Myskania, as it will march into the semi-final tomorrow to "tap" the eleven, twelve or thirteen juniors who have led in undergraduate affairs. In alphabetical order, right to left, the members are: Miss Hills, Mildred Lansey, Betty Palmer, Caroline Schleide, Robert J. Shul (holders on the cups and purple and gold ribbons on their gowns). The ribbons will be pinned on the ten members.

FACULTY WILL GET 9 NEW INSTRUCTORS

Miss Cobb and Miss Johnston Receive Year's Leave

Of Absence

Nine instructors and assistant professors will be added to the teaching staff next year, President A. R. Benham announced today. Five mem-

bers of the present staff will not return, being replaced by five of the new instructors. Four positions are open.

The present staff members who will not return next year are: Miss Mary Elizabeth Callis, librarian, and Miss J. Isabel Johnston, Instructor in physi-

cal education, both of whom will have a year's leave of absence; Miss Helen E. Fay, Instructor in history, who will manage the cooperative book store; Russell W. Halvorsen, who expects to continue graduate work at the University of Wisconsin, and Dr. Marion L. Adams, assistant instructor in economics, who will study politics at the Mar-

ham State Hospital.

Dorothy Dietz, '27, who will receive an advanced degree from the Ohio University in Miss Jubal, will substitute for Miss Johnston. Miss Margaret Ray Meyer, who has been studying for Miss Alice M. Kistler as assistant librarian, will continue time for Miss Cobb. She is a graduate from State College and formerly a li-

brarian at a high school.

Miss Marion J. Smith, assistant professor of French at Helen College, Beloit, Wisconsin, will become assistant professor of French to succeed the late Professor Andrew Wiseman. She is a graduate from Smith College and has a doctorate from the University of Paris.

MYSKANIA TAPPING WILL DISPEL MYSTERY TOMORROW MORNING

How Many Men Will Be Chosen Is Question Facing Student Body; Carr May Begin "Tapping" If First Candidate Is Man; Grace Bar or Marion Bette To Be President

The chock of mystery and confusion which for the past few weeks has shrouded the campus, will be lifted on Monday. Tomorrow, retiring members of Myskania will give up their seals of honor to their successors. Tomorrow, eleven, twelve or thirteen members of the class of 1930 will be chosen in alphabetical order, right to left, and will assume their places as Myskania leaders. Approximately 1200 students will turn out and see the new Myskania tapped.

Who will serve the thirteenth members he? Will there be thirteen? How many men will there be on Myskania? These and many other questions which have been burning about the campus for several weeks, will be answered tomorrow. The names of the retiring members of Myskania will be placed on the stage of the auditorium in alphabetical order. The test on the left will be G. E. Kinsman, the last on the right, K. A. Reddick. The这只 will be presented to the eleventh member of the class of 1930, and the gold ribbon to the tenth member.

When the moment of "tapping" arrives, there will be an outburst of cheers and applause that will last for the entire assembly. Every first year student will have on his badge, the badge of the Myskania member he has chosen.

Weather Will Be Fair Tomorrow, Cautiously, Weather Man Says

Weather for Monday Up day will be clear and warm with a rising wind. Temperatures will be comfortable. No snow and NI. rain is expected.

In Name As In Fact

The time has come for the student association to extend its control over the election of officers who so vitally serve the school. It is an anomaly of the present system here that men of the student board of finance are elected by a small number of students in class meetings, while the student board of finance itself elects the whole student board. It is another anomaly that the junior class should elect officers who have already been elected by the senior class when that class is present. It is time that the student board of finance should be elected by the whole student board. The student board of finance is a fact in student association affairs. The business of the student board of finance is potentially of supreme importance to the student association.

All members of the student board of finance should be elected by the whole student board. Tangent along the card pool of the class business, the whole student board will be needed wherever the business of the student board of finance is potentially of supreme importance to the student association. The student association officers should be elected by the whole student board. The elimination of the student board of finance as the electors of student association officers would carry a small part of the problem of the elimination of the student board of finance as the electors of student association officers.

HE'LL CALL IN A FEW MINUTES NOW!

How they'll look forward to that weekly telephone call from you!
It isn't so much what you say although of course they're always interested in anything you do. It's the fact that you're there - that they're hearing your voice. It's easy to arrange too. Just tell them you'll telephone on a certain night each week at a convenient hour. They'll enjoy the few minutes you spend in talking to them and each other will.

The cost? Even if you live a long way off, the reduced evening and night rates will put it well within reach of your pocketbook.
Why not telephone tonight?

Myskania Will Begin New Chapter In Its History When New Members Are "Tapped" Tomorrow

Approval Of Modification Of Freshman Class Rule Is Named At General Meeting By Student Body Society To Traditions Of College During 12 Years

Tomorrow will see a new chapter written in the history of Myskania, an organization which has witnessed numerous changes in the college in the twelve years of its existence. Freshman traditions have come and gone, freshmen no longer wear the "don't feel blue" caps each spring, and the "fresmen, freshmen, seniors, juniors, sophomores" song is only heard at basketball games. But Myskania is here to stay, and tomorrow will mark the beginning of a new chapter in its history when "tapping" will begin.

The story of the development of Myskania from a faculty appointed organization to its present status as a student government run by and for freshmen, is an interesting history. Although the organization was founded in 1899, the first "tapping" was not held until 1912, after the first year of student government. The first "tapping" was held on October 14, 1912, with Dr. E. C. Stilson, Assistant Dean of Men, as the chief "tapper".

The "tapping" of freshmen, or becoming a member of Myskania, has always been a significant event in the life of a freshman. It represents an important step in the transition from high school to college, and is a symbol of the student's growing sense of responsibility and involvement.

The tradition of "tapping" freshmen has been an important part of Myskania's history, and has contributed to the college's traditions and spirit.

