was accused of passing information to the Soviet Union.

Widespread incurable herpes is controllable

By Mark Gesner

The symptoms and nature have not changed in the past, but awareness of the disease and its consequences have increased. Many people are aware of herpes because of the common cold sore, the pain, and the recurrent outbreaks. However, herpes is not the only disease that affects the skin and mucous membranes.

Herpes is a disease that affects the skin and mucous membranes. The virus causing herpes is called herpes simplex virus (HSV). There are two types of HSV: HSV-1 and HSV-2. HSV-1 is usually associated with cold sores and fever blisters, while HSV-2 is usually associated with genital herpes.

Genital herpes is a sexually transmitted disease (STD) that affects the genital area, including the penis, vulva, and rectum. It is caused by HSV-2, a type of herpes virus. Genital herpes can cause painful blisters, ulcers, and sores that may last for several weeks. The virus can infect anyone who has sex with an infected person, even if they have no symptoms. The disease is highly contagious and can be transmitted through direct contact with the infected area.

The disease obviously plays a part in the sexual health of many people, especially those who are sexually active. Many people are afraid of the disease because of the fear of infection, the pain of outbreaks, and the stigma associated with it. However, the disease is not as severe as many people believe. The symptoms of genital herpes can be managed, and treatments are available.

Genital herpes is considered a lifelong disease, but it can be managed through treatment and prevention. Treatment for genital herpes includes antiviral medications, which can help reduce the frequency and severity of outbreaks. Prevention involves avoiding sexual contact with an infected person and practicing safe sex, including the use of condoms.

The disease is not curable, but it can be managed. It is important to talk to your doctor about the disease and the treatments available. It is also important to practice safe sex and to inform your partners about your medical history.

The disease is contagious, and it can be transmitted through direct contact with the infected area. The disease can be spread during sexual activity, including oral sex, anal sex, and vaginal sex. It can also be spread through skin-to-skin contact with an infected area.

The disease is not as severe as many people believe. The symptoms of genital herpes can be managed, and treatments are available. It is important to talk to your doctor about the disease and the treatments available. It is also important to practice safe sex and to inform your partners about your medical history.

**Fleetwood Mac's Illusion**

S

s on September 19th, 1977, the number one LP of the week, as measured by the Billboard charts, was "Rumours." This wasn't exactly surprising, since Fleetwood Mac had decided to employ the same formula that had made them big in the first place. The reason behind this was the success of the band's 1975 album "Fleetwood Mac," which featured a hit single called "Landslide." The song was written by Christine McVie, who later joined Fleetwood Mac as a member. She had previously been with a band called King Crimson.

Debbie Millman

**Klein Cuts Up**

D

eveloper Paul Klein was the talk of the town when he appeared on the cover of the July issue of Rolling Stone. The magazine had just released its list of the 50 greatest comedy albums of all time, and Klein's album "Goody-Two-Shoes" had made the cut. Klein, a former stand-up comic turned actor, had released the album in 1980, and it had been a hit.

Robert Schneider

The show, produced by Stephen Furst, featured Klein with two other comedians, and many more acts in the audience. Although the show was taped in a comedy club in New York, the performance was broadcast on a different network, due to the large number of people in attendance.

**Adam Bugs Out**

T

he new film "Adam Bugs Out," directed by Mike Nichols, has been receiving mixed reviews. Some critics praise the movie for its dark humor and the performances of the two main actors, Adam Driver and Burt Reynolds. Others think it's too long and too slow.

Steve Gossett

Obituary for: Bobby Brico, lead singer of the popular 1980s band The Romantics, has been released.

**Since Chatting**

The magazine's cover story is about Adam Driver, who stars in the upcoming film "The Last Jedi." The article also features interviews with other prominent figures in the entertainment industry, such as Burt Reynolds and Steve Zissou.

The magazine is available in print and online, and subscriptions are available for those who want to receive it regularly. For more information, visit the magazine's website.
The polls

The polling place set to open another day in court. Yesterday a Black Friday at the State Supreme Court that would have been the City of Albany's Town of Colonie to create polling places where people could vote. The polling places would enable citizens of the municipality that is in the process of consolidating its polling places in the City of Albany.

Battling ROTC

I am writing to express my opposition to the recent decisions of the Albany Student Union to shut down the ROTC program on our campus. I believe that the actions of the Student Union are misguided, divisive, and a violation of our university's commitment to academic freedom.

Elissa Stein

Rating the referenda

Referendum 1

Politically the most important issues to students are the decisions made by the Albany Student Union. We must keep in mind that the Student Union is responsible for our student government and that our voices are heard. We must also remember that the Student Union is the body that represents our interests.

Alissa Grommon

Referendum 2

This past year has seen more controversy over ROTC and its role in our society. The debate has been heated and passionate. Many students have voiced their support and opposition to the program.

Unanswered questions

What will the outcome of this referendum mean for our institution? The Student Union has a crucial role in shaping the future of our campus. We must ensure that our voices are heard and that our democratic process is respected.

Solidarity rallies unite

Fran Page, the Media of Community Radio, arranged an open meeting of citizens from the Spruce Street area and others in the 6th Ward to discuss the problem of unemployment under the Savoy administration. The meeting was held at the Spruce Street Elementary School on Thursday, October 21.

The meeting was attended by a large crowd of citizens, many of whom had been affected by the unemployment problem in the area.

A representative of the Teachers Union, who had been unemployed for several months, spoke at the meeting. He expressed concern about the lack of work available for teachers and other professionals in the area.

The meeting was well attended, with many citizens expressing their worries about the unemployment problem in the area. The meeting ended with a call for action to help those affected by the unemployment problem.

Bootees drop heartbreaker to Binghamton 1-0

Danes just hold on against Cortland

Danes quarterback Tom Pratt was forced to leave Saturday's game against Cortland with a hamstring pull. Both he and Jim Canfield are questionable for Friday's game against Ithaca.

Praett, Canfield injured

You don't have to worry about Albany State head coach Bob Fitt what damge is it done

Dane sophomore forward Jim Canfield exited the game late in the second half with a hamstring pull. He will be questionable for Friday's game against Ithaca.

by Craig Harvey

The Danes could not overcome a 15-play, 66-yard drive by the Colonials in the final possession of the game Saturday afternoon. With four minutes left, the Colonials drove the length of the field on their way to a one-yard touchdown and eventual 17-14 victory.

The Colonials took the lead with a 35-yard field goal early in the third quarter. Later in the quarter, the Colonials capitalized on an Albany turnover and scored on a one-yard touchdown.

The Danes cut the lead to one point early in the fourth quarter with a 34-yard field goal. However, a successful two-point conversion attempt in the final minutes of the game gave the Colonials a 17-14 victory.
