Will Feature Assembly

According to Secretary Sevits, President of the Student Association, the student body is interested in the program itself, but the question is how long it will last after this year. It is expected that the program will continue for several more years, with a new slate of directors each year. The program will feature various talent performances, including singing, dancing, and instrumental music. The students will have the opportunity to showcase their skills and gain valuable experience in the arts. The program is open to all students, and auditions will be held regularly.