The "tapping" of freshmen is an annual event, held each fall to welcome new members into the Myskania community. The event is an opportunity for freshmen to meet and become familiar with their new organization, and to participate in the college's traditions and activities.

The "tapping" ceremony is a formal event, with speeches and presentations. Freshmen are inducted into Myskania, and are given the opportunity to learn about the organization and its role in the college community.

Myskania Decides Standard Ring Design Is Tradition; New Charter Defines Honor Society's Powers In 1928

from page 4, col. 10

November 11, 1927—Eight seniors named in the two-letter class were elected to the Myskania, on the recommendation of the chaperons.

The senior marshals were Patricia Godfrey, O'Connell and Rosina Slobin; juniors Helen Sellew and Marion Slan; sophomores Mary Ann Halley and Elizabeth Brown; freshmen Marion Wood, Nellie Bell Stewart and Marieta Davis.

December 2, 1927—"Myskania with duality," as announced by the charter class in regard to changing the standard ring design, was to be maintained, according to the new constitution.

February 8, 1928—"Thirteen leaders in the faculty will be limited into full membership of Myskania next week, and this time it will be publicly announced."

These thirteen leaders were "named for membership in the organization at the evening of day ceremony Friday. They are: G. LaVesse, Patrice, Thomas P. Falchon, William H. Sturman, Ruby Forrest, Gertrude Lime, Alice Hill, Mildred Puffer, Caroline S. Schlecht, Robert J. Stillingfus and Ruth Watts."

"The new constitution will be introduced at the union assembly next week, and thereafter the society shall function." - Chili I. Lane, retiring president, at a ceremony February 8, 1928.

STATE TO PLAY R.P.I. IN BASEBALL, MAY 25

A life addition has been made to the State College baseball schedule, according to Walter Driscoll, '31, manager of the team. A game with the temple on Saturday, May 25, has been filled by playing a game with the Rensselaer Polytechnic Institute, to be played in Troy. A return game will be played in May at next season. This will be the first meeting of State College and R. I. in any sport in many years. Last year both a baseball game and a tennis match were held with the State school, but both were prevented by rain.

Robert Barlow, '30, will manage one of the new houses, a president and three vice-presidents will be elected in order to regulate the activities of the house.

The necessity for a new forms of student government has been recognized, and a system of government will be established.

Intelligence And Health Teaching Personality

Dr. Morris Writes In New Book On Success In Teaching

Philip B. Benson, a recent addition to the College faculty, has written a book on the subject of teaching. The book, entitled "Personalized Education," is a comprehensive study of the personality traits of successful teachers.

In the book, Benson stresses the importance of understanding the personality of the student in order to be successful in the classroom. He argues that teachers must be able to identify the strengths and weaknesses of their students in order to tailor their teaching methods accordingly.

Dr. Morris notes that the book is a valuable resource for teachers and administrators alike. He encourages all educators to read the book and to apply its principles in their own teaching practices.

ALUMNI CONTRIBUTE EDUCATION TOPICS TO STATE MAGAZINE

Articles written by three State College alumni appeared in this recent number of the New York State Education. Chester J. Terrill, who received a master's degree from State College in 1927, and is now head of the commercial department of Albany High School, expressed his opinion on "Why Commercial Subjects in a New York State High School" stressing the public demand. "The New High School Freshman" is the topic of Kenneth H. MacFarland, '29, who is now principal of the Jefferson High School. Due to the elimination problem, the Jefferson High School, according to Mr. MacFarland, has organized an orientation course which includes "career discussions, prepared projects, personal consultations, and cultural training."

Amy J. Delley, '28, and new training class-instructor and grade specialist at Norwich, wrote on "Standard Intelligence Tests." Stressing the value of intelligence tests for high school students, Miss Delley says, "It is the right of the child to lower mental ability to have an education that will fit him to fill his place in society and earn his endorsed in a more efficient way than the old method."

Dr. Morris, "The use of intelligence tests is of value to the student himself as well as to the teacher. In the past, intelligence tests have been used primarily in the high schools. However, they are also useful in the lower grades."
HARRISON TO HEAD COUNCIL NEXT YEAR

Miss Thomas is Vice-President and Miss Wadsworth Is Secretary

Jeanette Harrison, '28, will be president of intersorority council next year as a result of her election to the office of dean of Alpha Epsilon Phi this week. Mary E. Fair, '28, president of Chi Sigma Theta, is the retiring president.

Both Kelly of Gamma Phi was last year's intersorority president and following Alpha Epsilon Phi Gamma, Kappa Phi will head the council. Each sorority in turn will hold the council.

Other officers of the council will be Dorothy Thomas, '28, of Gamma Phi, vice-president; Margaret Washworth, '28, of Delta Zeta, secretary, and Rose Handler, '28, of Phi Alpha Lambda, treasurer. The other members will be Mary Nelson, '30, of Delta Omicron, vice-president, and Pat Chwatch, '28, of Chi Sigma Theta, president.

Whiston Will Return To Squad And Kuczynski Will Be Minor Base

By ROY V. SELDAN
Sports Editor, State College News

The State College baseball team will try to chalk up its second victory of the season Saturday at Ridgfield Park by beating the Maxwell Training
School nine at 3:00 o’clock. Whiston will be the return of Whiston to his regu-
lar position behind the plate, allowing Tony Kuczynski to play third base. Kinsella will take the right field position while Whiston played last week. If
Allman continues to bash the form he showed in Jamaica down to four hits and a single run, he will be a hard man for any team to beat. Allan was still a truce wild but
he was steady in the pinch and when the going got a bit rough he bore
up. After the first inning, Jamaica
was unable to score. Allan struck out
five and walked one in two and a
half innings.
