Abrahams, Wood Swamp LaFaro In Freshman Presidential Election

Class Will Revote On Six Offices; Balloting Monday

Abrahams, Wood, right, the incoming freshman president, and LaFaro, left. The former, a member of the tennis team, the latter a member of the basketball team.

Harry, left, and Stanley Abrahams, right, the incoming freshman president and first vice-president, respectively, of the State College News. The former, a member of the tennis team, the latter a member of the basketball team.

Sport to Parade Sing in Assembly

The traditional track parade, song in assembly, was held today on the campus.

This year, a new and different parade was held. It consisted of all the sports teams on the campus, including football, basketball, track, and tennis.

The parade started at 2:30 p.m. and proceeded down Washington Street to the Parade Grounds. The floats were decorated with streamers and confetti, and the participants wore brightly colored uniforms.

The floats included the football team, the basketball team, the track team, and the tennis team. Each float had a leader dressed in a costume, and the participants marched along to the beat of the band.

After the parade, the participants gathered in the Parade Grounds for the assembly. The assembly consisted of a series of speeches by various members of the student body, as well as a performance by the school band.

The assembly was a great success, and the students were enthusiastic about the new parade. The next plan is to have a parade every other year, with the next one scheduled for 1949.

The State College News wishes to extend its congratulations to Harry and Stanley Abrahams on their election as president and first vice-president, respectively. They are both members of the tennis team and have been active in student affairs.

The News also wishes to extend its congratulations to the entire student body on the success of this year's parade and assembly. It was a true reflection of the spirit and enthusiasm of the State College students.

The News would like to express its thanks to all who helped make this event possible, including the student body, the faculty, and the administration.

The News looks forward to next year's parade and assembly, and wishes it every success.
